August 2015

The Cape Elizabeth Town Council is hosting a Citizens' Round Table on Thursday, September 17, 2015, 7:00 – 8:30 p.m. at the Middle School.

This event provides an opportunity for the town council to reach out to citizens to obtain feedback and encourage public participation as it relates to community goals.

How are we doing? What are citizens' priorities and goals? What direction do you see the town moving toward?

Please take a moment to think about your priorities. We value your input and look forward to varied ideas and opinions as we look to incorporate citizen input into our goal-setting process.

Please come join us on September 17!
