

Household Hazardous Waste

The Recycling Center only accepts Hazardous Waste at its Household Hazardous Waste Collection conducted annually in May. During this collection, material will not be accepted from contractors.

The following hazardous materials should be saved for Hazardous Waste Collection:

From the Yard - Pesticides, Insecticides, Fertilizer, Herbicides, Insect Sprays, Rodent Killers, Acids, No Pest Strips, Chlordane, Pool Chemicals

From the Garage - Antifreeze, Brake Fluid, Degreasers, Carburetor Cleaner, Creosote, Gasoline, Kerosene, Oil-Based and Lead-Based Paints, Solvents, Paint Thinner

From the House - Fluorescent Light Bulbs and Ballasts, Drain Cleaners, Furniture Polish, Metal Polish, Moth Balls, Upholstery Cleaners, Photo Chemicals, Floor Cleaners, Spot Remover, Button Batteries, Rechargeable Batteries, Old Chemistry Sets, Mercury and Mercury Thermometers, Thermostats, Electronics, Televisions

From the Workbench - Rust Inhibitors, Wood Preservatives, Wood Strippers, Wood Stains, Paint Thinners, Oil-Based and Lead-Based Paints, Solvents, Degreasers, Sealants, Resins, Adhesives, Unknown Substances, Arsenic-Treated Wood, Asbestos-Based Products

We do not accept: pressure treated wood, asphalt, medical waste, radioactive waste, explosives, road flares, ammunition, fireworks, or dead animals.

Recycling Center Permits

Residential permits are issued at the Recycling Center.

Individuals must provide proof of seasonal or year round residency (vehicle registration plus utility bill, tax bill or rental agreement) to the attendant.

Contractors wishing to utilize the Recycling Center should contact the Public Works Department for information on applicable permits and fees. Only material generated in Cape Elizabeth will be accepted at the Center.

Fees apply to some items.
Please see Attendants for information.
