September 10, 2018

Dear Matt,

I have been very fortunate to have worked forty-five years in the field of law enforcement. Of those forty-five years I have worked almost forty of them at Cape Elizabeth Police Department, of which, the last eighteen years in the capacity of Chief of Police.

During my years of service, I have had the pleasure to serve the citizens of Cape Elizabeth. Having been born and raised in Cape Elizabeth, this adds an extra special touch to my years of service.

I have also had the pleasure to work for two great Town Managers and to serve with a very dedicated group of Department Heads. I will always be mindful of their friendship and dedication.

I would like to recognize the dedicated and courageous group of Officers and staff that we have at the Cape Elizabeth Police Department. The general public has no idea what their jobs entail in this day and age. However, the citizens of Cape Elizabeth can rest a sure they have the best Officers and staff possible for the job.

Lastly, I would like to thank my wife and two adult children for always being there for me and standing behind me during my many years of service. They have sacrificed more family time than one could ever know.

Therefore, I would like to submit this letter notifying you and the Town of Cape Elizabeth of my intentions to retire as of December 31, 2018.

Again, it has been an honor and a privilege to serve the citizens of Cape Elizabeth. I look forward to retirement and enjoying the time off with my family.

Respectfully Submitted,

  
Neil R. Williams

Chief of Police
