**Petition for Resident Only Parking on Surf Road**

Whereas the residents of Surf Road in the Town of Cape Elizabeth have seen an increase in traffic over the years;

Whereas there is an increased incidence of vehicles from outside of the neighborhood, not visiting residents, parking on Surf Road;

Whereas the Town of Cape Elizabeth frequently must post "Emergency - No Parking" signs on Surf Road during events at the adjacent Fort Williams;

Whereas resident only parking has been in effect for the adjoining Garden Circle with great success for those neighbors;

The undersigned residents of Surf Road respectfully request that the Town of Cape Elizabeth extend resident-only parking year-round to Surf Road.

**Petition for Parking on One Side of Surf Road**

Whereas Surf Road is a narrow street on which, currently, vehicles may be found parked on both sides;

Whereas vehicles parked on even a single side of the street will narrowly allow other traffic, including emergency vehicles, to pass;

Whereas enforced parking on a single side of the street would be safer with regard to guaranteeing a free lane for emergency vehicles to pass into the neighborhood were they required;

The undersigned residents of Surf Road in Cape Elizabeth respectfully request that the Town of Cape Elizabeth restrict parking on Surf Road to the southwest side (side of residences designated with odd -- as opposed to even -- numbered addresses) throughout the year.
