Town Manager’s Monthly Report

September 11, 2017

As we transition from summer to fall, new programming is beginning at Community Services and the Thomas Memorial Library. Please refer to the Town’s website for more information.

The Hill Way / Scott Dyer project is progressing. Substantial work is underway this week on Hill Way. Please be advised that now that school is in session, morning traffic is facing some challenges so please leave some additional time for getting through this section of Town.

In today’s mail the Town received a dividend check from the Maine Municipal Association in the amount of $16,875 as a result of our good loss experience and loss prevention programs. This is as a result of a low loss ratio in the MMA Workers Compensation Fund and in the MMA Property and Casualty Pool. This is a direct result of our successful risk management activities and good loss experience.

The comprehensive planning committee has mailed out a survey to all condominium owners in Cape Elizabeth. This is the first of a number of surveys to be performed. They were mailed out last week, and the planning department is already receiving a good return rate.

I would like to take a moment to remember the lives lost on September 11, 2001 (9/11). Our country was forever changed as a result of the tragic events that took place that day. Our military has been fighting the war on terror ever since, and we want to thank them and all of our first responders, firefighters, police officers, and the many other groups/organizations protecting us and our way of life.

Respectfully submitted,

Matthew Sturgis
Town Manager

Presentation – Winter Moths

Todd Robbins, Tree Warden reviewed winter moths and the problems in Cape Elizabeth. He provided an overview of various management options and native genus trees that should be used in future plantings.

Residents are encouraged to contact Mr. Robbins with questions and report problems. This evening’s presentation, contact email and a fillable form available as a “Hot Topic” on the town’s website was recommended.

Public Comment –

Caitlin Jordan, 83 Old Ocean House Road posed questions regarding the food establishment definitions. If the ordinance is trying to exempt fish and farm markets the language is unclear.

Penelope Jordan, 21 Wells Road asked whether one-time vendors coming into town would have to adhere to the proposed regulations. Why do the ordinances address food stores and food vendors and not other types of retail establishments?

The Cape Elizabeth Town Council believes that citizens are best served through a high degree of citizen participation in their government. One important opportunity for participation is through appointments to Town boards and commissions. Our standing boards and commissions perform many vital functions in providing for the public health, safety and welfare. As these functions are so important, it is advisable to have citizens serving on boards who have varied expertise and who represent a broad cross section of our community. It is also advisable to have turnover on boards to ensure as extensive participation as is possible and to encourage new ideas and new approaches to come forward. These views are the basis for the following statement of policy:

1. The Appointments Committee shall annually advertise all expiring terms on standing boards and commissions. The advertising shall include notice in the Cape Courier, on the Town’s website and on the Town’s Cable Access Station.

2. The Appointments Committee shall seek to meet with all prospective appointees in order to discuss special qualifications, expertise and interest of applicants. The Town Council may forgo the Appointments Committee process pursuant to Chapter 4 Boards and Committees 4-1-2.

3. The Appointments Committee shall review attendance records to ensure that citizens seeking reappointment have been active members. Attendance records shall be maintained for each standing board and commission. Staff members shall be responsible to ensure the maintenance of attendance records. Issues relating to non-attendance of a board member shall be reported to the Town Manager by the staff member.

4. A citizen may serve up to two full consecutive terms as a regular member of a standing board or commission, except the Trustees of the Riverside Cemetery, and members of the Planning Board, Zoning Board of Appeals and the Conservation Commission may serve up to three consecutive terms. Reappointment to that same board or commission may then occur only after a one-year period of non-service on that board or commission. Provided, however, despite the term limitations of this paragraph, for good cause shown the Town Council may appoint a board or commission member for an additional one year.

5. Citizens may serve on only one standing board or committee at one time unless they represent a particular board.

6. Chairmen of boards and commissions shall not serve more than two consecutive one-year terms as Chairman.

7. The secretary of each board and commission shall be elected from among the membership. Minutes of all board and committee meetings shall be prepared by staff however the Town will provide paid secretarial assistance only for regular meetings of the Zoning and Planning Boards.

8. Members of the Planning Board may not concurrently serve as members of the governing board of the Cape Elizabeth Land Trust.
9. The Town Council, as the appointive authority, reserves the right to collectively and individually use whatever additional factors it deems appropriate in considering the appointment or reappointment of a citizen to a town board or commission committee.

10. A schedule of board and committee meetings shall be provided to the Town Clerk. Following each meeting, minutes shall be provided to the Town Clerk. Electronic transmittal of minutes is requested.

11. Employees of the Town of Cape Elizabeth may not serve on standing boards and commissions committees, except by ex-officio appointment. This limitation does not apply to individuals who are hired by the Town to serve as temporary election workers or wardens, occasional instructors in the Community Services programs, or volunteer fire, rescue, and fire-police personnel. Such individuals may serve on a board or commission committee unrelated to their work for the town.
