Both candidates will be in Cape Elizabeth during the week of April 25 to meet with students, staff, parents, and community members. The School Board is currently setting up a schedule for each candidate's day in the district.

I would like to take this opportunity to thank the members of the Advisory Screening Committee, Interview Committee, and my fellow School Board members for the intensive, thoughtful, and demanding work that has gone into this search. Each representative brought careful consideration to the tasks at hand, being careful to honor all input from the various focus groups and surveys. Every voice was heard, honored, and weighed as we moved forward. Although we aren't done yet, together we have reached a milestone in this process. Thank you.
