53	As a former resident and member of the Cape Elizabeth Historical Preservation Society, I have always had a keen interest in Fort Williams, Portland Head Light, and the Goddard Mansion. I remember when the fort was an active military installation. My uncle was stationed there for a time. I was quite young but remember visiting. As an adult, I have spent many hours there. I am a member of a Cape Elizabeth Founding Family. We have often used the fort for reunions. Cape Elizabeth has a gem that hundreds of thousands of visitors each year. #	IF YOUR ANSWER IS "YES", PLEASE DESCRIBE YOUR CONCERNS BELOW.	DATE
1	Off leash dogs not under voice command have jumped on me, knocked me down, nipped at my hands, feet, and legs. Owners often are rude and refuse to put dog on leash when asked.	1/6/2021 3:09 PM
2	the several intersections between auto mobiles and foot traffic	1/6/2021 9:41 AM
3	Too many dogs running around out of control in "offleash" area. It's become a dog park over the years. I am very cautious walking there now and it's the one of the best places in the park to walk. Also, too many dogs running around without leashes elsewhere in the park, and people driving too fast!	1/5/2021 2:25 PM
4	The granite slide in the children's garden should be removed.	1/4/2021 1:44 PM
5	1) My car was broken into at the park on a major holiday. My wallet, ID, checks, credit cards were stolen. The window glass was broken, the seats and door coverings were ripped to shreds. There were other cars broken into and other people had important items stolen. 2) More recently, even though there are plenty of signs advising people to wear masks, many people are refusing to wear them. I leave the park as this rude behavior does make me feel unsafe.	1/1/2021 7:37 PM
6	Too many people not following the rules; trash being left for others to pick up; not everyone wearing masks; possibility of theft, from of items left in the vehicles.	12/31/2020 3:03 PM
7	Unleashed dogs not under voice control are not unusual. I've had them jump on me.	12/30/2020 5:42 PM
8	not for me, but for visitors that decide to go down along the rocks below the cliffs and out of bounds areas	12/29/2020 3:57 PM
9	concerns about the battery garesche area	12/29/2020 12:15 PM
10	My concern is that the park is now too safe. When I was a kid I could get underground in any number if locations and explore. Now, since you've filled it all in, there's no sense of adventure visiting there like when I was a kid. I miss taking a flashlight into these areas. You wrecked it. It's a place for pussies now. Not surprising considering the direction the country has taken, though.	12/28/2020 8:10 PM
11	Not for my physical safety, but some of the walkways and outlooks could be more safe and secure - especially with fences.	12/28/2020 11:57 AM
12	Approached by dogs when walking through unleashed are to get to another area, owners made no attempts to control the dogs and told me not to walk there if I did not want dogs coming up to sniff me. They went on to further insult me, saying "don't be so grumpy". As I have been bitten and attacked by a dog in the past I do not trust dogs and feel owners should be able to exert voice control over their animals and instead of chatting with other people should be mindful of their dogs and if they are bothering people	12/28/2020 7:47 AM
13	near the gift shop at the start of cliff walk there is a steep short hill. I would like to see a hand railing installed. Being a senior citizen I am concerned about slipping on the gravel/dirt on this hill going down to the level path.	12/27/2020 8:34 AM
14	Cars driving way too fast-over 30mph in 15mph posted speed	12/26/2020 12:38 PM
15	There are still areas along the bluffs where a small child might fall into the rocks to the water.	12/26/2020 10:06 AM
16	Pedestrians are a concern	12/25/2020 7:41 AM
17	Cars, traffic, people drive too fast and too close to crossing points	12/24/2020 12:35 PM
18	Goddard Mansion	12/24/2020 11:06 AM
19	I avoid the dog walking area where unleashed dogs are allowed because while I like dogs, I don't enjoy unknown dogs running up at me and jumping on me or barking. Have had bad experiences because of it and fearful that will get knocked down or tripped.	12/24/2020 10:38 AM
20	With the traffic, it isn't really that bike friendly. When the park was open to walkers and bikers only during the pandemic it was a pretty magical experience. Could there ever be car free days at the park?	12/22/2020 12:03 PM
21	Opposite the flag pole, behind where the Bite into Maine trailer parks, there is a dangerous drop off from the grassy area down to a Maintenance Building. I have reported this several	12/21/2020 8:55 PM

times; however, no fencing has been erected. Additionally, there is nothing to indicate that people should proceed cautiously.

22	Unleashed dogs near children. Poor lighting at dusk. Unsafe swimming area that people access despite signs.	12/15/2020 4:05 PM
23	Not for myself but for others. Areas of the Cliff walk where someone not paying attention or getting reckless could fall into a area that cause bodily harm. Same for those who jump the fence and fish from the rocks below Battery Blair.	12/15/2020 3:00 PM
24	Drivers from away are driving too fast and sightseeing, not watching out for pedestrians. The bus fumes are horrible.	12/14/2020 12:31 PM
25	Poison Ivy	12/14/2020 10:37 AM
26	Public access to top power plant rear of former fire station is a hazard. Children can run on top of the roof and fall off. Should be fencing . The public is jumping the fence and going onto the rocky shore of the ocean. Life rings and emergency phones poles should be considered like college campuses. Sometimes cellphone coverage is poor by the ocean. Park Rangers trained in basic first aid and defibrillator. Children falling into pond. Two young children fell into pond today as parents were not watching. Crosswalk signs and lights to alert motorist when pedestrians cross.	12/14/2020 1:33 AM
27	loose dogs where they should not be. dogs not under voice command. too much traffic, can be difficult to cross roads. people walking in street and crossing where they should not.	12/12/2020 10:33 AM
28	cars usually don't defer to pedestrians or those on bicycles	12/11/2020 4:18 PM
29	The line and crowd around the food place that is out there is crazy in the Summer. I have seen people lining up in the street, and casually crossing without looking. This is also about the narrowest part of the roadway. I'm surprised there hasn't yet been an injury.	12/11/2020 2:30 PM
30	people not wearing masks.	12/11/2020 2:01 PM
31	When I'm on my bicycle, I am very mindful of pedestrians and cars!	12/11/2020 12:04 PM
32	Off leash area, dogs are seldom under control	12/10/2020 9:35 AM
33	Walkways and staircases uneven and in some cases unsafe	12/9/2020 10:03 PM
34	Occasionally there are dogs that are not under control of their owners.	12/9/2020 9:23 PM
35	dogs out of control people acting irresponsibly	12/9/2020 3:41 PM
36	Too many vehicles	12/8/2020 3:18 PM
37	Some stairs and railings are crumbling and appear unsafe.	12/8/2020 1:04 PM
38	Dogs running around without leashes where they shouldn't be.	12/7/2020 6:26 PM
39	Dogs running onto the soccer fields when fields are being used by children. Though a dog owner myself, one never knows anothers interactions and feelings towards dogs. Too many people believe they have their dog under voice command or think its cute when their dog interferes with practices or games going on. My concern is the liability of the town and Cape Soccer in the event a child gets taken out by a dog running for a soccer ball.	12/7/2020 3:36 PM
40	People who do not control their dogs. Have had several dogs jump on me when walking in the on leash area with very little concern by the owner. Also, almost attached by a man when I tried to tell him where the off leash area was. His dog was off leash in an on leash area.	12/7/2020 2:14 PM
41	Cliffwalk is dangerous	12/7/2020 12:37 PM
42	Because both my husband and I are in our 90's , would like to see a railing to accommodate use of the new walk and stairs above Cliffside.	12/7/2020 11:15 AM
43	Problems with dogs offleash in areas that require leashes. Also, I'd like to be able to walk my dog in the offleash area more often, but there's usually too much of a dog park atmosphere, with owners allowing large groups of dogs to run up to people who enter. So I avoid the offleash area unless it's late or the weather's bad, which makes me sad, as it's been a big part of my life.	12/5/2020 3:16 PM
44	High amounts of summer traffic on Shore Rd and into the park. Cross Shore Rd can be very	12/4/2020 2:30 PM

	difficult May - September.	
45	Off leash dogs. I have the experience of being jumped upon by a large dog, off leash, in the unleash area near the children's garden. Some dog owners are rudely resistant to following posted areas creating an atmosphere of intimidation.	12/4/2020 9:56 AM
46	I occasionally worry about tree fall in the winter or after a storm	12/4/2020 8:24 AM
47	Would be nice to have railings on the single steepest part of the Cliffwalk.	12/4/2020 12:28 AM
48	Even with the new fencing (great!) some visitors continue to climb out on the cliffs. Need for signage to warn of consequences. I have no personal concerns for my safety but I see others engaging in risky behavior. The new fencing has helped.	12/3/2020 7:41 PM
49	There seems to be a growing presence of scary people hanging around at the park.	12/3/2020 5:52 PM
50	Dogs are not under voice command- when a dog charges at a person or a stroller or children it is not acceptable for an owner to say how friendly their dog is. this has been a problem for a long time. Other than this, and dog litter, I feel very safe at the Fort	12/3/2020 5:35 PM
51	In the winter the paved areas in the off leash area can be very icy. For some of the older dog walkers would likely appreciate some better plowing or some use of salt/ice melt	12/2/2020 8:41 PM
52	1. Curbs in Main Car Park Disabled Parking Area (adjacent to the Artist's Area) are still not highlighted with yellow paint for safety like the rest of the Main Car Park, and still have no safety railings (similar to the Bus Drop Off area) around the high curb adjacent to the crosswalk. Last year was the first year of the new, paved car park with sidewalks, and there was a high incidence of accidents with pedestrians, generally seniors and some serious enough to involve ambulance trips to hospital, tripping on and off the curbs due to the curb's poor visibility (the pavement, curb and car park are all the same black color making it difficult to see the step up/down.) The rest of the car park curbs were painted yellow in August 2019 and the railings installed in June 2020. 2. Battery Blair is a popular lookout, and often recommended to visitors by the Greeters for the great views, but has been highly dangerous for many years. The steps are steep and narrow with no room for passing and no railings, the grass alternative is eroded and slippery, the top surface is pitted and potholed and people trip frequently, young children climb the metal ladders like a jungle gym with concrete underneath them. 3. Traffic Management, the biggest single issue in the park now and going forward. The lack of a dedicated traffic management team in the Park. Other staff have other duties and can't always assist when traffic volume is high, and often no one is around to see a problem develop. As an example, the number of cars who stop on the road near the Flag area, forcing cars around them into oncoming traffic, which is also on the brow of a blind hill next to a pedestrian crosswalk. Two of the most common reasons are to order/pick at the food truck and to offload/load wedding paraphernalia and guests and the bridal party. 4. Far, far too many cars travel down and around Captain Strout Circle as soon as they arrive in the Park. The sign with arrow says 'Lighthouse', and new visitors want to see how closely they can get parked, or they want to stop in unauthorized areas or block traffic to take a quick lighthouse photo and leave again, some just want to save paying for parking. Many travel around the circle umpteen times hoping one of the three? parking spaces will vacate. All this causes dangerous congestion in the highest pedestrian area of the park, and now with no Greeter stationed in the circle, is totally unmanaged. It is long past time for Captain Strout Circle to be disabled parking and pedestrian only.	12/2/2020 1:29 PM
53	Aggressive dogs.	12/2/2020 12:13 PM
54	aggressive or uncontrolled off-leash dogs	12/2/2020 7:23 AM
55	Unleashed dogs on soccer and baseball fields. Never had a safety incident, but I worry that some day we will.	12/2/2020 7:14 AM
56	The slide in the children's garden is another accident waiting to happen	12/1/2020 10:01 PM
57	Dogs off leash at many locations in the park.	12/1/2020 8:52 PM
58	Yes the park is way over used and with up to 1mm est visitors there are surely some with ill intentions. Way too many people are in the fort	12/1/2020 1:07 PM
59	unleashed dogs!!!!!!!!!!!!	12/1/2020 11:22 AM
60	not me personally -but for others, particularly visitors	12/1/2020 8:04 AM

61	Too many uncontrolled dogs and too many non cape residents.	12/1/2020 5:47 AM
62	off leash dogs not under proper control running towards me and my dog When parked at parade grounds parking lot and trying to cross the road towards Cliff Walk.... the road's rising and curve at the parking lot entrance result in poor visibility for both walkers and drivers.	11/30/2020 9:16 PM
63	Road and walkway width. Especially with cars driving fast	11/30/2020 7:19 PM
64	Leaving the gate accessible to visitors to go out on the rocks to the south of Battery Blair, especially when seeing small children out there.	11/30/2020 2:58 PM
65	Please keep the off leash area open to all. It's a very valuable place for our community. I would love to see updates to the playground.	11/29/2020 7:25 AM
66	I walk at Fort Williams 4-5 times a week in all seasons. The number of dogs off leash in the "on leash" areas is a problem. There were 2 dogs last week that jumped up on me and the owners still did not leash their dogs. There should be a way I can text or phone a park ranger for assistance. I do not see many rangers driving around checking on things.	11/27/2020 7:28 AM
67	Can,t drive, and difficulty walking	11/26/2020 5:08 PM
68	I am not a fan of dogs off leash as they jump on my small dogs who are always on leash.	11/26/2020 12:26 PM
69	covid concerns..too many people without masks	11/26/2020 10:28 AM
70	Off leash dogs not under voice control	11/26/2020 9:38 AM
71	Unleashed dogs are always a problem, not only can all dogs NOT be trusted, although all dog owners think their dog is always under control when not leashed, not all dog owners pick up the messes.	11/26/2020 9:24 AM
72	I am horrified by watching tourists, taking crazy risks on the rocks in search of a selfie. Not sure why access is allowed to the steeper rock sections. Recently I observed a young man encouraging a young woman to leap across a 40ft or more deep crevice to a narrow rock outcropping for a photo. In addition, I often come across dogs who are not in sight or the control of their owners.	11/26/2020 9:06 AM
73	People drive too fast, especially at entrance straightaway	11/25/2020 7:15 PM
74	The majority of the vehicle traffic entering and traveling within the fort pay absolutely no attention to the posted speed limit for the fort. I would encourage CE police presence now & again to ticket speeders; it isn't reliably safe for pedestrian traffic currently. In addition, as usual, there is "creep" by some dog owners as to where their animals are off-leash. I am not interested in being bowled over by exuberant dogs whose owners do not have them under control; it isn't rare to have an unleashed dog run over, to be friendly generally, however it is the owner's responsibility to keep them under control. I realize it is a very difficult situation for the rangers and facilities to address but it remains consistently obnoxious.	11/25/2020 12:02 PM
75	With the frequency of busses in and out it is a concern for pedestrians	11/24/2020 9:01 PM
76	Slight concern of the off dog leash area being placed right next to the established soccer fields.	11/24/2020 6:54 PM
77	Areas with cliffs aren't blocked off, especially on dog walk off leash area near water.	11/24/2020 12:15 PM
78	The safety concerns I have are with vehicles. I've witnessed out of state cars speeding, parking illegally, and driving erratically.	11/23/2020 10:13 PM
79	I have observed a fence gate left open, to yhe south of the light, and people using it to access the rocks, walking as far as the rocks at the light and down closer to the private residence. I think safety on yhe rocks is not taken seriously enough and should not be encouraged by leaving a gate open.	11/23/2020 8:47 PM
80	My only safety concern is that of any beautiful park and that is That I am not sure I feel safe walking by myself in less travelled ares of park.	11/23/2020 1:05 PM
81	When dogs are let off leash	11/23/2020 8:34 AM
82	There are areas of the park, especially access to the rocks and water below the Cliff Walk, which are inherently unsafe, but I think attempts to make them safer would spoil the adventure of using them and making them off-limits would be extremely disappointing.	11/22/2020 11:40 AM

83	Dogs in off leash area often do not appear to be under voice control.	11/22/2020 9:58 AM
84	The parking lot by the Soccer fields should be one ways . It's dangerous after practice and games when tourists are driving in the parking lot looking for spot to park.	11/21/2020 6:37 PM
85	Although my husband is on his feet at the park, I have MS and must use a scooter. Very concerned about trying to find pavement cuts and safely navigating from one part of the park to another on the scooter.	11/21/2020 5:17 PM
86	People are using the paths without masks. Sometimes they will put them on when they see me, but often they won't, even if and when I ask them to. Or, they fumble in their pocket and don't get the mask on until they are in my face. Sometimes a runner will come up behind me without a mask and be very close. Please, please, please put up big signs at all entrances and at the start of all trails that say something like: BE KIND, FOLLOW THE LAW, PROTECT ALL OF US, WEAR A MASK	11/21/2020 5:14 PM
87	The path along the water is too close to be 6 ft from others and the tourists are unmasked.	11/21/2020 1:23 PM
88	Off-leash dogs. I've been jumped on more times than I can count by "friendly" dogs.	11/21/2020 9:44 AM
89	Cliff walk steep drop offs	11/21/2020 6:17 AM
90	As both a dog owner (dog lover!) and a mother of a small child, I choose not to utilize the off leash area of the park and I feel that we are consistently approached by unleashed dogs even though my dog is leashed. Truly these are the ONLY times I feel at all "unsafe."	11/20/2020 10:46 PM
91	Tourists parking illegally and blocking roads in and around park	11/20/2020 9:39 PM
92	Dogs should be leashes at ALL times. I have been approached by several aggressive breeds in the past. Pitt bull, chow mix etc.	11/20/2020 7:41 PM
93	Occasional concerns about unruly dogs off-leash and how to enforce the rules. Also, the dirt parking lot by the Maintenance Buildings can be treacherous in the winter and a mud hole in the spring.	11/20/2020 2:12 PM
94	Dog owners are terrible and should be policed. None of those dogs are voice controlled when the dog has its eyes set on something else. The fort is not a dog park.	11/20/2020 1:38 PM
95	Unleashed dogs	11/20/2020 12:48 PM
96	Sometimes dogs can be aggressive so I try to stay in the leashes areas when I walk with my daughter.	11/20/2020 12:15 PM
97	Rare signs of drug use and lighters/cans in the brush areas behind Goddard, once near Childrens Garden	11/20/2020 11:12 AM
98	The width of the entrance road and the intersection off Shore Roda...blind from the south side. The road is too narrow for buses and cars as well as distracted drivers. The absence of a painted double line in the middle of the road is a concern. Finally, park visitors or pedestrians crossing the busy road when or wherever they want without looking.	11/20/2020 9:42 AM
99	I stopped using the off leash dog area because my dog was attacked.	11/20/2020 9:27 AM
100	I've been jumped on and aggressively barked at by dogs that are not on leashes/not under voice control. Yes, I could walk in other areas, but that area of the park is ideal, shady and good for walking. Unfortunately, i stay away from it because no leashes.	11/20/2020 9:17 AM
101	The road into the park is narrow and should have a painted middle line and the curb should be painted to demarcate the road from the sidewalk. More importantly a railing needs to be installed at the drop off to the red building across from the flag poll. There is a danger at twilight or later when the park is open for special events of people walking to the parking lots and risking falling into the drop off. It is not clearly visible, when approaching it from the event areas.	11/20/2020 9:06 AM
102	speeding cars, aggressive dogs off leash	11/20/2020 7:16 AM
103	As a cyclist or pedestrian, traffic in the park is typically harrowing, particularly with children in tow. There is simply too much traffic, are too many large vehicles (buses), and too many people who are there for the first time and distracted or unfamiliar with the park, based on their driving mistakes and patterns.	11/19/2020 10:50 PM

104	test	11/19/2020 9:28 PM
105	Off leash dogs harassing my grandchildren , cyclists on cliff walk, No center lines on main entry road, cars have to guess where the road is and ride up on sidewalks. People being allowed to go out on the rocks through the gate provided just south of the lighthouse (potential huge legal suit if someone gets hurt there) since the town allows access and not one caution sign. Think rogue waves. Very little police presence during peak season.	11/19/2020 9:06 PM
106	Lack of a middle line in the street. People frequently drive in the middle of the road. Lining the road could help.	11/19/2020 7:56 PM
107	Yes, not for myself but for guests who wander to close to the edge of the grounds.	11/19/2020 6:37 PM
108	People that have their dog off leash in parking lots and those dogs are not voice command listening	11/19/2020 6:32 PM
109	People still let their dogs off leash in areas to where they are required to be on leash. I have had bad experiences with ugly dogs and owners.	11/19/2020 4:57 PM
110	Traffic speed and crosswalk are not clearly marked	11/19/2020 4:54 PM

332	Off leash dog areas along pathway on south edge of park and in green overlooking the light house. I greatly value this location to take our retriever off leash to chase a ball. There are very few places in CE where this is available. Having the view of Portland Head light and Casco Bay is a bonus. Also enjoy the cliff walk and tennis court on occassion.	11/27/2020 10:59 PM

337	The expanse of lawns, the strategically placed abundant picnic tables, the off-leash dog areas, the Childrens Garden and Portland Headlight. I also very much like how the cliff walk is fenced, but through the use of gates, the public is able to access the rocks and water. I think it is very important that people be able to get close to the waters edge.	11/27/2020 1:33 PM

Spent many wonderful times at Family Fun Days, Fourth of July celebrations, etc. How do you pick one. Even solitary walks with the dog have been quite enjoyable. Working in the gardens with the Cape Elizabeth Garden Club years ago. Knowing our efforts would be enjoyed by hundreds. So many things about the park are special.	11/26/2020 4:52 PM

430	I love the variety of uses. We can go as a family and play soccer. We can take our dog for a walk. We proudly take visitors to stroll the cliff walk and take pictures at the headlight. We have a picnic or meet friends to have a socially distant gathering. We ride our bike around the park and I run and walk on my own. We are proud of this park and happy that it is a huge part of our lives. When we moved here, I thought the ocean and beaches would be the greatest draws. We love visiting Kettle Cove and Crescent, but by far our favorite and most treasured place in Cape Elizabeth is Fort Williams.	11/23/2020 11:38 AM

437	We tend to visit the park in off-hours--to watch the sunrise, experience a storm surge, or as part of a bike-ride at the end of the day, and to meet friends and walk in peace...so the serenity and natural beauty and awe at the power of nature in the Fort are most special to us.	11/23/2020 10:12 AM

453	It's our "back yard", within walking distance, see the ocean & play with our dog off leash. It's one of the main reasons that we moved to Cape Elizabeth.	11/22/2020 1:27 PM
454	I'm a senior with a dog. I've got a knee replacement that doesn't allow a lot of bending. The Fort is THE only place with a level parking area that gets plowed. It's the only place where a senior can park knowing that if a fall should happen, someone will find you. Because we have a regular group, we know each other and can assist. There simply is no other spot that is safe for an active senior to take a dog to walk. Some of us live alone and would not feel safe at some of the other trails available. The socialization factor for both senior citizens and their pets is vital to us. Thank you.	11/22/2020 12:02 PM

125	Probably traffic at the entry point, but if you come in the "hidden" entrance by Goddard Mansion this isn't an issue.	12/21/2020 4:37 PM
126	Sometimes there's a lot of traffic.	12/21/2020 12:59 PM

136	Excessive fencing along the Cliff Walk. While some fencing MAY be warranted, the natural feel and beauty of the cliff walk has now been compromised.	12/15/2020 8:06 PM
137	So many parts of it are rundown, underused. Difficulty finding parking in summer. Vendors of food detract from park.	12/15/2020 4:05 PM

148	too crowded {pre covid}, too many cars, buses, trolleys	12/11/2020 4:18 PM
149	The fact that you all made it pay-to-park. It's becoming very commercialized. There are times in the Summer when it feels like a park for tourists only, not locals. If you just charge an admission fee for those big tour buses that come through, that would be more than enough to cover your costs. We don't need a fancy "Cliff Walk" and bright, beautiful, new placards to tell us that the lighthouse is ahead. We can SEE the lighthouse!! I grew up playing on and around the rocks, we don't need fancy fencing for "safety." These are all excuses for you all to line the towns' pockets.	12/11/2020 2:30 PM
150	That non commercial visitors (exc CE) need to Pay to Park despite citizen opposition.	12/11/2020 2:01 PM

170	the large number of vehicles, paved areas, large numbers of visitors crowding out Cape residents and their enjoyment of the Fort	12/8/2020 3:18 PM
171	Lots of progress was made on invasive species but they persist and annoy me. The crumbling concrete, stairs, and railings. The lack of trash cans for tourists. As a tourist destination, we should offer more in terms of bathrooms and trashcans. I like the grills but if people are to use them, there should be metal hot coal bins so people may actually use them. Also, the lack of cell and wifi service has impeded the ability to host special events here. The LL Bean popup was a bit of a disaster since they couldn't get service to run their credit cards. I assume this is a problem for our vendors as well.	12/8/2020 1:04 PM
172	The apparent time it is taking to remove the invasive species along Cliff Walk.	12/8/2020 12:44 PM

177	Dogs off leash in areas where they should be leashed.	12/7/2020 3:54 PM
178	As a soccer club member in town dogs on the fields is my area of major concern. I love dogs but not all people do. The fact that the soccer fields and the dog off leash area are open and next to each other is difficult to manage.	12/7/2020 3:36 PM
179	Crowded in summer	12/7/2020 3:26 PM
180	I guess I like it best when there are the fewest people there. It is magical at 7am on a summer morning..	12/7/2020 2:43 PM
181	The crowds and high traffic on access roads.	12/7/2020 2:14 PM
182	Need permanent restroom facilities. Some dangerous trail areas that need railings, steps. Could use more signage where dogs are prohibited from playing fields.	12/7/2020 12:37 PM
183	Sometimes too crowded for "peaceful", reflective walk.	12/7/2020 12:04 PM

186	How overrun it is with tourists all the time	12/6/2020 9:29 AM
187	It's become too commercial and it's in danger of becoming a caricature of itself -- too many vendors, too much asphalt, too much traffic. I'd like to see it managed more like a state park.	12/5/2020 3:16 PM

non residents use. I think its a beautiful place already and I don't see the need to make it any nicer or more fancy. Really it was great just the way it was.

194	It's becoming overcrowded, and overbuilt, and overregulated.	12/4/2020 10:28 AM
195	Trash left on the ground, obnoxious dog owners, loose dogs, ignorant tourists.	12/4/2020 9:56 AM

197	crowds	12/4/2020 9:30 AM
198	I wish the decaying (and dangerous looking) old buildings could be restored or somehow made to not feel like they are dangerous to be around.	12/4/2020 9:28 AM
199	In my ideal Fort Williams there would be more crushed stone paths like the cliff walk going into and around the park interior, and I wish the interior of the park felt a little bit more natural and wild. I feel like the park has a ton of space, but it isn't designed to support people who come on foot with lots of paved roads all over. I understand why these exist historically of course.	12/4/2020 8:59 AM
200	Nothing I really "dislike". The park is an amazing benefit to the community. Some of the old crumbling, graffitied forts are kind of ugly and unappealing though.	12/4/2020 8:24 AM

248	The crowds in the summer, but it is a gift that we have all year that I am willing to share. Oh and I guess the seemingly neverending threat of taking away the off leash area. It is such a small portion of the park, there are plenty of areas to go if you are someone who does not enjoy being around dogs.	12/2/2020 6:21 PM

313	The park management has done such a terrific job, there's really little to complain about! Occasionally on peak summer weekends with the increasing popularity of the park, it can be overwhelmed with tour buses and groups from other towns. I guess this is a high-class problem since they're paying for parking!	11/28/2020 10:29 AM
314	There is nothing I don't like -- I just wonder how the town can bring in more revenue through the park.	11/28/2020 9:33 AM
315	Really enjoy Fort Williams. The broken rock strewn embankment about the cliffwalk is a bit of an eyesore. Also need to figure out what to do with the Goddard Mansion at some point.	11/27/2020 10:59 PM

324	Crowds	11/27/2020 8:58 AM
325	I think the Fort is over improved. When I moved here 24 years ago fell in love with the wildness of the Cliff Walk and was not in favor of it being manicured and made tame. (I do under getting rid of the invasive plants). I dislike the proliferation of signage. The prominent and ugly sign on the Bell by the lighthouse is the worst example. Last summer I complained to the person in charge of food vendors that the vendor by the Ship Cove Picnic Area was running two very loud generators while people were eating at the picnic tables. You could hardly carry on a conversation much less hear the ocean waves and the gulls. I don't think the Fort should have any food vendors but if they are allowed they should be far away from the picturesque places at the Fort especially if they have loud generators. My complaint went nowhere.	11/27/2020 7:28 AM

337	1.the crowds 2. the continued practice of spraying of herbicides to kill the unwanted vegetation the increasing development and removal of wilder areas the erosion! especially along the cliff walk	11/26/2020 10:28 AM
338	None	11/26/2020 9:38 AM
339	Current leadership has worked tirelessly to make the Fort a tourist attraction. The implementation of parking fees has created a vicious cycle of revenue and spending that has spiral out of control. I don't object to sharing what Cape has with other communities, but it has gotten out of control with continuous tour buses, crowded trails, commercial vendors, and the enough signage to destroy the views. I have been in Cape long enough to have remembered a far more quiet, peaceful place where I walked/ran almost daily. Now I only go in the "off season"	11/26/2020 9:28 AM

418	It feels like there is a lot of unused or wasted space. The swing set near the water could be an amazing climbing structure for kids and families but it's wasted on a swing set, which is broken and can only house 3 children. I would also say that the entrances are not as easy to access via bike and the sidewalks are SMALL.	11/22/2020 8:26 PM

438	The heavy traffic during summer and fall weekends.	11/22/2020 9:44 AM
439	I did not like all the buses. It changed the pace. And it was noisy	11/22/2020 8:26 AM
440	The bathroom situation is really sad. Porta potties are so beneath the grandeur and beauty of Fort Williams Park. I also think some Cliff Walk/Climside trash cans would really help the littering—which I see often.	11/22/2020 7:43 AM
441	Lack of trash bins. I hate that the town partners with United Parking. We should invest in our own kiosks or hire attendants so we can keep all the fees. UPP has a terrible reputation and taints our town.	11/22/2020 7:38 AM

455	Paid parking	11/21/2020 1:38 PM
456	It makes me so scared every time I come across an open gate along Shore Rd. Selfish or careless people are going to get a child or dog killed. I've asked about getting self-closing hinges installed. Was told it was a good idea and then nothing happened. Frustrating. Does someone need to die first?????	11/21/2020 1:36 PM
457	path is close I am afraid to use it during covid	11/21/2020 1:23 PM
458	The crowds, especially in non-Covid times.	11/21/2020 1:03 PM
459	The dog walking area gets smaller and smaller each year. The winter hours are too restrictive. If you have people working in the offices until five, you should not kick out dog walkers at four in the afternoon. Lots of people want to get a quick walk in before night falls. Also the parking in the dog area gets smaller and more rutted. Why not pave it? We also dislike the vendors who are allowed to set up at the entrance to the parking to sell artwork and crafts. It degrades the park. Why are they allowed to set up there? There used to be one vendor and this year it seems that the number hawking their wares has increased.	11/21/2020 12:46 PM
460	The tennis courts are in terrible shape! Grass growing through cracks on the lines. Uneven surface that leaves puddles 3" deep after a thunderstorm. Corroded surface.	11/21/2020 12:13 PM
461	Crowds sometimes	11/21/2020 11:40 AM
462	Strange arrogance of scofflaw dog-owners, who fail to monitor their dogs in the off-leash area of the park. The athletic field does not "belong" to them.	11/21/2020 10:19 AM
463	Off-leash dogs	11/21/2020 9:44 AM
464	It is too crowded in the summer on the Cliff Walk and we do not get federal or state funding to preserve it. The history is so important not only to our town.	11/21/2020 9:30 AM
465	We need to charge for entry. I LAUNCH MY BOAT 2-4 TIMES A YEAR AT SPRING POINT AND THEY CHARGE ME \$6.00 EVERY TIME!!! YET THEY BITCH WHEN WE TALK FEES??? GIVE US A LEVEL PLAYING FIELD.	11/21/2020 9:11 AM
466	Burrs on my dog. Lose dogs in parking area.	11/21/2020 8:50 AM
467	Traffic	11/21/2020 8:15 AM
468	? Maybe the potapotties. I only used the ones by the tennis courts once and that was enough. Full. Smelly and dirty. Is it realistic not to have trash cans? People dump stuff in the pp.	11/21/2020 7:08 AM
469	People who park and walk in the middle of the road by the lobster truck, like it's not a main through fair. The custodians on the golf carts that drive fast on the foot paths.	11/21/2020 6:40 AM
470	Cliff walk steep drop offs make me feel like injury and lawsuit against town are imminent.	11/21/2020 6:17 AM

476	Nothing! I love it and visit quite often! For running, or on walks or visits to playground/children's garden/swings/etc with my family.	11/20/2020 10:53 PM
477	I wish that I felt comfortable walking on any sidewalk in the park with my leashed dog. She does not always receive sniffs from unknown dogs well and because of that a large portion of the park feels off limits to me and my family.	11/20/2020 10:46 PM

478	Crowds	11/20/2020 10:31 PM

491	When there are too many people there	11/20/2020 5:44 PM
492	Traffic congestion at the front entrance. We live in Sherwood forest and turning left onto Shore Rd in the summer can be challenging. We also think the park closes too early. "Sunset" seems to have gotten earlier and earlier. Could there be a pedestrian gate that is open later, especially in the winter when there is less light at the end of the workday.	11/20/2020 5:39 PM
493	The large crowds of people. The chain link fence around the mansion.	11/20/2020 3:59 PM

524	The fact that the second amendment vendors in central parking are can use the handicapped parking spaces (some without proper ID) all day long to extend their warehouse inventory???? What about the spirit of why those spaces were built...so that our legitimate handicapped visitors can access the PHL with ease and closest to the attraction...not for people who say they have "rights" taking up valuable access to others????	11/20/2020 9:42 AM

535	Too crowded and becoming too manicured.	11/20/2020 9:13 AM
536	Some areas are in need of maintenance and I fear that funds are inadequate to maintain the park at the highest standard. There are no permanent restrooms.	11/20/2020 9:06 AM
537	The concrete batteries and concrete on the hilltop	11/20/2020 9:04 AM
538	Not safe for pedestrians, need to clear the invasives for more natural areas, areas seem run down (steps at picnic shelter for example), because this park represents Cape Elizabeth it should be beautiful and not look run-down--more of the parking fee funds should go towards improvements.	11/20/2020 9:01 AM
539	Parking meters, some of the natural flavor has been muted by parking lots,	11/20/2020 8:33 AM

109	Most of it.	12/22/2020 12:03 PM
110	The off leash dog area. I do not own a dog, but often walk with a friend who has three; and, it is a wonderful area for the dogs. I think most people who utilize the area are good stewards.	12/22/2020 9:17 AM
111	All the big open spaces, the gravel walkways (glad they are not hard cement),the off leash dog area for people who own dogs (we do not any longer, but use to) the old swingset by the main entrance, the ability to go up into the various batteries and walk on top of them, etc, free parking for residents (our taxes already support the park)	12/22/2020 7:54 AM
112	Open space, opportunity for spontaneity	12/21/2020 10:02 PM
113	I would love to see some of the undeveloped areas remain that way. I appreciate the need to remove invasive species, but I don't want the entire park to be "beautified".	12/21/2020 8:34 PM

121	Cliff walk	12/21/2020 12:42 PM
122	98 % of the park the way it is. Could cut down on the grooming of lawns and brush areas.	12/21/2020 10:00 AM

124	The cliff walk	12/20/2020 8:53 PM

130	Parking fees	12/15/2020 3:00 PM

133	Open spaces such as the parade grounds and other large grassy areas.	12/14/2020 1:33 AM
134	Off-leash dog park, free for residents.	12/13/2020 11:11 AM

141	the free parking spots at the height of the season.	12/11/2020 12:04 PM
142	Most of how th grounds are used today. I think the recent Recent improvements have been good but some control on how many cars and visitors can be in the park at once would be helpful. Please keep off leash dog areas.	12/11/2020 9:52 AM

159	The natural aspects. Keeping in minimal.	12/9/2020 9:47 AM
160	not a well drafted question	12/8/2020 3:18 PM
161	The off leash dog area should stay but I think it would make more sense if it was a full loop. The WWII structures should stay but each battery section should have an accessible place for people to poke their head in and see what it is instead of being fenced off and covered and graffiti.	12/8/2020 1:04 PM
162	The trail/sidewalk system.	12/8/2020 12:44 PM
163	I would like to see less grooming. I feel that some of it has destroyed the natural wild life and wild flowers that some would consider weeds , which may be homes to others.	12/8/2020 9:12 AM

165	Open to residents without fee	12/7/2020 7:32 PM
166	Historic sites, especially Goddard Mansion. A treasure that should be preserved.	12/7/2020 6:26 PM
167	The natural beauty and the green space left near the ocean.	12/7/2020 3:36 PM
168	Leave it as it is	12/7/2020 3:26 PM
169	I would like it to remain very much as it is now.	12/7/2020 2:43 PM
170	No more development of the rest of the park.	12/7/2020 2:14 PM
171	Open spaces, beautiful trees. The headlight and the amount of parking. It's not "cluttered"	12/7/2020 12:37 PM
172	Please no more "big" events that consume the Park, like Beach to Beacon, etc. Closing or backing up Shore Rd and parking on side streets for hours is a nuisance for Park neighbors.	12/7/2020 12:04 PM

Not to mention wear and tear on Park. Those are days I avoid the Park altogether, which irritates me! Also, DO NOT ADD PLUMBED TOILETS! It's a PARK, and we can "tough" it out with portapotties or similar.

173	The openness	12/7/2020 11:15 AM
174	Free and easy access.	12/7/2020 6:39 AM
175	Off leash dog area	12/6/2020 9:29 AM
176	Just about everything. There's been too much change in the past 10 years and it's become a different place. I'd like to see a moratorium on new "attractions" and more attention paid to preserving the historic aspects of Fort Williams.	12/5/2020 3:16 PM
177	it would be good to aesthetically preserve the buildings with proper restoration techniques but keep it looking as is. Like disney, they can make modern buildings look old but you know its new. Keep the buildings up but not change the look	12/5/2020 1:04 PM
178	Dog area	12/4/2020 11:10 PM
179	Open access to all. Do not create a single point of entry with an entry gate.	12/4/2020 2:30 PM
180	Free to Cape residents	12/4/2020 11:26 AM

184	Free access to families, pay to park, picnic benches, benches on cliff walk, signage, emphasis on gardens and ground maintenance.	12/4/2020 9:56 AM
185	Keep it the way it is....	12/4/2020 9:40 AM
186	off-leash dog area	12/4/2020 9:30 AM
187	great upkeep of the public areas.	12/4/2020 9:28 AM
188	I think the best area is the area surrounding Portland Head Light, with the stone paths running along the cliffs and to both batteries, and the nice lawn full of dogs. That part is definitely the most beautiful.	12/4/2020 8:59 AM

199	I wouldn't add anymore vendors. Currently, tourists can get a burger, lobster roll and ice cream. Don't need more than that. Don't want any retail - didn't care for the LL Bean pop up.	12/3/2020 9:47 PM

238	I am not in favor of continuing to "beautify" the park with more manicured gardens etc. I understand removing invasive species, but I prefer the natural beauty to a manicured one. The Children's Garden is wonderful but I think that is enough. I imagine more manicured areas are more costly to maintain, not to mention install	12/2/2020 6:21 PM

239	The dog policy I think is very fair and reasonable. Every dog owner I know is very respectful and responsible and does not take access to the park for granted.	12/2/2020 5:48 PM
240	The parts that are unmanicured and wild. Easy and free access for residents and neighbors. Access for dogs (leashed or unleashed).	12/2/2020 5:42 PM

256	Keep charging for parking for nonresidents. Continue to restrict the big buses. There were plenty of people with out the big buses.	12/1/2020 8:52 PM

295	The natural beauty with native vegetation	11/29/2020 1:21 PM
296	All things that are not natural to that environment (plants) and also for what it was originally built for. This is a historical landmark. It should remain as such (again without non Maine invasive species of plants)	11/29/2020 12:26 PM
297	The off leash section	11/29/2020 11:27 AM
298	Off-leash dog area at a minimum should stay this size, if not increased. A small vocal minority of people have shrunk off-leash dog areas all over the peninsula. It's a shame, and a movement away from what Cape Elizabeth has long been about. Also, preserve walking access to rocks and little trails along the water's edge.	11/29/2020 11:06 AM

302	Free access to Cape Elizabeth residents	11/28/2020 6:32 PM
303	Dog off-leash areas should remain the same. For many of us, this is one of the best features of the park. Also park maintenance has been excellent; the park has never looked better! Keep it up!	11/28/2020 10:29 AM
304	Open spaces and trails.	11/28/2020 9:33 AM
305	Preserving the off leash dog area is a top priority. This seems to work very well for all and is a scarce commodity.	11/27/2020 10:59 PM
306	No more parking.	11/27/2020 9:14 PM
307	I like the way it which it has been rehabilitated in the last several years. Especially the cliff walk area, which looks great.	11/27/2020 6:47 PM
308	free parking for cape e residents	11/27/2020 3:41 PM
309	Availability of the features of the park to community groups in Greater Portland area. I think the picnic shelter is a wonderful resource. Would be nice to promote outdoor group gatherings when it is safe to do so.	11/27/2020 2:07 PM
310	I would like to keep public access to the shore via the beach and the gates along the cliff walk. I would like most of the military remnants from the park to remain, and if some could be restored, that would be nice for visitors.	11/27/2020 1:33 PM
311	?	11/27/2020 12:14 PM
312	Cliff walk and children's garden are wonderful. They just keep getting better.	11/27/2020 10:33 AM
313	The public access, Cape residents not paying an entrance fee	11/27/2020 9:32 AM
314	OFF LEASH AREA LEFT ALONE	11/27/2020 8:58 AM
315	This is a critical question. We should be thinking about how to preserve the wonderful outdoor experience of Fort Williams for Cape Elizabeth and the surrounding areas. It seems lately the idea is to optimize the experience for tourists—like the Food Trucks. There should be a daily limit on visits by tour buses and trolleys. We don't need bigger playgrounds or an amphitheater or more benches etc.	11/27/2020 7:28 AM

We also have a dog who LOVES Fort Williams and we cherish the friendships we have formed over the years in the dog community from our Fort Williams playdates. I love that we welcome visitors to the park and that there are so many trails to explore and views to take in. I love that our kids can explore the old military forts. I love the butterfly garden. 80	Preserve open space & natural landscape	12/24/2020 9:53 AM

92	Tennis Courts	12/23/2020 11:20 AM
93	It is disappointing that Cape Elizabeth does not put any time or funding into Christmas lights/Holiday lights/Decorations in our town center. There are a few lights wrapped around the entrance to town hall and a strand of lights in front of the police station. It is sad that an affluent community such as ours doesn't set aside funding for a little holiday cheer. I think that the park would be the perfect place to uplift our community during the Holidays by supporting a new community event to look forward to. Can we designate an area of the park for some Christmas/Holiday lights? We could have our own version of "Lights Aglow" in Boothbay, with a couple weekends of horse/haywagon rides and hot chocolate. Everyone loves lights and some good old-fashioned fun! A wintertime version of Family fun day with LIGHTS!	12/23/2020 10:54 AM

103	I don't think there is anything!	12/22/2020 12:52 PM
104	Something done with the Goddard Mansion to make it accessible and invasive plant removal.	12/22/2020 12:03 PM
105	I love what the arboretum, in conjunction with the town, has done to take out invasive species and create beautiful habitats. I would like to see this continue.	12/22/2020 9:17 AM
106	I think you should allow a few more food trucks in the parking lot	12/22/2020 9:00 AM
107	I'd like Goddard Mansion restored to the point that people could once again walk into it and enjoy the structure. We used to love wandering around the shelled out mansion.	12/22/2020 7:54 AM
108	Preserve buildings and wild nature	12/21/2020 10:02 PM
109	More parking for locals using fields for town sports	12/21/2020 9:47 PM
110	Trashcans. What about a few more food trucks, if you can get trashcans.	12/21/2020 8:55 PM
111	The continued thought around trees, plants etc. and maintaining a healthy landscape	12/21/2020 8:34 PM
112	Pave the south entry path to the woodland preserve road. It is a mess and could easily cause a fall.	12/21/2020 8:27 PM
113	Allow people to stay a bit longer in the evening after sunset.	12/21/2020 7:11 PM
114	I would like the "beautifying" of the park to stop but continue to preserve	12/21/2020 6:49 PM
115	I love it as is. However, I do understand that not all visitors appreciate the off leash area. 1) There are plenty of beautiful parts of the park for all to enjoy. 2) Perhaps increased signage would alert visitors to the fact that they are in an off leash area. 3) If a visitor center does become an option, a printed map could indicate where the off leash areas are to alert visitors, or to invite them to bring their dogs! I have often been asked by visitors where they could bring their dogs for a play!	12/21/2020 5:15 PM
116	More swings for kids and benches down by the beach.	12/21/2020 4:37 PM
117	Eliminating the invasive species in the park.	12/21/2020 12:59 PM
118	More safe paths down to rocks, more cliff walk landscaping	12/21/2020 12:42 PM

123	The town should cut back the bittersweet that is destroying the trees.	12/18/2020 12:41 PM
124	Removed car areas away from the play spaces.	12/17/2020 11:00 AM
125	Less development	12/16/2020 8:26 AM
126	Find ways to limit the number of people. The park can only accommodate so many people before the overcrowding overstresses the resource. It is becoming a victim of it success.	12/15/2020 8:06 PM
127	More trails for walking that are not available to dog owners. Safe swimming area.	12/15/2020 4:05 PM
128	The repair of the Goddard Mansion, or repair the exterior structure [secure all interior walls] to	12/15/2020 3:00 PM

	show how the exterior once looked, and do not allow for any foot traffic in the structure.	
129	Please establish an entrance fee. \$2.00 per person would generate a lot of money for the park's upkeep. Cape residents would not need to pay.	12/14/2020 12:31 PM
130	get rid of the poison ivy	12/14/2020 10:37 AM

137	limit on cars, buses and trolleys [referring to the precovid times].	12/11/2020 4:18 PM
138	Well, I know that you all will not reverse any of your changes because you have gotten exactly what you have wanted all of these years. So I won't even address anything that's already happened. I will simply say that the most important change would be for there to be no more change.	12/11/2020 2:30 PM

143	Fewer people in the summers	12/10/2020 6:15 PM
144	To curb traffic. Is there a way to make the roads one way? One way in and one way out would probably require a newly cut access/egress road.	12/10/2020 5:18 PM
145	Goddard mansion made into a museum with a coffee shop.	12/10/2020 2:14 PM
146	I would like to see the restoration of some of the forts.	12/10/2020 12:55 PM
147	Not necessarily just in the park, but I'd like to see a bike path or protected bike lane connecting Fort Williams to Mill Creek, or at least Bug Light. There is space on the road and there is certainly demand. This could help reduce vehicular crowding. Many tourists already park in Portland and bike to the park.	12/10/2020 10:45 AM
148	rebuild Goddard Mansion	12/10/2020 9:35 AM
149	All spaces should b safe to explore. As cliff walk was made safe, so should all walks, paths and trails b made safe	12/9/2020 10:03 PM
150	Reduce traffic and tour buses	12/9/2020 9:53 PM
151	Better way finding/interpretive plaques	12/9/2020 9:49 PM
152	Fewer large tour buses	12/9/2020 9:23 PM
153	I want the fort to be affordable and invasives kept under control but no more big projects. I also want the Goddard mansion preserved but as it is now. No need for restoration.	12/9/2020 8:09 PM
154	better maintenance of cliff trail (needs gravel)	12/9/2020 3:41 PM
155	NA	12/9/2020 3:25 PM
156	More public festivals and celebrations. Parking nearby with shuttles for bigger events. Dedicated community gardens or a public orchard (or food forest) installation as a satellite feature of the arboretum.	12/9/2020 2:51 PM
157	Building maintenance.	12/9/2020 12:36 PM
158	Kick the dog owners off the tennis courts.	12/9/2020 9:47 AM

159	Dramatically reduce parking and access for motor vehicles	12/8/2020 3:18 PM
160	I'd love to see the public orchard come to fruition.	12/8/2020 1:04 PM
161	Is there the opportunity to restrict vehicle access to certain roads?	12/8/2020 12:44 PM
162	A permanent restroom facility.	12/8/2020 9:12 AM
163	Control the buses more. They are sometimes overwhelming	12/7/2020 8:57 PM
164	Limit times of day and numbers of tour buses allowed	12/7/2020 7:32 PM
165	An end to uncontrolled, unplanned annual growth in visitors.	12/7/2020 6:26 PM
166	Separate fenced area for dogs off leash. Increased free parking.	12/7/2020 3:36 PM
167	Demolish Goddard mansion	12/7/2020 3:26 PM
168	I would like to see fewer tour busses . I realize they bring people to the gift shop, but sometimes I have seen 4 or 5 there at the same time. When we are playing tennis the carbon monoxide is overwhelming. I have been told by the drivers that it is necessary to keep the air conditioning running as many of the travelers are elderly. It seems to me this negates the whole reason for the fresh air which many go to the park to experience.	12/7/2020 2:43 PM
169	Fewer people and enforcement of the leash rules.	12/7/2020 2:14 PM
170	Restroom facility	12/7/2020 12:37 PM
171	I'd encourage the Gift Shop to broaden its online e-commerce, so it can be open year-round. All improvements from fencing, stonework, courts, paths, parking... have been GREAT! As has been maintenance. Keep it up! Don't CHANGE a thing, just keep it SAFE and looking good!	12/7/2020 12:04 PM
172	Can't think of one.	12/7/2020 6:39 AM
173	We have made the park such a destination that it is too loved. It would be good to continue to push for more fees from non-residents to curb the overuse.	12/6/2020 9:29 AM
174	Town needs to clarify expectations for behavior in the offleash dog area -- i.e., that's it's open to everyone and not a dog park and owners/handlers should keep their dogs under voice control. Or, if people aren't capable of controlling their dogs, set offleash/onleash times here so other members of the public who aren't comfortable with unknown dogs running up to them can enjoy this part of the park too.	12/5/2020 3:16 PM
175	Lets charge a minimal fee and use it to make the park better	12/5/2020 1:04 PM
176	Dogs allowed on ball field when not in use	12/4/2020 11:10 PM
177	Not sure	12/4/2020 11:26 AM
178	Less people/traffic	12/4/2020 11:24 AM
179	No more change, keep it as it is. A low impact place to visit. To be honest my visiting days are way down due to crowds. Its not the relaxing place it used to be. How about a sign that you are entering an off leash dog area to let out of towners or non dog people know that there will be dogs and they can choose to turn around.	12/4/2020 10:59 AM
180	Better warden supervision.	12/4/2020 9:56 AM
181	It is great that the upper field has been open for parking, but perhaps charging for that would help the town.	12/4/2020 9:40 AM
182	Maintenance of the ice skating pond all winter.	12/4/2020 9:28 AM
183	More nature, less pavement.	12/4/2020 8:59 AM
184	There are a lot of large "dead" unused areas that I think could be better utilized or activated. I'd like to see some type of outdoor fitness stations incorporated for runners. A pull-up and dips station. And maybe rope climbing (if it's not an insurance liability.) Cape is a very healthy community and a dedicated fitness area would be great.	12/4/2020 8:24 AM
185	Better traffic control for in summer. Buses and RVs don't belong in park and create more traffic and wear and tear on Shore Rd	12/4/2020 8:09 AM

186	Continue to remove invasive, manage woods	12/4/2020 8:05 AM
187	Running water restrooms	12/4/2020 7:34 AM
188	Don't feel it needs change	12/4/2020 7:28 AM
189	no suggestions.	12/4/2020 6:54 AM
190	No charge for residents parking.	12/4/2020 12:28 AM
191	1. expand food and drink options, but only in the area where the food trucks currently are. 2. get rid of that pay-to-park ticket kiosk that is directly in front of the lighthouse!!! Come on, folks!! we go to the fort to take beautiful pictures of the lighthouse. Don't ruin it with that kiosk-- move it somewhere else.	12/3/2020 10:32 PM
192	Fewer buses.	12/3/2020 10:31 PM
193	Bring swings back	12/3/2020 10:21 PM
194	I would just focus on keeping the recent improvements in good shape (sometimes the fence on the cliff walk is in disrepair). I like that it is in a natural state and uncluttered. Don't want any additional "attractions."	12/3/2020 9:47 PM
195	I'd like to see a bathroom and gift shop center all in one	12/3/2020 9:13 PM
196	Less regulation of dogs	12/3/2020 9:09 PM
197	Extend cliff walk	12/3/2020 9:02 PM
198	Less tour busses	12/3/2020 8:51 PM
199	putting up a barrier by the cliff near the off leash area	12/3/2020 8:43 PM
200	Nothing	12/3/2020 8:25 PM
201	Less traffic	12/3/2020 8:24 PM
202	Play ground. This is an area of great need.	12/3/2020 8:19 PM
203	More clearing of invasive brush and keeping the cleared areas as is.	12/3/2020 7:41 PM
204	Access to watch sunset	12/3/2020 7:12 PM
205	Add trash cans	12/3/2020 6:59 PM
206	More food vendors	12/3/2020 6:40 PM
207	Can't think of one. I was walking around there three hours ago thinking how beautiful it is no matter what the weather no matter what the season.	12/3/2020 5:59 PM
208	It is fine as is with me!	12/3/2020 5:52 PM
209	more access to the ocean, expand picnic area and seating.	12/3/2020 5:51 PM
210	Park all at a distance from the beach	12/3/2020 5:30 PM
211	Access for Cape Elizabeth residents only at night. These could be special dates related to astrological events, sun rises, sunsets, etc.. I'm not advocating for night hours 24x7, just during special dates each year. Car traffic limited to only cars with Transfer Station Sticker.	12/3/2020 5:29 PM
212	I would like the greater food options I mentioned above.	12/3/2020 5:12 PM
213	Improved Goddard Mansion	12/3/2020 5:11 PM
214	access at night	12/3/2020 5:04 PM
215	Speed limit monitored closer	12/3/2020 5:02 PM
216	Free WiFi to use given the cell service is terrible.	12/3/2020 5:00 PM
217	Reducing the number of cars/busses or extend through which they can drive through. A no car day twice a month would be wonderful.	12/3/2020 4:54 PM
218	n/a	12/3/2020 4:53 PM

219	Dogs should be leashed at all times	12/3/2020 4:52 PM
220	Enforcement of restrictions in the wet areas of the Children's Garden needs to be better.	12/3/2020 11:23 AM
221	stop charging visitors to park.	12/3/2020 9:50 AM
222	I enjoy it as it is!	12/3/2020 8:26 AM
223	More events, maybe even rent out to a few private events a year to make some \$\$ to maintain the park. Would be amazing to see it used as a banquet setting for showers, weddings, graduations, etc.	12/2/2020 9:04 PM
224	Repair of cement bleachers and improvements on parade grounds for special events	12/2/2020 8:41 PM
225	Renovate, repair Goddard Mansion	12/2/2020 8:06 PM
226	Happy as it is	12/2/2020 7:31 PM
227	Nothing	12/2/2020 7:18 PM
228	More signage. Hard to meet someone there and be in the same place	12/2/2020 7:16 PM
229	Maybe nothing needs to be changed, but even as a Maine resident (when staying at parents house) I am very confused on any new parking rules and who needs to pay/who doesn't. Clarity around that would be nice	12/2/2020 6:53 PM
230	I guess I'd say I do not want more change. It is a unique place to come enjoy the natural beauty and history. It simply needs to be maintained....well now that I've said that...perhaps restore Goddard Mansion or propose restoration, I do not know the cost, so perhaps a modest restoration that makes that area safe and more attractive.	12/2/2020 6:21 PM
231	None	12/2/2020 5:48 PM
232	If we are going to allow tour buses (and I'm not certain we should), we need to charge meaningful fees. I love the Fort, but it's crazy to me that we spend so much for it and the town receives so little financial benefit from most of the people who enjoy it. In general, I think we overspend on the Fort, and it irks me that we spend so much for it to be appreciated mostly by tourists, who aren't actually shopping in Cape, eating in restaurants, or otherwise providing any financial benefit to the town. Separately, the tennis courts (which residents actually use) need improved and consistent maintenance.	12/2/2020 5:42 PM
233	Being mindful of and limiting over utilization, crowding and over development.	12/2/2020 5:08 PM
234	I'm quite happy with it as is.	12/2/2020 3:05 PM
235	A recognition that the park is now probably the most visited location in the Greater Portland area, possibly in the whole of Southern Maine, due to the lighthouse. That isn't ever going to change, it isn't possible to turn back the clock and keep the park for us residents only, and the visitors will increase with time. The current attitude we hear of 'them' and 'us' isn't helpful in tackling the biggest problem going forward, which is traffic management. The organisation in the 'new' main car park is a big improvement, the paid parking with free areas has helped, but there remains a lack of dedicated staff to be 'boots on the ground' and stop issues before they happen. The park reached car parking capacity during peak periods I would say two years ago or more, but no one seems to be talking publicly about what could happen next - build new car parks, limit entry, a Park and Ride Scheme, a new bus service from Portland? Fort Williams will be the next Acadia and we should be planning ahead accordingly now.	12/2/2020 1:29 PM
236	Don't charge a fee to use.	12/2/2020 1:25 PM
237	Expand off leash area in winter	12/2/2020 12:46 PM
238	Fines given to people with unruly dogs, people who do not pick up after their dogs and on-lead only regulation for dogs..	12/2/2020 12:24 PM
239	A fenced in area dedicated to people who want to let their dog off leash and the rest of the area should be on leash only. So people can enter the off leash area at their own risk...	12/2/2020 12:13 PM
240	? You all do a great job	12/2/2020 11:55 AM
241	This is a tough one. I think the park is just great as it is. It would be nice to be able to refill a water bottle somewhere.	12/2/2020 10:31 AM

242	Elimination of the off-leash dog areas	12/2/2020 7:23 AM
243	I do support getting some revenue from the park, including thru visitor parking	12/2/2020 7:14 AM
244	Better care of gardens	12/2/2020 6:13 AM
245	Nothing	12/1/2020 10:23 PM
246	Wow. Well, are there resident stickers for parking? A way to not have all the soccer families horde the free playground parking? A way to hold vendors accountable for the trash left by their customers?	12/1/2020 10:01 PM
247	Move the playground to above the children's garden, turn the old playground into a fenced in dog area or pave it for more parking. Or add another set of pickleball courts...as it is very popular.	12/1/2020 8:52 PM
248	A winter, outdoor ice rink for skating.	12/1/2020 8:50 PM
249	Crowding	12/1/2020 6:55 PM
250	If we charge for parking and people don't pay, TICKET. I often park in the ticketed areas and see several/many cars with no payment tickets. If we are not going to enforce the payment parking, then remove the payment parking requirements.	12/1/2020 5:01 PM
251	Expand the off leash area or give designated hours for extended dog walking areas - off leash.	12/1/2020 2:33 PM
252	Less commercial and town vehicles running on non traffic roads where people are walking	12/1/2020 1:07 PM
253	I would like to see a visitors center that includes bathrooms, gift shop and food services that is owned/operated by the town so 100% of the profits stay within the town	12/1/2020 12:02 PM
254	Dogs on leash at all times!!! No opportunities to purchase food and beverages!	12/1/2020 11:22 AM
255	nothing comes to mind - the new railings & updates are terrific	12/1/2020 11:09 AM
256	Do something with Goddard Mansion. Make it stable and accessible. Would be nice to at least keep the facade and then clean up the back area. Of course it has to be safe.	12/1/2020 9:37 AM
257	Tennis court renovation	12/1/2020 8:48 AM
258	more tennis courts	12/1/2020 8:20 AM
259	Can't think of anything	12/1/2020 8:09 AM
260	fix the ruins! Find a way to restore or at least make those areas in ruin safer. It's unfortunate to see the Goddard Mansion caged.	12/1/2020 8:04 AM
261	Less out of state users	12/1/2020 5:47 AM
262	Remove bleachers.	11/30/2020 9:16 PM

264	Alternative revenue options for town (small business or seasonal shop/dining	11/30/2020 7:19 PM
265	That tennis courts are for tennis not pickle ball. I feel separate pickle ball courts should be build.	11/30/2020 6:57 PM
266	Get rid of more invasive plants.	11/30/2020 5:15 PM
267	Maybe more benches.	11/30/2020 5:11 PM
268	Rescind parking fees	11/30/2020 5:06 PM
269	Nothing	11/30/2020 5:04 PM
270	get rid of the ruins that are not salvageable and ugly (eliminating any trees and bushes that are simply invasive) and put money into rehabilitating the historical sites that are important	11/30/2020 3:54 PM

277	Keep it the way it is	11/30/2020 8:48 AM
278	I can't think of any changes that would improve our experience at the park.	11/30/2020 8:25 AM
279	Bathrooms. Those like ones at Two Lights State Park. Better to pay for bathroom than parking. A basic. Needed for all including children who come to children's garden.	11/30/2020 7:16 AM
280	Improved historical markers and information posted for visitors. It is important that visitors understand the history of the park along with Cape's stewardship.	11/29/2020 8:39 PM
281	Paint a center line on the main road to help people maintain proper lane positioning when entering, exiting.	11/29/2020 8:10 PM
282	Have busses pay their fair share to discourage the number of busses.	11/29/2020 7:46 PM
283	nothing	11/29/2020 7:00 PM
284	STOP developing it to make it a greater draw for tourists and busses. the park is only 100 acres and we cannot support as many tourists as our latest projects are attracting	11/29/2020 3:59 PM
285	Sure up Goddard Mansion and remove the wire fence around it	11/29/2020 1:21 PM
286	A clear sign at the "old entrance" that this is not the actual entrance and point them "down the road. For years there used to be a wood sign that would state that. Why has that been removed? Some GPS devices send people to the old entrance. These folks do not want to park there and those out of staters use up the few spaces that others (who live in CE) and know better use for the tennis courts or for walking dogs. You can improve your communication.	11/29/2020 12:26 PM
287	The battery in the off leash section is an eyesore. Would be nice to see it removed altogether, or made into useable space.	11/29/2020 11:27 AM
288	Clean up the graffiti and broken concrete. Restore trees that used to be there, like fruit trees. Keep working on invasive plants.	11/29/2020 11:06 AM
289	Updates to the playground	11/29/2020 7:25 AM

296	No major changes needed	11/27/2020 10:59 PM
297	Restoring the old worn down areas	11/27/2020 9:14 PM
298	Once the pandemic is over, I am concerned that in season the park will be overrun by tourists from cruise ships and tour companies. The first priority for use should be Cape residents and everyone who lives in the Portland area. We need to find a way to manage usage so that visiting the Fort is a pleasant experience for these populations ALL year long.	11/27/2020 6:47 PM
299	more bike routes	11/27/2020 3:41 PM
300	Less commercial tourism. The big buses and crowds they create make the park less enjoyable for ordinary people who visit the park. I would also support a Metro bus from Portland that could make the park more accessible to residents in our broader community.	11/27/2020 2:07 PM
301	Cleaning the grafitti from the batteries. Continuing to remove invasive species and planting with native species.	11/27/2020 1:33 PM

302	?	11/27/2020 12:14 PM
303	More community events	11/27/2020 9:32 AM
304	Not sure	11/27/2020 8:58 AM
305	I'd like to see the attitude that bigger is not better. That more is really less when it comes to Cape people enjoying the park. I'd also like to see all dogs on leashes. It's better for birding!	11/27/2020 7:28 AM
306	nothing	11/26/2020 10:00 PM

309	None	11/26/2020 4:15 PM
310	More like, what is the single most important change that I would like NOT to see at the park- less off-leash dog walking, but I am not sure MORE area would be allowed	11/26/2020 2:11 PM
311	Wipe out the invasive species and restore more of the natural environment.	11/26/2020 12:39 PM
312	Dogs on a leash	11/26/2020 12:26 PM
313	Na	11/26/2020 12:25 PM
314	Commercial enterprise should have to pay to profit from the resource. And as long as locals can retain access, the park should limit access to "tourists'.	11/26/2020 12:09 PM
315	To keep the free parking area preserved.	11/26/2020 11:17 AM
316	More attention is needed for the porta-potties to keep the stocked, cleaned, and usable. There should be a portable hand-wash station	11/26/2020 11:08 AM
317	Preservation of the plants and animals that live there. better planning to look at long term erosion and long term impact of increasing crowds and of long term impact of new development. STOP spraying herbicides in the park. These are currently widely to kill invasive species and to clear out areas such as along the batteries, have also been used manage the childrens garden . These are terrible for the environment, and for peoples health,. There are better ways to manage the vegetation which we should be using. We should ban use of glyphosate in the park !	11/26/2020 10:28 AM
318	Trash receptacles	11/26/2020 9:38 AM
319	Now that the "horse is out of the barn" I don't know what can be done to decrease non residential use. I think the early planners who forced this development on the Cape should acknowledge their mistake and maybe we can scale things back	11/26/2020 9:28 AM
320	Establish a maintenance endowment so the park can be maintained for the future.	11/26/2020 9:24 AM

323	Resident only parking area. Make the gift shop bigger.	11/26/2020 9:13 AM
324	Toilets would be nice! And better control of tourism (including inhibiting people from taking foolish risks for a photo souvenir)	11/26/2020 9:06 AM
325	I would like to see Ft. Williams permanently conserved with a conservation easement.	11/26/2020 8:15 AM
326	more healthy food offerings	11/26/2020 8:00 AM
327	ditto. these past few years have really changed the park in a negative way	11/26/2020 6:29 AM
328	Dogs on leash	11/25/2020 9:48 PM
329	Abolish artists selling from random tables. Selling should only be in the store. Food and ice cream stands should be by competitive contract with town getting percentage of sales	11/25/2020 7:41 PM
330	All the wild shubbery and tree growth back along the shore in the wooded areas.	11/25/2020 7:15 PM
331	Speed bumps	11/25/2020 5:29 PM

332	tour buses having to pay a fair price, more than what they do now, for using the park.	11/25/2020 5:23 PM
333	Continued upgrading of shrubs, plants etc around walking paths.	11/25/2020 5:06 PM
334	More food concessions, something like summer pop up restaraunts, more use for cultural type events like outdoor summer theatre	11/25/2020 4:49 PM

338	Less tour buses	11/25/2020 3:44 PM
339	It is a town park first and foremost, so fewer tourist amenities. Stop spending our tax dollars on amenities for buses and trolley tourists. In fact, how about we ban buses and trolleys? No vehicle over 2tons. I don't care if the gift shop makes less money.	11/25/2020 3:28 PM
340	Stop charging parking fees.	11/25/2020 3:06 PM
341	Elimination of invasive plants and better management of native plant communities	11/25/2020 2:20 PM
342	Upgraded bathroom facilities. I have guided hundreds of visitors to the park. It is their most common complaint.	11/25/2020 12:23 PM
343	I worry about the impact the significant increase in traffic within the park has and continues to have.	11/25/2020 12:02 PM
344	Some improvements on the cliffwalk, it's a bit steep in some parts making it hard to not slip.	11/25/2020 10:02 AM

351	Goddard Mansion preserved	11/24/2020 7:39 PM
352	Center lines painted on the road, so there is a visual reminder for visitors to stay on their side of the road!	11/24/2020 6:54 PM
353	Let dogs off leash on the ball field again.	11/24/2020 6:12 PM
354	The entry road seems to be too narrow for the volume of traffic, especially from May thru September. At the least, put in some white dotted lines along the edges and in the center.	11/24/2020 3:33 PM
355	Renovate the crumbling forts	11/24/2020 1:45 PM

360	Restrooms upgrade and availability	11/24/2020 11:59 AM
361	Free parking,	11/24/2020 11:47 AM
362	Restore Goddard Mansion and turn it into a public venue of some sort. More landscaping and more areas to sit.	11/24/2020 11:41 AM
363	Make the parade ground area more level or have holes filled Paint a line down the middle of the entrance road so cars stop drifting from side to side	11/24/2020 11:25 AM

367	Clean, sanitary bathroom facilities.	11/24/2020 7:07 AM
368	I feel strongly that the park is extremely overused. I live in a property that abuts the park and the significant increase in people using the park has considerably decreased our quality of life.	11/23/2020 10:13 PM
369	The food truck at the top of the hill on the right below the shelter is just a very bad placement. Traffic, pedestrians, limited sight line going up the hill from either direction. Please find a better spot.	11/23/2020 8:47 PM
370	Public restrooms, especially for persons with medical issues which require accessibility	11/23/2020 8:30 PM
371	Making dog owners act more responsibly. Dogs on leash if they're going to jump on other walkers or runners.	11/23/2020 8:29 PM
372	Some kind of permanent year round infrastructure: bathrooms, cafe	11/23/2020 8:18 PM
373	Not sure	11/23/2020 8:12 PM
374	more scenic picnic table locations that are spread out and somewhat private from the crowds (e.g. two lights state park)	11/23/2020 4:45 PM
375	nothing	11/23/2020 2:14 PM
376	I've always hoped we could have a sit down restaurant open past the parks closing.	11/23/2020 2:02 PM
377	A natural setting walkway leading to the Picnic Shelter from the lower parking lot. Rotary is looking at this.	11/23/2020 1:54 PM
378	Overall the park is on great shape, although the parking area next to the children's playground needs to be Upgraded and defined. The attractiveness of Battery Garesche is also a constant issue.	11/23/2020 1:27 PM
379	I love the cliff walk, so any enhanced walking path. maybe add cross country skiing groomed trails.	11/23/2020 1:05 PM
380	I don't want a change.	11/23/2020 12:50 PM
381	Better signage, especially at the wrong lighthouse!	11/23/2020 12:34 PM

384	Weather permitting, regular maintenance of the pond for winter skating.	11/23/2020 11:50 AM
385	I asked my child what thing he would change and he said "NOTHING." I agree. When I pushed him further, he said a bigger children's area to run around and explore. Or maybe a playground for bigger kids.	11/23/2020 11:38 AM
386	Visitor's center and restrooms.	11/23/2020 11:31 AM

388	Continued preservation of landscape, woods	11/23/2020 10:29 AM
389	Nothing really	11/23/2020 10:26 AM
390	Take down so many of the signs and cut back on all the "curated" experiences/locations...please please please restore the simplicity.	11/23/2020 10:12 AM
391	The town should implement landscape management policies that create and maintain native habitat for migrating birds, pollinators, etc. Also, an agility training course for dogs would be nice.	11/23/2020 9:12 AM
392	Move the location of lobster roll truck from the blind hill before a pedestrian gets hit by car	11/23/2020 8:36 AM
393	Keep dogs on leashes	11/23/2020 8:34 AM

394	Improved playground- or better yet, 2 playgrounds- one for younger kids and one more like an obstacle course/ninja/bars, etc for older kids.	11/22/2020 9:15 PM
395	?	11/22/2020 9:01 PM
396	more areas and more accessibility for families. build out the children's garden (the slide is a disaster waiting to happen) to offer a variety of climbing structures, areas for engagement and learning.	11/22/2020 8:26 PM
397	Playground moved to nicer area	11/22/2020 8:21 PM
398	I'd love to see an updated bigger playground. I have two young children, so very biased in that answer. I know there is the new playground at the school and the childrens garden, but having a more engaging play structure would be really great.	11/22/2020 7:50 PM
399	Battery Garesche needs fixing up. Looks like a neglected part of the park.	11/22/2020 7:01 PM
400	Real bathrooms	11/22/2020 4:58 PM
401	More parking away from the current parking areas - in an effort to spread people around the park.	11/22/2020 4:39 PM

403	"Restoration" of Goddard Mansion	11/22/2020 3:10 PM
404	Replace plantings along cliff walk.	11/22/2020 1:27 PM
405	I would like to see striping at several points to keep visitors from forcing us to drive on the curb. This has happened several times. They can't help looking at the view and taking pictures while driving.	11/22/2020 12:02 PM
406	I would like to see the large grassed area as you enter the main gate on the left used for children's sports either school sports or a little league. I do not think it is utilized enough and many years ago my children played lacrosse on that field and it was used for school sports.	11/22/2020 12:01 PM
407	More fencing along Shore paths	11/22/2020 12:00 PM
408	Continue removing invasive species, like has been done in Cliffside and Cliff Walk	11/22/2020 11:57 AM
409	More access to the head light	11/22/2020 11:54 AM
410	I would like to see more money spent by the Town on maintenance and improvement of the park. I suspect tour busses could be charged higher fees, which might help control the number of busses coming into the park. It is disappointing that money raised from parking, busses, etc. has to be shared with other Town needs.	11/22/2020 11:40 AM
411	Adding more native plants and eliminating invasive plants	11/22/2020 11:30 AM
412	I think if you want to raise money on a fee per use the Goddard Mansion should be restored to be a function area. You could knock it down to a single story high for practicality reasons and develop it for a wedding/function area. It could be developed to be rustic yet functional and I believe that it could be a cash cow for the town.	11/22/2020 11:10 AM
413	Make sure it does not become Old Orchard Beach	11/22/2020 10:35 AM
414	Ongoing vigilant removal of invasive plant species	11/22/2020 9:58 AM
415	Continued removal of invasive plants and the return of native plants	11/22/2020 9:56 AM
416	Improve the Goddard Mansion area	11/22/2020 9:44 AM
417	I imagine buses will have to come back to fund the park. I would like to know that there are times when they won't be there.	11/22/2020 8:26 AM
418	Updated outdoor bathrooms (like the ones you see at Mackworth Island, Maine Audubon Preserves, and other outdoor recreational parks with no plumbing. Trash cans for the tourists who cannot seem to carry out their own trash and just throw it in the bushes.	11/22/2020 7:43 AM
419	More Pickleball courts Add windscreen to courts	11/22/2020 7:43 AM
420	An open field for dog games use. Off leash for frisbee and soccer and ball fetching.	11/22/2020 7:38 AM

421	Pay to enter for non-residents	11/22/2020 7:28 AM
422	Not sure about what I would change.	11/22/2020 4:55 AM
423	Open at night.	11/21/2020 7:39 PM
424	Remove the painted lines of pickleball off the tennis courts also update the tennis courts service	11/21/2020 7:07 PM
425	More walking trails, less lawns and big fields	11/21/2020 7:02 PM
426	Parking lots arrows and one ways.	11/21/2020 6:37 PM
427	Safe accessible points so that those on scooters, in wheelchairs, or using assistive devices can go from any point in the park to any other ***safely***.	11/21/2020 5:17 PM
428	fewer dogs, everyone wearing a mask	11/21/2020 5:14 PM
429	Sidewalk curbs painted white for visual aid while driving, particularly at the entrance area. I think there is a danger of pedestrian accidents up around parade grounds and crossing towards the ocean side area!	11/21/2020 3:05 PM
430	Restriction of tour buses	11/21/2020 2:22 PM
431	Free parking another food vendor	11/21/2020 1:38 PM
432	More crosswalks	11/21/2020 1:36 PM
433	raise the parking fee instead of increasing resident taxes	11/21/2020 1:23 PM
434	The attention to invasive species and cutting down overgrowth to open up views has been great so keep that up.	11/21/2020 1:03 PM
435	More dog walking off leash areas. Fewer buses.	11/21/2020 12:46 PM
436	Resurface and repair the tennis courts! They are in horrible condition: surface is eroding, grass is growing through cracks on the court, and the uneven surface means that puddles the size of a car and 3" deep remain following a thunderstorm. More pickle ball courts up above, because that is what we will be playing as soon as we are too old for tennis.	11/21/2020 12:13 PM
437	??	11/21/2020 11:40 AM
438	Dog walking on leash only (speaking as a dog-walker).	11/21/2020 10:19 AM
439	Controlling off-leash dogs (either with a fenced off leash area, or going to "leash only")	11/21/2020 9:44 AM
440	Not sure	11/21/2020 9:30 AM
441	no changes	11/21/2020 9:11 AM
442	Signs that say wear a mask.	11/21/2020 8:50 AM
443	Better management of foot traffic crossing roads	11/21/2020 8:15 AM
444	Non Maine visitors to pay more	11/21/2020 7:20 AM
445	?	11/21/2020 7:08 AM
446	More benches along the path of the southwest preserve.	11/21/2020 6:40 AM
447	The amphitheater is an amazing outdoor performance space that can fit an orchestra. I would love for more live performances to take place there. Rehabbing the stands just a little would offer some seating there.	11/21/2020 6:17 AM
448	Larger fees for non residents to go toward school upgraded	11/21/2020 5:59 AM
449	Trash cans	11/21/2020 5:58 AM
450	Trash cans, tired of picking up people's trash	11/21/2020 5:44 AM
451	full service restrooms	11/21/2020 2:33 AM
452	Stairs to the picnic shelter should be repaired. The random holes in many of the grass areas should be filled in.	11/20/2020 11:05 PM

453	Restrooms would be amazing!	11/20/2020 10:53 PM
454	Another area similar to the children's garden area with paths through native flowers. Maybe labyrinth or meditation walk of sorts. More of a natural playground space	11/20/2020 10:46 PM
455	Better bathrooms.	11/20/2020 10:19 PM
456	Spruce up tennis courts near playground	11/20/2020 9:58 PM
457	Later summer hours. Don't keep changing the park, it used to be perfect the way it was.	11/20/2020 9:47 PM
458	Have an entrance booth to collect modest fee for non residents. Parking meter system is awful. Crowd control	11/20/2020 9:39 PM

466	More recreation facilities for children and adults	11/20/2020 5:50 PM
467	tennis courts repaved and sign changed to make sure ONLY tennis is played on these courts	11/20/2020 5:44 PM
468	I would like to see more information (signage) about the history of the structures in the park. There is so much rich history that may be lost if no one records it where it is visible and accessible.	11/20/2020 5:39 PM
469	It would be very nice if there was a restaurant / food option in the park. Something more than food trucks. Also something that could be open at night.	11/20/2020 3:59 PM

479	Responsible dog owners	11/20/2020 12:48 PM
480	I would consider having an entrance fee. Now that we have some paid parking I know that helps but the revenue stream could be greater and that would help our property tax burden in town.	11/20/2020 12:46 PM
481	More financial contribution from non-resident users	11/20/2020 12:31 PM
482	The road coming in from the entrance could use striping down the middle. Quite often, visitors are so busy looking around, they drive in the middle of the road.	11/20/2020 12:26 PM

505	Fenced in dog park	11/20/2020 9:21 AM
506	PLEASE preserve Goddard Mansion. I remember when my kids used to run through it, we have Christmas pictures taken inside, it breaks my heart to see these historic structures crumbling down. Please dedicate the money to save the structures on the grounds	11/20/2020 9:20 AM
507	Dogs on leashes. You seeing a theme here?	11/20/2020 9:17 AM

509	Less tour buses	11/20/2020 9:13 AM

519	Need more benches in areas used by locals more than tourists.	11/20/2020 7:01 AM
520	A fence on the soccer field. If that seems to be the area where complaints are coming in about dogs running in the field, maybe run a fence line between the road and the field to prevent some of that. Most dogs are under voice command, but initially, their instinct is to run in an open field and it might take a minute to get them back. I just wish people were more forgiving about that. I never let my dog play there but occasionally, he will run out there for a min.	11/20/2020 6:49 AM

9	Rarely drive	12/30/2020 9:43 AM
10	Down by the lighthouse, there are three handicapped spaces and I believe only two other spaces. That makes it difficult for people who are older or handicapped that don't have a handicapped pass and just want to walk around the light house.	12/30/2020 1:55 AM

26	This year it wasn't a problem, but I'm guessing COVID played a part in that. In years past I've tried to go during off hours and parking has been find then too. I avoid the park at peak times and holidays because of parking and crowds (I'm not a crowds person).	12/22/2020 12:52 PM
27	But I dont usually drive there in the summer, I walk. If I drove, I would probably have issues	12/22/2020 7:54 AM
28	Often have trouble finding parking for my children's local soccer games	12/21/2020 9:47 PM
29	For dog walk area, non issue. And we really appreciate that we, as locals, can park without a fee near the off leash area. I would be very disappointed if I had to pay to walk my dog in a park that I specifically chose to live near. Dog is older now, and unable to make the walk from house to park, so driving is essential.	12/21/2020 5:15 PM
30	If Cottage Rd was safer we would bike there rather than drive. So many cars and congestion!	12/17/2020 11:00 AM

31	In the summer, very difficult to find parking.	12/15/2020 4:05 PM

63	Need more organized parking by the dog/pickleball/playground...	12/1/2020 8:52 PM
64	If we charge for parking and people don't pay, TICKET. I often park in the ticketed areas and see several/many cars with no payment tickets. If we are not going to enforce the payment parking, then remove the payment parking requirements.	12/1/2020 5:01 PM

65	in peak summer months, spaces can be difficult to find but no other time	12/1/2020 11:09 AM

71	It's packed!	11/30/2020 2:36 PM
72	I am a bit confused as to the logic to adding a handicap spot at the south entrance. The south entrance one handicapped spot seemed to reflect the correct needs for the entrance while affording frequent users another convenient parking space.	11/29/2020 8:39 PM
73	i walk	11/29/2020 3:59 PM
74	Old entrance. See above	11/29/2020 12:26 PM
75	Locals like to use the overflow lot on Shore Rd., but it's not always available - especially in summer months due to limited space and the fact that tourists tend to park there all day long to avoid paying. If there was a one hour limit, I think the locals would be better able to access this parking lot and it would help free up automobile congestion in the fort during the summer.	11/29/2020 11:27 AM
76	The upper field is crowded with families and it is frustrating to see families have to park further away for coach buses	11/28/2020 7:05 PM

81	Summer with visitors taking many spaces.	11/26/2020 9:24 AM

84	Sometimes no place to park, should be a residents parking area.	11/24/2020 9:40 PM
85	Summer of 2019 was the first time I ever had an issue. I have learned to avoid the park on weekend days in the summertime. Summer 2020 wasn't as bad, but I attribute that to lower numbers of visitors b/c of Covid.	11/24/2020 6:54 PM
86	I'm disabled and have handicap license plates I can usually find a space	11/24/2020 11:59 AM

89	Just lot off Shore Road as i mentioned.	11/23/2020 1:05 PM
90	Mainly during peak summer periods. That said, we live within walking distance and try not to drive to the park unless absolutely necessary.	11/23/2020 11:50 AM

92	It was very difficult till Covid thinned the crowds some. I imagine it will get bad again.	11/22/2020 7:01 PM
93	CE Garden Club maintains the garden at the Keeper's House. Unless our gardeners get there as the gates open in the morning, finding a parking place for trucks near the Keeper's House is	11/22/2020 4:39 PM

	almost impossible during a normal summer growing season. This is a selfish statement but we could use more parking space for our workers because they need to bring in tools, plants, etc.	
94	We walk up to the park from home when we know it will be busy.	11/22/2020 1:27 PM
95	Not at this time but I think as the park becomes advertised more there will be a parking problem especially in the summer months.	11/22/2020 12:01 PM
96	Don't try to park there.	11/22/2020 10:35 AM

100	I walk over	11/21/2020 1:23 PM
101	No but I always park near the playground	11/21/2020 1:03 PM
102	Since the dog walking area is one of the only free spots to park, there are fewer spots available.	11/21/2020 12:46 PM
103	I was really upset when they reduced parking near the pond because it was a hike to the tennis courts with all that equipment, such as carrying an industrial broom to squeeze the puddles. As long as we are able to park on the grass by the children's garden, the parking works for me. If that grassy parking area is taken away I will have a real problem!	11/21/2020 12:13 PM
104	Summer weekends there is no space ever to park	11/20/2020 9:39 PM
105	The back entrance of the park on shore road should be for cape residents with a sticker only. Why should tourist park for free there?	11/20/2020 7:41 PM
106	On busy tourist days the lots have been full. Including the area near the Public Works building.	11/20/2020 5:50 PM
107	When there are soccer games, parents from the away teams use the Maintenance Building Parking Lot to avoid paying for parking in the lot adjacent to the soccer field. This lot is already shared by dog walkers, Children's Playground users, and pickleball users. Especially bad on the weekends.	11/20/2020 2:12 PM

1	As I explained above, I am not familiar with a lot of the park and wonder whether the signs could be improved to encourage access to many different areas not just the usual spots. The same is true for parking. If there is only parking in one part of the park, it discourages exploration of the places that are far away from parking.	12/31/2020 5:26 PM
2	Near food truck is tricky crossing street	12/28/2020 4:08 PM
3	But I am mostly wandering with my dog.	12/28/2020 11:57 AM
4	The current paths are not very clear due to their historic uses	12/24/2020 9:15 AM
5	Not always	12/24/2020 8:21 AM
6	Yes, I do feel they take me to my destination, I only clicked no so I can comment: I do not want to see any more walkways at all - there are plenty and more would only take away greenspace. People need grass to walk on ! Please - no more sidewalks or gravel walkways !	12/22/2020 7:54 AM
7	More safe paths down to rocks	12/21/2020 12:42 PM
8	It can be hard to get from the playground to Portland Head Light in the winter. There are no sidewalks and if the snow is too deep, we end up walking on the edge of the road.	12/10/2020 12:55 PM
9	this question makes no sense	12/8/2020 3:18 PM
10	In the off leash area, I'd prefer it were a loop rather than walking the dog up and down the south end.	12/8/2020 1:04 PM
11	Q13 and Q14 don't apply, as I walk to the park from my home.	12/7/2020 12:04 PM
12	the paths and walkways are extensive- please dont add more	12/3/2020 5:35 PM
13	The paths and sidewalks are fine, unfortunately in the main car park we witness daily how few people care to use them, and prefer shortcuts across the middle of the car park along with all the moving traffic. It is difficult to stop human nature!	12/2/2020 1:29 PM
14	Pave by the playground/pickleball/dog area and add sidewalks.	12/1/2020 8:52 PM
15	It's not that I feel there are missing links. I like cutting across grass and fields. Makes me feel like a kid again and it's easier on the feet.	11/30/2020 6:57 PM
16	By the public works building- in the summer it gets congested.	11/30/2020 5:11 PM

22	Sidewalks jump around up the hill. Have to make a few crossings for no good reason.	11/23/2020 12:34 PM
23	a lot like Maine and VT/NH missing an East/West highway. Most sidewalks move outward from Shore Rd. towards the water. Not a lot of walkways crisscrossing the park. This is particularly noticeable during large events (fireworks, family fun day). No great short cut paths from entrance to parade grounds and lighthouse area.	11/23/2020 11:30 AM
24	I feel like there are a few spots through the parade grounds that don't quite connect or make a cohesive path from one spot to the other.	11/22/2020 7:50 PM
25	It can be hard to navigate.	11/22/2020 7:01 PM
26	This doesn't truly pertain to the garden club's work at the Keeper's House.	11/22/2020 4:39 PM
27	So many places where I cannot safely exit a sidewalk via an accessible pavement cut to cross a road to get to another pavement cut. Very difficult to get around the park on a scooter.	11/21/2020 5:17 PM
28	The road between parking and the playground is dangerous and needs sidewalks	11/21/2020 2:22 PM

29	There should be a path through the woods near the offices and small field (southwest woodland area)for more off leash area.	11/21/2020 12:46 PM
30	As it is now, but again, if you close the grassy area above the stadium to parking it will cause a huge problem.	11/21/2020 12:13 PM

32	could use a path inside Shore Road fence to stay in park but go from north to south and to all gate entrances, also easier access from Main entrance to get up to Childrens garden area...more clearly marked stairs?	11/20/2020 11:12 AM
33	There needs to be a better/wider pedestrian path at the crest of the hill at the flag pole. The lobster place has to move.	11/20/2020 9:23 AM
34	Need crosswalks and to separate pedestrians and cars and busses.	11/20/2020 9:01 AM
35	Usually they do but I do feel they could be better	11/20/2020 8:26 AM
36	As someone who walks with a double wide stroller, the handicapped accessibility of side walk and park areas is limited. There are often not convenient easements from sidewalk areas (instead needing to maneuver over curves) or areas with only steps as a way to access one region to another conveniently.	11/19/2020 10:02 PM
37	test	11/19/2020 9:28 PM
38	There is a point where the sidewalk ends, across from the Children's Garden, beside the field with the flag; this side walk should be extended, at least to the crosswalk in front of the food truck.	11/19/2020 4:47 PM

#	PLEASE, SPECIFY ADDITIONAL IMPROVEMENTS.	DATE
1	Improve plant and animal habitat along coastline and cliffs.	1/12/2021 7:52 PM
2	It would be great to have a ice rink on the pond or somewhere that was open even at night. Stunning location and better than the town hall. I think it could be a profit center for the town and even better than Thompson's point.	1/11/2021 11:04 AM
3	Speaking of funds, thank you for finally asking someone other than taxpayers to carry the burden of supporting the maintenance and improvement costs for the fort.	1/8/2021 2:35 PM
4	i think the children's garden is beautiful-- I just don't think it needs expansion. I think the history of the park is valuable for all ages.	1/2/2021 9:18 AM
5	It depends on what restore means for the pond?	12/30/2020 5:42 PM
6	More recreational opportunities like Paddle Tennis Courts or an ice skating rink. More entertainment facilities like a stage or amphitheater.	12/30/2020 9:58 AM
7	Get rid of the Goddard mansion. The town studied this issue and there is not the will to safely preserve. One of the worst decisions this town made was to stop the demolition after it was started.	12/30/2020 9:43 AM
8	outdoor performance space for arts & cultural events	12/29/2020 12:15 PM
9	the parade ground bleachers should continue to be available for Cape Graduations and such. I am answering the last question below about buildings....I think the old military buildings can be left the same as they reflect the history and time passed since use...Current occupied building should have normal upkeep	12/29/2020 9:07 AM
10	Don't know about the last three items.	12/28/2020 6:49 PM
11	Include more Town and area wide events. This year has been an anomaly, I know.	12/28/2020 11:57 AM
12	No more parking lots	12/27/2020 1:48 PM
13	Fix fence at public works playground. Regularly sending balls back that roll under old entrance gate there	12/27/2020 8:42 AM
14	Please upgrade Christmas lighting of Portland Head Light. I'm a business owner and would be willing to consider funding the project. My name is Rick Browne, Wornbrick Fine Art Photography, LLC -- wornbrick@gmail.com	12/26/2020 8:47 PM
15	Do a better job weeding the gardens .	12/26/2020 1:06 PM
16	Town swimming pool.	12/26/2020 10:06 AM
17	More information on the history of the whole park.	12/25/2020 6:27 PM
18	More pickleball courts	12/25/2020 6:05 PM
19	add a skating rink with rentals and hot coco near the children's garden overlooking the water	12/24/2020 12:13 PM
20	Please, more restoration and less new construction, etc.	12/24/2020 11:14 AM
21	Goddard mansion is too far gone. It is a waste of money to keep it. The money would be better spent elsewhere. You are looking at a lawsuit when someone gets hurt.	12/24/2020 11:06 AM
22	I'm ignorant of pond restoration concerns but aware water reclamation can be costly & long process. Cost / benefit analysis would be important.	12/24/2020 9:53 AM
23	Please leave everything as is, as natural as possible	12/24/2020 8:32 AM
24	When renting the large picnic shelter, it would be nice to allow alcoholic beverages.	12/23/2020 10:54 AM
25	Improve the area around Pickleball courts and resurfacing them. It's a Serious draw.	12/23/2020 12:07 AM
26	Regarding the visitor's center - I thought there was one? This isn't a high priority as I think signage can guide people along and give them information. I'm also a resident.	12/22/2020 12:52 PM
27	Goddard Mansion is the most important improvement, it is historical. Followed by the bleachers. For all of us who have had kids graduate at Ft. Williams, we have strong memories from those bleachers.	12/22/2020 7:54 AM

28	Continue the fight against invasive species and clean up the cliff walk new plantings that are already overgrown.	12/21/2020 8:27 PM
29	I only suggest we restore the bleachers so Cape kids can use for celebration and so they don't become dangerous. A practical safe natural non-fancy restoration at best	12/21/2020 6:49 PM
30	You are doing a wonderful job with the park. It's enjoyed by so many people and yet it always seems there is room to accommodate another visitor. It's been a highlight of our lives here.	12/21/2020 4:37 PM
31	More maintenance of children's garden, more landscaping of cliff walk, more safe paths down to rocks	12/21/2020 12:42 PM
32	1) Either eliminate the overflow parking area or add parking meters in this area. People are parking in this area to avoid parking fees. 2) Ban the use of portable speaker systems. 3) Limit the size and number of private parties.	12/15/2020 8:06 PM
33	It would be great to have upkeep at the pond in the winter for safe skating. Improving the safety of the beach by either lifeguarding it or making it prohibited to swim there.	12/15/2020 4:05 PM
34	A gate and entrance fee would help immensely! No food trucks!	12/14/2020 12:31 PM
35	Permanent restrooms are needed, however consideration and thought should take place of the additional cost and social issues that come along with this. As well as the cost of supplies and hiring employees seven days a week to clean and maintain during the tourist season. Other considerations is the potential drug issues that public restrooms in a free public park might bring. Two Lights State Park contracts these services. An office space possibly in one of the officers row buildings for educational research and reading of the history of Fort Williams, PHL, military of Casco Bay, Maritime & fishing , Wabanaki Indians history, Cape Elizabeth, with dedicated space for historic displays. A summer police reserve officer assigned during the day to Fort Williams Park during peaks summer months. Paving the parking lot of the picnic shelter. Cleaning and restoring the former civil defense bunker and using this space in the future as a fort museum or other purpose. Give the town employees better working spaces/offices.	12/14/2020 1:33 AM
36	Softball/baseball fields need some TLC and improvements.	12/13/2020 11:11 AM
37	Public water fountains.	12/12/2020 11:14 AM
38	Additional planting of flowering native species	12/12/2020 10:11 AM
39	keep it open space, carry in, carry out, keep it from being more commercialized. keep it a park.	12/11/2020 4:18 PM
40	Repave Pickleball courts and flip orientation to face North/South	12/10/2020 10:45 AM
41	restrooms immediately, Goddard Mansion as soon as possible, make one of the existing buildings the visitor center, remove renters from the park, place historical society in one of the existing buildings in the park	12/10/2020 9:35 AM
42	I would only want to see the Children's garden expanded as a garden not as a playground. Expand the actual playground if it is not adequate. The Fort is one big playground anyhow.	12/9/2020 8:09 PM
43	Not sure what "restore the pond" means. I prefer to maintain what currently exists.	12/9/2020 3:41 PM
44	Maybe "shore up" the bleachers, but honestly, they are only used at graduation.	12/9/2020 9:47 AM
45	weshould be removing asome of the improvents that have been made	12/8/2020 3:18 PM
46	The proposed orchard would be lovely. Wifi hotspot and heightened cell coverage.	12/8/2020 1:04 PM
47	Is there an opportunity for dining other than food carts?	12/8/2020 12:44 PM
48	Keep the indigenous plantings , but keep them under control.	12/7/2020 2:43 PM
49	There fort is over used and more development will just increase the problem.	12/7/2020 2:14 PM
50	A visitor center is a TERRIBLE idea! Why encourage visitation when we're worried about numbers now? And when we don't charge admission. It's just another capital expense and then ongoing overhead expense. Please, NO!!! Informative interpretive signs will do.	12/7/2020 12:04 PM
51	I enjoy the Children's Garden very much, but it's one of the more lightly used parts of Fort	12/5/2020 3:16 PM

Williams. I think establishing funding to maintain existing gardens is more important and appropriate than creating new ones. The Friends of Fort Williams (formerly Fort Williams Foundation) seems to have shifted its focus quite dramatically from historic preservation to gardening/landscape preservation. I'm a passionate gardener myself and very much enjoy the gardens, but there needs to be more of a balance between gardens/reclaiming landscapes and preserving historic structures. I realize the FOFW is independent and the town has no control over its mission and work.

52	PLEASE established a few more webcams that show the lighthouse and park like Nubble does	12/5/2020 1:04 PM
53	water-bars to prevent washouts on the cliff walk	12/4/2020 9:30 AM
54	See previous comment. I'd like to see some outdoor fitness stations.	12/4/2020 8:24 AM
55	Preserve the cement stairs by the pond.	12/4/2020 12:28 AM
56	take better care of the garden/landscaping. I know that a lot of the work is done using volunteers, but you could spend some \$\$ to better maintain them. they have looked quite weedy and overgrown the past few years.	12/3/2020 10:32 PM
57	This is a small issue, but one I notice. As you walk down the unleash dog road toward the lighthouse there is on the left a concrete slab with no purpose. It is a bit of an eyesore - could that be removed and landscaped?	12/3/2020 9:47 PM
58	The barren field next to the children's garden and pond area. I also would like the battery ruins maintained such that they could be accessed and explored	12/3/2020 9:13 PM
59	Playground needs a total make over.	12/3/2020 8:19 PM
60	Some of the steps leading from the entrance road up to the parking field are in need of repair. Some stone retaining walls are also in trouble. The stone wall to the left of the entrance is also in poor condition.	12/3/2020 7:41 PM
61	Concerts?	12/3/2020 7:03 PM
62	An expanded visiting center could bring in revenue Expanding food service is risky because of the trash issue.	12/3/2020 5:51 PM
63	Goddard Mansion is number one priority-the loss of this important history and architecture due to lack of funding is such a shame. Bleachers next, no to children's garden, and absolutely NO to permanent restrooms	12/3/2020 5:35 PM
64	Playground needs repair	12/3/2020 4:54 PM
65	I'm not sure about any other answers here.	12/3/2020 8:26 AM
66	I would love the pond to be maintained for skating and hockey!! I would love to see the mansion be used for larger events to make revenue for the park. Restrooms near the soccer field/playground would be great!	12/2/2020 9:04 PM
67	Maybe to a visitor center --- would have to be small and tasteful I think we've managed without a restroom for a long time and restrooms can be areas that are vandalized and hard to maintain and keep safe.	12/2/2020 6:21 PM
68	I would like to preserve the history and maintain the natural environment, but I think a lot of the money funneled into the build up (signs, children's garden, etc.) is a silly waste of money. The tennis courts are not well maintained. It's annoying to me that they're spending money on signs and other things, but not keeping the courts (which residents use) well maintained.	12/2/2020 5:42 PM
69	Please continue to allow off leash areas for dogs along with the the self policing waste bags and cans.	12/2/2020 5:08 PM
70	Expand off leash dog areas during winter months	12/2/2020 12:46 PM
71	I think the tennis courts should get resurfaced.	12/2/2020 10:31 AM
72	Continue to attempt eradication of invasive species.	12/2/2020 7:23 AM
73	Ice rink in winter	12/2/2020 6:13 AM
74	The Goddard mansion is a tough one to answer without knowing the definition of "restored." Stabilized walls so people can walk around the structure? Yes. Restored with roof, interior	12/1/2020 10:01 PM

	walls? Trough sell unless it could become a revenue generator	
75	little league field needs significant improvement	12/1/2020 9:08 PM
76	More pickleball with some way to reserve or managed way to be on deck for a court.	12/1/2020 8:52 PM
77	An outdoor ice rink located where Children's Garden parking is during the warmer months. Use the old fire house for a warming hut and ticket sales.	12/1/2020 8:50 PM
78	More pictures and illustrations on what Fort Williams was like during its function as a fort and training area. My father trained here during WWII in the "Maine State Guard" prior to going to Africa and Syria/Iran in support of the war effort. Pictures are better than a 1,000 words. Combined they make a story	12/1/2020 5:01 PM
79	I'm open to any and all improvements, contingent of course on adequate funding.	12/1/2020 10:04 AM
80	Maintain tennis courts. Provide push brooms so players can sweep the courts if necessary.	11/30/2020 6:57 PM
81	A historical resource for military information	11/30/2020 2:58 PM
82	Either provider a trash can system. or better signage and notices about carry in/carry out policy.	11/30/2020 1:24 PM
83	Tear down the Goddard Mansion but keep the arch and 1 or 2 foot high walls as a preserved ruin.	11/30/2020 8:48 AM
84	Town needs a nicer Community Center. Along with a dedicated space for seniors, this could be part of a building with restrooms. It would make it a town park as well as a tourist destination.	11/30/2020 7:16 AM
85	The children's garden is fantastic! Another climbing/sculpture similar to Alice and Wonderland in NYC's Central Park may draw kid's to the garden.	11/29/2020 8:39 PM
86	please work on restoring the park and NOT turning it into Southern Maine's Disneyworld	11/29/2020 3:59 PM
87	no issues here	11/29/2020 12:26 PM
88	A small visitor center would be good especially if it could be used by the Friends of Fort Williams Park for workshops, fund raising events and a gift shop to help bolster funds.	11/28/2020 12:00 PM
89	Create a one-way traffic flow and establish a bike/pedestrian lane on all roads.	11/27/2020 2:07 PM
90	If permanent restrooms were to be built there would need to be vigilant cleaning.	11/26/2020 4:52 PM
91	The last 3 "No" answers were more that it doesn't matter to me-no opinion would have been more accurate.	11/26/2020 2:11 PM
92	See above; make a concerted effort to get rid of the invasive species and restore the natural environment	11/26/2020 12:39 PM
93	We like the wild nature of the park and not making it too touristy or fancy with lots of costs associated with upkeep. Our state parks are highly regulated and expensive. We pay local taxes and appreciate the free use of the park.	11/26/2020 11:17 AM
94	When the park is busy, the porta-potties are dirty, don't have toilet paper, and are sometimes full. There should be a wash station near the porta-potties. For me when they are too disgusting, I just walk home, but others are not so lucky, and I frequently hear people complain about the disgusting condition.	11/26/2020 11:08 AM
95	We need to focus on preservation instead of further development. It feels like we are making Ft Williams into a theme park for tourists. Please Leave the park as wild and as quiet as as possible. Many of the parts of the childrens garden are already in disrepair. We should not be expanding there until we can take care of the garden components that we have. The park should be about enjoying the history and the natural setting....we do Not need to add more "attractions". It is already fabulous. The local people already love it as it is. Why are we making it more of a tourist attraction?? We should be using our resources to respect and maintain it's natural beautynot constantly reshaping it to make it more attractive to visitors. I am all for restoring the pond but concerned that Repairing the pond will disrupt the wildlife that currently lives there. Need to use environmentally expert contractors who will not make things worse. The pond in the upper part of the children's garden is a mess...design flaws . Can we avoid similiar problems for future projects. The cliff walk renovations have resulted in multiple erosion problems that will significantly affect the park landscape. This needs to be looked at	11/26/2020 10:28 AM

	and remedied. We really need to consider Environmental impacts as primary when making all decisions about the park. We need to emphasize preservation over further development.	
96	Establish an endowment fund , similar to universities.	11/26/2020 9:24 AM
97	Sorry, I know I answered yes to all of the above. And earlier I had said nothing should change. But honestly all of those sound like really good ideas.	11/26/2020 9:13 AM
98	The wonderful children's garden and landscaping of cliff walk have been terrific. Handicap accessible toilets by the children's playground would be great.	11/26/2020 9:06 AM
99	I think the park is beautiful the way it is - the town has more pressing needs to spend its money on.	11/26/2020 8:00 AM
100	keep the park natural including the plantings	11/26/2020 6:29 AM
101	Try to have some type of sustainability center, better use and more revenue from buildings. Change garage/shed from storage to indoor area for school meetings, etc.	11/25/2020 4:49 PM
102	Build the small amphitheater at the parade ground for local events targeted at residents.	11/25/2020 3:28 PM
103	How and to what extent to preserve the batteries and mansion is a big question. Along with those structures, I can imagine repairing, reinforcing and repurposing several of the most interesting/unique structures throughout the park, including the central power house, electrical substation, fire station (for a visitor center), etc.	11/25/2020 2:20 PM
104	Although I would love to see the Goddard Mansion and the parade ground bleachers restored, I anticipate that the cost would be prohibitive.	11/25/2020 12:02 PM
105	No more changes please. Get rid of the food trucks etc. keep the park as close to its original form as possible. Changes can include keeping it simple.	11/24/2020 10:19 PM
106	The BLEACHERS are my number one. This is an iconic Capers space for graduation and gatherings like Family Fun Day.	11/24/2020 6:54 PM
107	I think Goddard Mansion needs to be restored, not just preserved. It has great potential.	11/24/2020 11:41 AM
108	If the pond by tennis courts is restored, it would be great if it could be used for pond hockey	11/24/2020 11:25 AM
109	It's disappointing to many residents to see all the changes in the park geared more toward visitors than cape residents. The manicured gardens, the children's garden, etc aren't considered improvements to many.	11/23/2020 10:13 PM
110	Way too much lawn! Expanding the Children's Garden and creating other intentional native plants gardens would be wonderful.	11/23/2020 8:18 PM
111	keep the water flowing between pond and children's garden	11/23/2020 4:45 PM
112	Parking area at playground	11/23/2020 1:27 PM
113	I don't know anything about the pond. Would it be beautiful? Safe?	11/23/2020 12:50 PM
114	The park can be ruined by too much development!	11/23/2020 12:27 PM
115	Regarding the Goddard Mansion, if there are pieces of it that can be preserved in an interpretive display, I think that is sufficient. I don't think resources should be put towards anything beyond that, though.	11/23/2020 11:50 AM
116	Continue to manage the invasive plants and expand education and programming around Park horticulture. Consider inclusion of educational programs geared toward children - using the Children's Garden for learning beyond play.	11/23/2020 10:29 AM
117	Please keep it as simple as possible.	11/23/2020 10:12 AM
118	Upgrade overall landscaping maintenance to eliminate non-native plants and encourage typically Maine coast plant varieties; create a horticultural "sense of place" appropriate to the area.	11/23/2020 9:12 AM
119	Restrooms should be paid for by visitors	11/23/2020 8:34 AM
120	LARGER playground or climbing structure for kids. the main open field when you drive in has so much space. where the swings are could be built out a tremendous amount for kids.	11/22/2020 8:26 PM

121	It feels important to preserve the history in the fort; although would be nice to highlight it more if resources are put in to preserving the structures.	11/22/2020 7:50 PM
122	Most if this would be nice. A visitor center + restroom would be fantastic.	11/22/2020 7:01 PM
123	Use the pond for lit night time ice skating	11/22/2020 4:58 PM
124	Great list!	11/22/2020 4:35 PM
125	I think the bleachers should be restored for graduations concerts and town fairs and special occasions. The children's garden is lovely but definitely big enough as is and fun for kids big and little. We should keep an off leash dog park especially for the residence of Cape Elizabeth who own dogs and can bring them to a clean area where owners and dogs alike can socialize. Healthy for both.	11/22/2020 12:01 PM
126	Clear some trees next to the upper pickleball courts	11/22/2020 12:00 PM
127	Convert the Fire Station from storage to useable space - office space, gathering space, activity space...	11/22/2020 11:40 AM
128	The parade ground bleachers should be kept to hold HS graduation. Restoring the pond to make it safe if it needs it but in 35 years I have never seen activity there that it is a particular draw to anyone.	11/22/2020 11:10 AM
129	Aren't the Military Batteries rented out? Why not make those buildings park-related for a visitor center and other park-related purposes ONLY? I love the Goddard Mansion, but it's beyond saving at this point. Only improve the bleachers if the plans are to allow outdoor musical events, Shakespeare in the Park, etc. Not talking huge rock concerts, but something has to give.	11/22/2020 7:43 AM
130	Include an off leash field for dog games.	11/22/2020 7:38 AM
131	Bring back the 4th of July Fireworks and outdoor performance space for the symphony.	11/21/2020 7:39 PM
132	In an eco friendly way	11/21/2020 7:27 PM
133	Improve wheelchair, scooter, and handicap accessibility; add more handicap parking.	11/21/2020 5:17 PM
134	my husband would love to see a history kiosk	11/21/2020 5:14 PM
135	An additional crosswalk from 1st parking area (above) to the cliff walk grass area. Paint sidewalk curbs white.	11/21/2020 3:05 PM
136	Self closing hinges for all gates More crosswalks Paved parking in back	11/21/2020 1:36 PM
137	please stop spending money needlessly and lower taxes, you have major issues with people renting homes now because the taxes are so high,	11/21/2020 1:23 PM
138	More off leash area for dogs. Parking area improved near maintenance offices.	11/21/2020 12:46 PM
139	I know that many residents have strong opinions in these areas. I'm fine with whatever works for the majority of residents.	11/21/2020 12:13 PM
140	free parking for South Portlaresidents nts	11/21/2020 2:33 AM
141	Put up caution signs near steep Rocky areas " caution ". Sooo many tourists don't understand and respect the Maine rocky coastline!	11/20/2020 7:41 PM
142	Ice skating!	11/20/2020 7:38 PM
143	Would prefer to see no tax payer funds used.	11/20/2020 6:37 PM
144	The park is beautiful as is, and the maintenance dep does a great job keeping the roads plowed and sanded in Winter!	11/20/2020 6:30 PM
145	Goddard Mansion is beyond restoration. It is one of my favorite spots to stop at in the park. Can it be maintained in its current state to remind us of its role in that area? Public restrooms could impact our sewage treatment plant. Porta potty services are fine.	11/20/2020 5:52 PM
146	Improvements to Little League facilities for baseball and softball. More pickleball courts. Fenced dog park. Widen the entry road it is too narrow.	11/20/2020 5:50 PM

147	The pond is a habitat for a number of wild creatures and I would hate for "restoring" it to destroy the habitat. I have mixed feeling about a visitors center but perhaps it could be part of the museum and could have a nicer bathroom facility.	11/20/2020 5:39 PM
148	Of this list, preserving the Godard Mansion would be at the top. It is so beautiful and such a shame to see it deteriorate like it has.	11/20/2020 3:59 PM
149	Trash cans, of course!	11/20/2020 2:45 PM
150	Expanded playground offerings. Structures suited to a wider range of children.	11/20/2020 2:15 PM
151	Find a way to supplement carry-in-carry-out as trash seems to continue to be a problem.	11/20/2020 2:12 PM
152	Turn one tennis court into a ball hockey field. All that is needed is net posts and net.leave two hockey nets onsite	11/20/2020 1:23 PM
153	Could star gazing with CELT or others be arranged at night a few times a year?	11/20/2020 12:48 PM
154	Admission gate could also had out maps and answer quick questions so there would be less need for a visitors center	11/20/2020 12:46 PM
155	Continue to remove invasive species	11/20/2020 12:31 PM
156	In my opinion, I would love to see a permanent restroom facility.	11/20/2020 12:26 PM
157	I think only a couple of the military batteries need to be preserved. Not all of them. Maybe just Battery Blaire. The others are too far gone. Goddard could be beautiful space if restored thoughtfully.	11/20/2020 11:58 AM
158	continue to remove invasive species, more infrastructure for another food truck or two, outdoor cafe and seating, whether in or in front of Goodard or elsewhere -- like cafe atop Mt Royale in Montreal.	11/20/2020 11:12 AM
159	Adding a basketball court would be great. There are very few available in Cape.	11/20/2020 9:50 AM
160	Sidewalk coming down hill from flag to lighthouse needs work	11/20/2020 9:47 AM
161	Build a one way in and ut safe and that easily identified	11/20/2020 9:42 AM
162	More benches and picnic tables in the off leash area	11/20/2020 9:35 AM
163	I think there is a cause to have a better connection between the cape historical society and the park, whatever that means for a visitors center and preservation on various historical aspects. I would love to see the pond reported and kept up for winter skating.	11/20/2020 9:23 AM
164	More trash cans	11/20/2020 9:21 AM
165	More trees/shrubs/natural areas and connect these for more green corridors. The Town has a responsibility and they aren't taking enough action.	11/20/2020 9:01 AM
166	Some of the building properties should be removed. I'm not sure what kind of 'preservation' we are maintaining with chain-link fences and broken concrete covered by graffiti. Green spaces would be much nicer looking and safer for visitors.	11/20/2020 8:24 AM
167	Restore some native habitat. There's plenty of land to do so, and far too much mowed grass that is unused. Take out some useless sidewalks. Or, if you really want to construct something as an "improvement," build a 3 season 50 meter outdoor pool that can double as an outdoor skating rink(s) during the winter.	11/19/2020 10:50 PM
168	Increased handicap accessibility.	11/19/2020 10:02 PM
169	test	11/19/2020 9:28 PM
170	Add more pickleball courts.	11/19/2020 9:19 PM
171	Label trees with their species, no more concessions, enforcemregulations	11/19/2020 9:06 PM
172	Restrooms in more areas of the park. A way to prevent cars from pulling over and blocking the road to go to the Lobster roll food truck.	11/19/2020 8:24 PM
173	Get rid of the bittersweet, poison ivy and sumac	11/19/2020 7:41 PM
174	I think they should tar the parking lot near the tennis court/off leash area. It gets really muddy	11/19/2020 6:58 PM

during certain times of the year.

175	Cafe in Visitor Center	11/19/2020 6:37 PM
176	I would like the current bleachers to be restored to be used for school functions and other uses.	11/19/2020 4:50 PM
177	Leave the bleachers, just update	11/19/2020 4:32 PM

Q16 What other type(s) of activities and/or resources would you like to see available at the park?

8	I have always thought that a moderate sized seafood take-out near the parking lot would be such a nice addition to the views where people could buy and small lunch and enjoy the flavor of Maine near the ocean. This would mean getting back into trash collection and more tables but imagine the revenue for the town.	1/8/2021 2:35 PM

16	History of Cape Elizabeth in the visitors center.	12/31/2020 5:26 PM
17	Perhaps a more permanent or designated spot for the various food vendors so their lines don't spill into the street or block pathways.	12/31/2020 9:41 AM

42	No activities. Just quiet, passive recreation. The park already suffers from "people overload". It's insane... the traffic coming in/out of the park and the loads of people. Perhaps we need to limit the number of cars allowed in the park at any one time?	12/26/2020 5:08 PM

45	I hope that the park doesn't overcommercialize!	12/26/2020 12:24 PM
46	Community swimming pool. Any new idea such as this will undoubtedly meet with objections, especially from abutters. You may recall that abutters from entrance one Delano Park hired a lawyer to try to prevent the development of the soccer field on land adjacent to them. Despite earlier naysayers, I think the sports field has proven to be a good community benefit. Likewise, I can imagine abutters to a pool will find objections such as too much noise or traffic or liability. The park should be developed for multiple uses of community benefit.	12/26/2020 10:06 AM

56	Bathrooms like the ones at Two Lights State Park would be nice... but beyond that, let's not add stuff that attracts MORE people! It's already an over-loved space.	12/24/2020 10:38 AM
57	More food trucks.	12/24/2020 9:53 AM
58	I like it the way it is	12/24/2020 9:27 AM

75	Cornhole park with concrete boards	12/22/2020 7:41 PM
76	Anything to make it more bike friendly.	12/22/2020 12:03 PM
77	1. As a fundraiser, a holiday lights show could be stunning in the park, like what the Botanical Garden does. 2. I can see having summer performances such as plays in front of the bleachers. 3. A "ghost walk" around the batteries could be a great fundraiser and fun. 4. I would like the park to be open till 10 in the summer months. It gets dark so early in Maine and moonlight walks would be nice to be able to do.	12/22/2020 7:54 AM

143	1. How about a day or two every summer where the park is closed to the public and open ONLY to CE residents? Plan activities from noon--7pm. a barbecue, some music, games, a pet parade, a raffle, etc, etc. Paid for by the town. The town spends the most money on schools, but not everyone in the town participates in the school system--this day in the park would be something that everyone can participate in. 2. put back one of the basketball courts, or at least the backboards and nets.	12/3/2020 10:32 PM

189	I would like to recommend we look into a fundraising event that supports project graduation and Chewonki and fort williams at the same time. These are huge milestone events for the children that grow up in cape elizabeth and would like to look into a way for an event at Fort Williams that can bring in the necessary profits to support these and possibly other activities. The Yarmouth Clam Festival model is something that we should look at as we discuss this idea. not the actual event but where the profits are given. maybe the organizations that benefit need to be adjusted but this is as starting point.	12/1/2020 12:02 PM

287	If restoring the pond, having the pond be really set up for ice skating would be interesting. In the town I grew up in, a town park had skating rentals and eventually a warming hut and pond hockey tournament (bigger town the CE though). Maybe even setting up a public rink in the winter.	11/22/2020 7:50 PM

Q20 How do you feel about the character of the park's trees and planted areas?

Answered: 522 Skipped: 115

#	RESPONSES	DATE
1	The character is great, but could always be improved by increasing native flora, native tree & shrub plantings.	1/12/2021 7:52 PM
2	Fine	1/11/2021 12:57 PM
3	could be more diverse and interesting	1/11/2021 11:04 AM
4	Love them	1/10/2021 4:13 PM
5	I'd like to see more trees, native species only. No fancy gardens , just native shrubs, grasses, and wild flowering plants, not anything fancy. Also, dirt walkways, no cement paths.	1/10/2021 1:01 PM
6	Very pretty. However, the more blooms the better! And weather proof plant tags would be nice as well.	1/9/2021 2:34 PM
7	It is beautiful	1/8/2021 2:35 PM
8	They are fine	1/8/2021 12:41 PM
9	You have destroyed wildlife and bird habitat	1/6/2021 3:09 PM
10	nice, could have more	1/6/2021 2:22 PM
11	I think they look nice and are fitting for the area	1/6/2021 9:15 AM
12	Very nice.	1/6/2021 8:21 AM
13	I think that park is beginning to look too manicured.	1/5/2021 8:19 PM
14	Planted areas have gotten too manicured but OK. I prefer the look and feel at Two Lights and Crescent Beach State Parks.	1/5/2021 2:25 PM
15	The park has been greatly improved with removal of invasive species and thoughtful plantings. I was not an early believer in the value of this! The trees and plantings are very important . However, I think the conservation easement question below needs more explanation as to what that would mean. Same with public works question. I don't think you should get yes/no answers to use to support something which was never made clear in this survey.	1/2/2021 9:18 AM
16	beautiful changes!	1/2/2021 9:16 AM
17	Okay	1/1/2021 7:37 PM
18	fine	1/1/2021 6:11 PM

25	I would like to see the trees labeled as to species.	12/30/2020 5:42 PM
26	Beautiful, much improved over the past several years	12/30/2020 11:14 AM
27	Great	12/30/2020 9:58 AM
28	We need to do more work here.	12/30/2020 9:43 AM
29	I think the gardens and trees need to be cared for so they remain in good condition for those that visit the Fort Williams.	12/30/2020 8:53 AM
30	It is very nice. I would be willing to help pull invasive species if needed.	12/30/2020 1:55 AM
31	More variety	12/29/2020 4:07 PM
32	adds to the beauty of the park	12/29/2020 3:57 PM

33	Beautiful, however, the more you plant/develop, the more it is to maintain.	12/29/2020 1:43 PM
34	good	12/29/2020 12:39 PM
35	seems to be ever changing	12/29/2020 12:15 PM

46	Good	12/28/2020 4:08 PM
47	They are full of weeds and not being maintained. Why is this not in the budget????	12/28/2020 12:07 PM
48	It has a very natural feel, not manicured, which is very nice.	12/28/2020 11:57 AM
49	beautiful	12/28/2020 7:47 AM
50	It would be nice to plant more trees	12/27/2020 1:48 PM

54	Very nice. I like the wilder parts.	12/26/2020 11:36 PM
55	Love it	12/26/2020 10:16 PM
56	Maintenance is an expensive and never ending battle. Even so, the park has great character and is very well maintained.	12/26/2020 8:47 PM
57	I like it.	12/26/2020 7:41 PM
58	☐	12/26/2020 5:12 PM
59	Okay.... but they are OVERRUN with weeds, since there does not seem to be a maintenance plan for "upkeep" of the areas that have already been cleared/replanted. PLEASE do not start a new project, until you have a clear and constant plan to take care of what has already been done.	12/26/2020 5:08 PM
60	Important to protect sturdy park trees, remove sumac trees. Planted areas need to be better weeded.	12/26/2020 1:06 PM
61	They are perfect. Would rather spend \$ on playgrounds and improving other structures	12/26/2020 12:32 PM
62	Much has been done to improve the removal of invasive species and clearing fir views.	12/26/2020 12:24 PM
63	I think continued efforts at species diversification is important. There is a preponderance of red oak, a beautiful tree but at risk for a disaster such as emerald ash borer which will likely wipe out all the ash trees. Winter moth, fortunately, seems to be coming under control, but the more species we have, the less risk some invader will wipe out a large number of mature trees. We should definitely try to avoid the misguided planting of a grid of hickory trees as seen along Shore Rd adjacent to the Casino Beach area. It's ecologically risky to an unexpected non-native invader and esthetically unattractive. Also whoever planted the trees did not consider how close together the trees were planted. They will not grow to be fine specimen trees.	12/26/2020 10:06 AM

64	Beautiful	12/26/2020 7:54 AM
65	Nice	12/25/2020 6:54 PM

69	Should be better maintained	12/25/2020 7:41 AM
70	good	12/24/2020 8:06 PM
71	Pls preserve any old trees as few are left. Let's plant some of the new improved elm and chesnut	12/24/2020 3:02 PM
72	Nine	12/24/2020 2:38 PM
73	would like to see more diversity , more local plants	12/24/2020 12:13 PM
74	Trees are lovely and old. Planted areas look better every year.	12/24/2020 11:14 AM
75	Wonderful, you are doing a great job.	12/24/2020 11:06 AM
76	The trees and plants seem to be fairly honest, faithful, courteous, loyal, and trustworthy inhabitants of the earth. They have great character.	12/24/2020 10:38 AM
77	I prefer less groomed look & strongly support use of native hardy types. Shade trees should be preserved.	12/24/2020 9:53 AM
78	They are great	12/24/2020 9:27 AM
79	They are lovely	12/24/2020 9:15 AM

88	good!	12/23/2020 11:20 AM
89	Beautiful-I love the variety and the natural plant choices.	12/23/2020 10:54 AM
90	Enjoy the landscaping	12/23/2020 7:37 AM
91	Generally, these are quite diverse and impressive. They are a critical feature that should be preserved.	12/23/2020 12:39 AM
92	Fine	12/23/2020 12:20 AM
93	I enjoy a mixture of open space and trees. I would want all trees around Pickleball courts kept! Shade. The area to the side could be cleared for additional functional space. Covered shelter maybe, benches, bathroom?	12/23/2020 12:07 AM
94	Love it	12/22/2020 10:39 PM
95	Some areas are "neater" than others, but I am not interested in a pristine 'showcase' area. I am happy with things as they are.	12/22/2020 8:01 PM
96	Good	12/22/2020 7:58 PM
97	Well done'	12/22/2020 7:41 PM

98	fine	12/22/2020 2:11 PM
99	I haven't really ever given it much thought, but including more ecologically friendly trees/plants would be the only additions; if that isn't already happening.	12/22/2020 12:52 PM
100	I love them.	12/22/2020 12:03 PM
101	As stated before, the work with the arboretum and the town has really improved the character. I would like to see it continued.	12/22/2020 9:17 AM
102	It looks really nice, I do worry about the invasive species. At the back entrance, I saw bittersweet chocking out a beautiful apple tree	12/22/2020 9:00 AM
103	The park has done an excellent job of improving/ managing the planted areas. I just dont want to see any more manicured gardens at this point. Less is more !	12/22/2020 7:54 AM
104	Do not want to see them formalized or increased gardens	12/21/2020 10:02 PM
105	Lovely	12/21/2020 8:55 PM
106	Love the trees. Prefer a "natural" landscape that doesn't require a lot of maintenance	12/21/2020 8:34 PM
107	The planted areas are already behind on upkeep, partially due to covid but the issue was present even before that. The cliff walk is a prime example of new plantings being overtaken with weeds In a short period of time. Plant Labels are already buried beneath overgrowth. All that planting work needs steady upkeep.	12/21/2020 8:27 PM
108	Would be good to label some of the dominant tree species outside the arboretum area.—and even within there are trees not labeled.	12/21/2020 7:11 PM
109	Pretty but starting to look too deliberate compared with the once rustic breathtaking beauty	12/21/2020 6:49 PM
110	Beautiful	12/21/2020 5:29 PM
111	I think you strike a good balance in terms of openness and plant cover.	12/21/2020 4:37 PM
112	They have been very well thought out.	12/21/2020 12:59 PM
113	Ok	12/21/2020 12:42 PM
114	??	12/21/2020 10:00 AM
115	n/a	12/21/2020 9:30 AM
116	Great	12/20/2020 8:53 PM
117	I like as many trees and planting as possible, and would not want things cut back	12/20/2020 10:37 AM
118	The character is being destroyed by the bittersweet.	12/18/2020 12:41 PM
119	Gorgeous	12/17/2020 11:00 AM
120	Lovely	12/16/2020 8:26 AM
121	The taller tree and shrub areas need to be retained as they contribute to the privacy and intimacy of the park. If tall evasive species are remove, then replace them with native plants of the same size. Do this work by changing small areas at a time rather than clearing large swaths of land that will stay scarred for years.	12/15/2020 8:06 PM
122	Beautiful. Keep.	12/15/2020 4:05 PM
123	I feel good about them. We should maintain only what needs to be done for them [cut dead branches,. trim as necessary etc.. Cut some of the bushes on Battery Knoll lawn to allow for better viewing of the Harbor and ocean activity	12/15/2020 3:00 PM
124	Good	12/15/2020 10:40 AM
125	We would love to see a more naturalized landscaping plan. The manicured suburban garden look is ridiculous. It feels like a bunch of bored rich ladies had a plan to beautify our park!	12/14/2020 12:31 PM
126	nice	12/14/2020 10:37 AM
127	Very Much like them.	12/14/2020 1:33 AM

128	Could use more trees	12/13/2020 11:11 AM
129	The natural environment is nice. Maintenance is key to good looks.	12/12/2020 5:25 PM
130	Love it. Park gardener is going a great job.	12/12/2020 11:14 AM
131	trees need to be pruned to avoid further damage	12/12/2020 10:33 AM
132	More flowering native plants	12/12/2020 10:11 AM
133	good	12/11/2020 4:18 PM
134	I think they have enough character	12/11/2020 2:30 PM
135	Good	12/11/2020 2:01 PM
136	I leave that to the good work of the Friends of the Park	12/11/2020 12:04 PM
137	Beautiful and seem well cared for.	12/11/2020 9:52 AM
138	Prefer to see limited amounts of "landscaped" areas such as the Children's Garden.	12/10/2020 9:07 PM
139	Seems fine to me.	12/10/2020 6:15 PM
140	Would like to see more indigenous species	12/10/2020 5:18 PM
141	Love it!	12/10/2020 2:14 PM
142	Good	12/10/2020 10:45 AM
143	well done	12/10/2020 9:35 AM
144	Long term planning needed	12/9/2020 10:03 PM
145	Love them. Wish there were even more identifying markers	12/9/2020 9:53 PM
146	They are beautiful	12/9/2020 9:23 PM
147	I think it is fine.	12/9/2020 8:09 PM
148	Cliff planting was only partially successful and watering system was a failure. Need for natural, hardy native plants and trees in the future. Many trees look stressed to me (not an expert).	12/9/2020 3:41 PM
149	gOOD	12/9/2020 3:25 PM
150	Seems good, but I am opposed to using glyphosate or other synthetic pesticides to control so-called invasive species. There are many other techniques for control that are less toxic.	12/9/2020 2:51 PM
151	Love the trees. Planted areas. Mostly nice	12/9/2020 12:36 PM
152	it's FINE.	12/9/2020 9:47 AM
153	better than parking	12/8/2020 3:18 PM
154	The south end of the park where the proposed orchard would be is a mess so would love to see that improved.	12/8/2020 1:04 PM
155	They are one of the most significant attributes for the Park.	12/8/2020 12:44 PM
156	I feel that some of it has destroyed the natural wild life and wild flowers that some would consider weeds , which may be homes to others. The trees are beautiful and so are the planted areas as long as we respect what we change may change what we do not see. (rabbits that had to be relocated)	12/8/2020 9:12 AM
157	They are in good shape but in constant need to keep them up. Thanks to the foundation and all they have done	12/7/2020 8:57 PM
158	More flowering trees & bushes would be nice	12/7/2020 7:32 PM
159	Good!	12/7/2020 6:26 PM
160	I like the mix of trees and green fields.	12/7/2020 3:36 PM
161	looks good	12/7/2020 3:26 PM

162	I think they are in fairly good shape.	12/7/2020 2:43 PM
163	Fine just do not disturb them with additional development.	12/7/2020 2:14 PM
164	Natural,	12/7/2020 12:37 PM
165	Great.	12/7/2020 12:04 PM
166	Terrific	12/7/2020 11:15 AM
167	Good	12/7/2020 6:39 AM
168	I like that native Maine species predominate	12/6/2020 9:29 AM
169	I think the initial Cliff Walk project went overboard. As many folks will remember, habitat for endangered New England cottontails was destroyed. Sometimes overzealous invasive plant removal destroys habitat, unfortunately. Subsequent landscape projects like The Children's Garden and the new trail above Cliff Walk were created with more sensitivity.	12/5/2020 3:16 PM
170	fair	12/5/2020 1:04 PM
171	Great	12/4/2020 11:10 PM
172	I like the natural feel of the trees and hope over time the planted areas will fill in and look more natural.	12/4/2020 11:26 AM
173	Beautiful	12/4/2020 11:24 AM
174	Fine, I don't think we need more fancy gardens.	12/4/2020 10:59 AM
175	It's great to see such a variety of trees and plants.	12/4/2020 9:40 AM
176	excellent	12/4/2020 9:30 AM
177	Without close examination, the park seems to be healthy and beautiful.	12/4/2020 9:28 AM
178	Seems pretty good. They're always working on it.	12/4/2020 8:24 AM
179	Love the big trees	12/4/2020 8:05 AM
180	nice	12/4/2020 7:34 AM
181	Good	12/4/2020 7:28 AM
182	great.	12/4/2020 6:54 AM
183	Nicely done along the Cliffside and Cliffwalk. A lot of hard work..Children's garden great too.	12/4/2020 12:28 AM
184	the appearance has diminished over the past few years, probably due to a lack of volunteers.	12/3/2020 10:32 PM
185	Good. It will always need maintenance but it's what we must do to keep it.	12/3/2020 10:31 PM
186	Like the landscaping improvements. Cliff walk is a great addition.	12/3/2020 9:47 PM
187	Well maintained trees. Cliff walk vegetation could be improved and cultivated better	12/3/2020 9:13 PM
188	Could be better managed	12/3/2020 9:02 PM
189	I think it's great.	12/3/2020 8:43 PM
190	Gorgeous	12/3/2020 8:25 PM
191	Great	12/3/2020 8:24 PM
192	Nicely done	12/3/2020 7:41 PM
193	some are beautifulshould be a bit less manicured.	12/3/2020 7:12 PM
194	Look nice	12/3/2020 6:59 PM
195	Fine	12/3/2020 6:40 PM
196	Not sure. Will leave to the experts.	12/3/2020 5:59 PM
197	Consistent with the rest of the park.	12/3/2020 5:52 PM

198	Grass is cut too short in dry weather. otherwise fine. A bit overgrown but I think that keeps it natural.	12/3/2020 5:51 PM
199	Great	12/3/2020 5:30 PM
200	Recently updated certainly near the Cliff Walk so no further improvement needed at this time.	12/3/2020 5:29 PM
201	Don't care all that much	12/3/2020 5:12 PM
202	It is a beautiful park with great examples of nature	12/3/2020 5:11 PM
203	It beautiful and I can't believe how the management of the invasive plants(removed) has improved the views!	12/3/2020 5:04 PM
204	Trees are very representative of the region. There does seem to be challenges with keeping up with the planted areas. Likely this is a financial issue	12/3/2020 5:02 PM
205	well planned and executed	12/3/2020 5:02 PM
206	Generally good.	12/3/2020 8:26 AM
207	It is lovely. Thank you for keeping it up.	12/2/2020 9:04 PM
208	I enjoy the progress of the work being done with the planted areas	12/2/2020 8:41 PM
209	Great	12/2/2020 8:06 PM
210	No real opinion	12/2/2020 7:31 PM
211	Nice	12/2/2020 7:18 PM
212	They are decent	12/2/2020 7:16 PM
213	They seem nice. Beyond preserving the natural landscape it's not a huge priority for me	12/2/2020 6:53 PM
214	Looks good and just needs maintenance	12/2/2020 6:52 PM
215	sometimes I feel they are too planned and manicured. I hope they will seem less so with time and growth	12/2/2020 6:21 PM
216	I like the natural look of the park	12/2/2020 5:48 PM
217	I think they're lovely and generally very well maintained.	12/2/2020 5:42 PM
218	Very positive attributes worth maintaining	12/2/2020 5:08 PM
219	Fine	12/2/2020 3:05 PM
220	I like the natural areas as apposed to the more formal garden areas.	12/2/2020 1:29 PM
221	They are nice	12/2/2020 1:25 PM
222	More fruit trees	12/2/2020 12:46 PM
223	Fine.	12/2/2020 12:24 PM
224	Beautiful	12/2/2020 11:55 AM
225	Love it.	12/2/2020 10:31 AM
226	Native plants and trees, please. They attract native insects and birds	12/2/2020 7:23 AM
227	Fine	12/2/2020 7:14 AM
228	No issue	12/2/2020 6:13 AM
229	Enjoy and appreciate	12/1/2020 10:23 PM
230	Not so great in comparison to something like the Arnold Arboretum	12/1/2020 10:01 PM
231	love it	12/1/2020 9:08 PM
232	Maintain - but don't enlarge except to remove some invasives.	12/1/2020 8:52 PM
233	I really like the newest additions and attention brought to existing	12/1/2020 8:50 PM

234	Wonderful, special	12/1/2020 7:45 PM
235	Lovely-	12/1/2020 6:55 PM
236	Continued maintenance of mature growth, controlling the invasive plants and continued planting new trees & shrubs to replace ageing trees and shrubs	12/1/2020 5:01 PM
237	The flowers around the light house are beautiful and well kept. The children's garden is a mess.	12/1/2020 2:33 PM
238	It is fine as it is	12/1/2020 1:07 PM
239	very happy as it looks great and know its a lot of work to support	12/1/2020 12:02 PM
240	Keep it as natural as possible	12/1/2020 11:22 AM
241	It is beautiful & well-maintained	12/1/2020 11:09 AM
242	Looks great!	12/1/2020 10:04 AM
243	Look great. Continue adding new trees when old ones come down or are removed.	12/1/2020 9:37 AM
244	Recent renovations to Cliff Walk area and Children's Garden are nice- do not feel the need to add further	12/1/2020 8:48 AM
245	good	12/1/2020 8:20 AM
246	lovely	12/1/2020 8:04 AM
247	Extremely pleasant. Improvements of last few years have greatly enhanced the experience. Hoping to see additional plantings.	11/30/2020 9:16 PM
248	Look great	11/30/2020 7:20 PM
249	Continue to maintain	11/30/2020 7:19 PM
250	I like the natural look better than landscaping.	11/30/2020 6:57 PM
251	Nice job !	11/30/2020 5:11 PM
252	They're great	11/30/2020 5:06 PM
253	Beautiful	11/30/2020 5:04 PM
254	I think the invasives cleanup has been spectacular in improving the park; it really is a jewel in its clean up state.	11/30/2020 3:54 PM
255	Good	11/30/2020 3:49 PM
256	Appreciate them Well maintained	11/30/2020 2:58 PM
257	looks great	11/30/2020 2:36 PM
258	They are amazing.	11/30/2020 1:24 PM
259	I think they're great.	11/30/2020 11:12 AM
260	Excellent. Keep up with tree preservation and replacement and getting rid of invasive plants. The garden projects should continue per the plan.	11/30/2020 8:48 AM
261	no thoughts	11/30/2020 8:25 AM
262	The character is excellent	11/30/2020 7:16 AM
263	Good! I do believe the park should focus on limited garden expansion while improving maintenance of the existing gardens.	11/29/2020 8:39 PM
264	Adequate.	11/29/2020 8:10 PM
265	Love it.	11/29/2020 7:46 PM
266	please keep the park as wild as we can	11/29/2020 3:59 PM
267	The old trees are a key attraction for me	11/29/2020 1:21 PM

268	Great. keep doing what is being done. Maintain all native to Maine. Eradicate all else	11/29/2020 12:26 PM
269	The touristy areas seem to be in good shape from the little time I spend there, but the off leash area could use some work.	11/29/2020 11:27 AM
270	A good effort, but bring back the trees that once grew there, native and orchard.	11/29/2020 11:06 AM
271	Lovely	11/29/2020 7:25 AM
272	Nice! I see the crew working to keep things looking good and safe	11/28/2020 7:05 PM
273	Removing invasive plantings has opened the park up, it seemed bigger when the open areas were seperated by vegetation, Each was a unique area with it on feel	11/28/2020 6:59 PM
274	Awesome	11/28/2020 6:32 PM
275	Acceptable	11/28/2020 12:00 PM
276	Getting better but still areas that are "in progress"	11/28/2020 10:29 AM
277	Beautiful	11/28/2020 9:33 AM
278	Looks fine to me. Work removing invasives and planting and stonework along the Cliff Walk has been a major improvement.	11/27/2020 10:59 PM
279	Beautiful... the blue bird boxes are wonderful too!	11/27/2020 9:14 PM
280	Most of the park has been restored very well. We need to focus on the south side of the part where it adjoins Delano Park. Much work needs to be done there, but, of course, I live in Delano so that perspective is not surprising.	11/27/2020 6:47 PM
281	Seems pretty good to me.	11/27/2020 2:07 PM
282	I think the character of the park's trees and plants suits the history and current uses of the park.	11/27/2020 1:33 PM
283	Good	11/27/2020 12:14 PM
284	They are beautiful.	11/27/2020 10:33 AM
285	In a perfect world, would like to see more plantings in the gardens. A bit more color and variety. Not sure they stand out as is. It is a huge destination, should be eye popping, besides the view.	11/27/2020 9:32 AM
286	Fine	11/27/2020 8:58 AM
287	Too much planting gives way to lots of weeds that are tough to control. I think current areas should be maintained but no others added.	11/27/2020 7:28 AM
288	lovely	11/26/2020 10:00 PM
289	Like	11/26/2020 5:08 PM
290	I love the wooded areas.	11/26/2020 4:52 PM
291	don't have an opinion	11/26/2020 2:11 PM
292	The gardens are nice but many of the outside trees are invasive species and the woods are being overwhelmed by invasive species.	11/26/2020 12:39 PM
293	I love the wildness of the preserve areas	11/26/2020 12:25 PM
294	I love the park.	11/26/2020 12:09 PM
295	Good. I prefer the "wild" nature of the park on the Southwest side and Battery Gareshe rather than adding any more planting areas there.	11/26/2020 11:17 AM
296	It is ok	11/26/2020 11:08 AM
297	I feel that we make the park too clean. We leave no vegetation or branches on the ground for wildlife. The character of the trees and planted areas has been compromised by over management and spraying of herbicides..	11/26/2020 10:28 AM
298	They are fine. The red oaks will succumb over time, perhaps to winter moths	11/26/2020 9:28 AM

299	Ok, continue to fight winter months on hardwoods	11/26/2020 9:24 AM
300	Looking good!	11/26/2020 9:13 AM
301	Can be overgrown and appear messy at times. I'd whack most of the plants along the cliff walk and landscape the area between the cliff and the road. Get rid of all the damned sumac.	11/26/2020 9:13 AM
302	They are the highlight of the park after the views	11/26/2020 9:06 AM
303	Overall, the park looks great!	11/26/2020 8:15 AM
304	They are beautiful. Maintenance is all that's needed.	11/26/2020 8:00 AM
305	they have gotten to be too manicured in their appearance. I would propose no more staying with any pesticides or for management of black swallow wort	11/26/2020 6:29 AM
306	I like the choices of plantings and trees	11/25/2020 9:48 PM
307	Trees are fine. Planted areas could be prettier but I am not planting expert.	11/25/2020 7:41 PM
308	It's gotten to be too much of a perfect garden. Would much prefer wild growth to be allowed to come back	11/25/2020 7:15 PM
309	Like them	11/25/2020 5:29 PM
310	I like the improvements that have been made over the last few years.	11/25/2020 5:23 PM
311	Beautiful	11/25/2020 5:06 PM
312	Fine	11/25/2020 4:49 PM
313	I would love to see more species	11/25/2020 4:22 PM
314	Great work by many to remove invasive species. Looks so much better! The Cliff Walk is looking great!	11/25/2020 4:02 PM
315	They seem to be a bit high maintenance but I am not really sure.	11/25/2020 4:01 PM
316	Looking good	11/25/2020 3:44 PM
317	Way too much invasive underbrush. Need to clear it out throughout the park, especially the Southwest Woodland preserve and off Chapel. Focus on further improving the Chapel Road entrance -- its the main entrance for the large number of walkers arriving from the Northeast section of Town.	11/25/2020 3:28 PM
318	Love the historic groves and the wilder, naturalized areas of the park, but the latter needs better management per the objectives of the Ecology Project. I don't like the older, traditional planting beds of sheared shrubs and rugosa roses.	11/25/2020 2:20 PM
319	Very good	11/25/2020 12:23 PM
320	While I realize that some areas need care & improvement, I would prefer that the planted areas and trees be as reflective of how areas were planted and maintained when the fort was in operation.	11/25/2020 12:02 PM
321	I love the roses in summer, only just discovered the gardens recently but those are lovely as well.	11/25/2020 10:02 AM
322	Good condition	11/25/2020 6:20 AM
323	Fine. What grows naturally is preferred with the maintenance to keep it healthy. Too much landscaping or planting would distract and ruin the character and history of the park	11/25/2020 4:50 AM
324	Do not touch.	11/24/2020 10:19 PM
325	I don't know	11/24/2020 10:12 PM
326	Good	11/24/2020 9:40 PM
327	Good	11/24/2020 9:01 PM
328	Beautiful	11/24/2020 7:35 PM

329	This is not my area of expertise. As a layman viewpoint, I think recent improvements have been stunning. The clearing of overgrowth near the soccer fields and the Cliff walk are two areas that come to mind.	11/24/2020 6:54 PM
330	Very positive.	11/24/2020 6:12 PM
331	James McCain did a beautiful job with ensuring the beauty of the space	11/24/2020 3:59 PM
332	I have no complaints, but I'm not into plants and trees.	11/24/2020 3:33 PM
333	Beautiful	11/24/2020 1:45 PM
334	Good	11/24/2020 1:16 PM
335	Good	11/24/2020 1:13 PM
336	Needs improvement	11/24/2020 12:15 PM
337	Fine	11/24/2020 11:59 AM
338	Good always more is better	11/24/2020 11:47 AM
339	I think it is very important to include a diversity of beautiful native plants and trees. The park could serve as an unofficial botanical garden for southern Maine.	11/24/2020 11:41 AM
340	Good management of invasive plants!	11/24/2020 11:25 AM
341	fine	11/24/2020 10:41 AM
342	I like the idea of plant and grounds management to foster indigenous plantings that provide cover and food for birds and insects, such as butterflies.	11/24/2020 10:15 AM
343	Good	11/24/2020 9:27 AM
344	I much preferred the less manicured look than what is there now. It feels like we're creating a theme park with signs, eyc	11/23/2020 10:13 PM
345	Really coming along well!! Great job! Please focus some on migrating birds such as trees with persistent fruit to feed spring migrators.	11/23/2020 8:47 PM
346	Love them	11/23/2020 8:29 PM
347	I like the trend toward planting natives and hope it continues	11/23/2020 8:18 PM
348	Great - especially continued improvements	11/23/2020 8:12 PM
349	???????????????	11/23/2020 4:45 PM
350	all good	11/23/2020 2:14 PM
351	IN pretty good shape. New plantings are helping and more is needed	11/23/2020 1:54 PM
352	Managing older trees is very important. Try to plant a tree for each one removed.	11/23/2020 1:27 PM
353	I love the areas that have eradicated invasive species.	11/23/2020 1:05 PM
354	They look good to me.	11/23/2020 12:50 PM
355	Could use some more attentive gardening. It's good to have native species but weeds are everywhere.	11/23/2020 12:34 PM
356	Children's garden is not maintained at all. Seems like a waste of \$ because it is not properly weeded and maintained.	11/23/2020 12:27 PM
357	good	11/23/2020 12:07 PM
358	I think they are critical to the park, and preserving healthy existing trees and planted areas is extremely important.	11/23/2020 11:50 AM
359	Very well maintained and cared for.	11/23/2020 11:31 AM
360	ok. the new plantings with native species are nice.	11/23/2020 11:30 AM
361	fine	11/23/2020 11:05 AM

362	Continue protect and preserve. Essential to the Park's character. Long term plan to manage various areas throughout the Park.	11/23/2020 10:29 AM
363	Well done	11/23/2020 10:26 AM
364	OK	11/23/2020 10:15 AM
365	Please avoid over-manicuring...it's becoming too much like other places with formal gardens etc	11/23/2020 10:12 AM
366	Excellent.	11/23/2020 9:13 AM
367	Some are wonderful, some need better maintenance	11/23/2020 9:12 AM
368	Good	11/23/2020 8:40 AM
369	Good	11/23/2020 8:36 AM
370	good.	11/23/2020 8:34 AM
371	I love them	11/22/2020 9:01 PM
372	they are great	11/22/2020 8:26 PM
373	Fine	11/22/2020 8:21 PM
374	I think it's great. Appreciate the landscaping an care taking of the park.	11/22/2020 7:50 PM
375	The cliffside area has been so much improved. I appreciate the views and the information about the plantings.	11/22/2020 7:01 PM
376	Flower Gardens are beautiful. Trees are pretty ordinary.	11/22/2020 4:58 PM
377	I feel great about it. The progress over the last few years has been impressive!	11/22/2020 4:35 PM
378	Good and improving each year	11/22/2020 3:10 PM
379	Beautiful! Especially the children's garden & surrounding area. The cliff walk needs some help after the removal of the black wort.	11/22/2020 1:27 PM
380	I spent several hours a week pulling bittersweet off some of the grand old trees over several years. I feel strongly about preserving the living history in the fort.	11/22/2020 12:02 PM
381	Good	11/22/2020 12:01 PM
382	Very nice	11/22/2020 12:00 PM
383	Some are excellent; some need help.	11/22/2020 11:57 AM
384	They're being well maintained but could also stand to be improved and expanded	11/22/2020 11:54 AM
385	I love the variety and the balance between wild and controlled, native and introduced. I think the trees and planted areas reflect the multi-faceted history of the park.	11/22/2020 11:40 AM
386	Not sure	11/22/2020 11:30 AM
387	The improvements have been wonderful. I understand with the drought this past year the children's garden suffered. As long as you plant native species it should work out pretty well. I do know that upkeep and weeding is hard to manage in some of the area. Could make it a service project for the high school....	11/22/2020 11:10 AM
388	Could be improved	11/22/2020 10:35 AM
389	I see it as a good resource for what plants are native to the area and what plants thrive.	11/22/2020 9:56 AM
390	Those that have been redone are lovely. There are still several areas where invasive species need to be removed.	11/22/2020 9:44 AM
391	I like non manicured areas. Keep stuff from being Over grown but don't refine the landscape too much.	11/22/2020 8:26 AM
392	Incredible.	11/22/2020 7:43 AM
393	Lovely! I like the use of native plants	11/22/2020 7:38 AM

394	Nice	11/22/2020 7:28 AM
395	Good enough.	11/22/2020 4:55 AM
396	Good	11/21/2020 7:39 PM
397	They seem honest to me	11/21/2020 7:27 PM
398	Nice, more native vegetation please, paths, less pavement and lawns	11/21/2020 7:02 PM
399	Love the trees gives shade and they are beautiful.	11/21/2020 6:37 PM
400	Postive	11/21/2020 5:17 PM
401	lovely	11/21/2020 5:14 PM
402	Beautiful.	11/21/2020 3:05 PM
403	I really love the trees and efforts on native plantings. Removing invasives has been awesome, as has the children's garden.	11/21/2020 2:22 PM
404	More flowers	11/21/2020 1:38 PM
405	Ok	11/21/2020 1:36 PM
406	its pretty	11/21/2020 1:23 PM
407	I think they are beautiful and very natural, not overly manicured.	11/21/2020 1:03 PM
408	Not wild enough, too much planned landscaping. Don't try to make it an arboretum.	11/21/2020 12:46 PM
409	Initially was sad to see trees and plants cleared along cliff walk, but now I think it looks great. I trust the people who are making decisions about trees and plants to make good, financially sound, decisions.	11/21/2020 12:13 PM
410	Too dparse	11/21/2020 11:40 AM
411	Ever more impressive	11/21/2020 10:19 AM
412	Okay. A lot of mature oaks with out much new recruitment. "Southwest Preserve" is overrun with invasive. It would be good to start building in more diversity of large native trees to replace the oaks. Maybe some American chestnut? Or disease resistant American elm?	11/21/2020 9:44 AM
413	Good	11/21/2020 9:30 AM
414	fine	11/21/2020 9:11 AM
415	The area of the hill overlooking lower field snd orchard is a mess. In fact dangerous spikes tree remains poking up.	11/21/2020 8:50 AM
416	Excellent	11/21/2020 8:15 AM
417	Ok	11/21/2020 7:20 AM
418	Beautiful oaks by Officers Row. The rest seem unremarkable and unplanned plantings.	11/21/2020 7:08 AM
419	Love them	11/21/2020 6:40 AM
420	Trees are lovely.	11/21/2020 6:17 AM
421	Great	11/21/2020 5:59 AM
422	Nice	11/21/2020 5:44 AM
423	ok	11/21/2020 2:33 AM
424	Like it	11/21/2020 12:33 AM
425	Overall the trees are good. The plantings are nice but tend to get overrun by weeds. The number of plantings should be kept to an amount that can be maintained. No point in spending lots on plantings that get chocked out by weeds.	11/20/2020 11:05 PM
426	Great	11/20/2020 10:53 PM

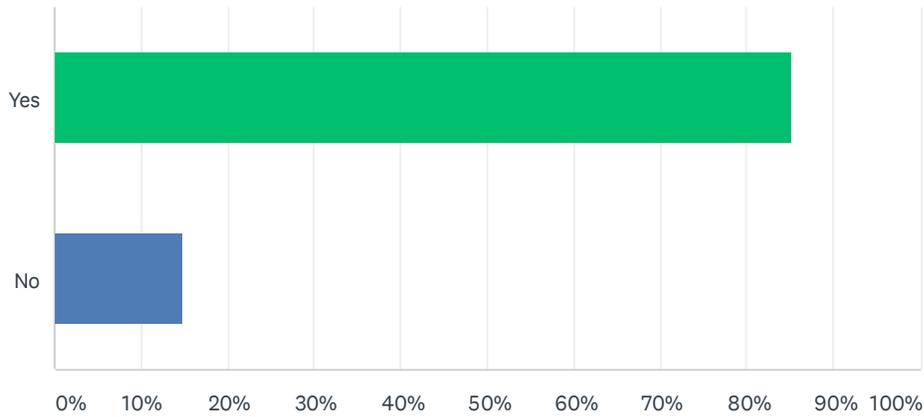

427	Beautiful	11/20/2020 10:46 PM
428	Love the big, old trees. Love the new plants in the children's garden.	11/20/2020 10:19 PM
429	I love the natural, not TOO manicured feel of the park.	11/20/2020 9:58 PM
430	I always thought it was strange that it's called an arboretum. There are trees at the park, but compared to true arboretums this is just a park with some trees around.	11/20/2020 9:47 PM
431	Too curated. I think things are getting overdone and park is losing its character	11/20/2020 9:39 PM
432	Important to preserve natural plant species and wild habitats	11/20/2020 8:01 PM
433	I love trees for the shade they offer- I feel there is currently a box mix of shaded areas and open areas.	11/20/2020 7:43 PM
434	There are some aging trees near the gazebo that pose a threat to visitors if it's very windy	11/20/2020 7:41 PM
435	Good	11/20/2020 7:38 PM
436	Starting to feel a little sparse and over maintained.	11/20/2020 6:37 PM
437	I think there need to be wild areas for birds and small animals to live. I would hope there isn't any more clearing of plant life.	11/20/2020 6:30 PM
438	The park is lovingly maintained by our staff. The care is top notch in keeping it natural in appearance	11/20/2020 5:52 PM
439	Recent improvements including removal of invasive plants is good.	11/20/2020 5:50 PM
440	Important	11/20/2020 5:44 PM
441	Again, the mix of wild and manicured areas adds to the character of the park. There are old fruit trees that should be kept and native plants that should be protected. I think that more trees should be planted in the officers row preserve to replace aging oaks.	11/20/2020 5:39 PM
442	I feel like the basics are there but there could be much more interesting things planted.	11/20/2020 3:59 PM
443	It's big old trees give history	11/20/2020 2:34 PM
444	Adequate.	11/20/2020 2:15 PM
445	It will be better as the newer plantings fill in and grow. When new, it is very manicured looking.	11/20/2020 2:12 PM
446	Fine	11/20/2020 1:38 PM
447	Children's garden is great	11/20/2020 1:23 PM
448	I think the park's trees and planted areas always look well kept	11/20/2020 1:22 PM
449	Ok	11/20/2020 1:14 PM
450	good	11/20/2020 12:51 PM
451	Love the trees! Protecting trees from winter moth will be important and challenging no doubt	11/20/2020 12:48 PM
452	Love them	11/20/2020 12:46 PM
453	Need more tree plantings in wide open areas	11/20/2020 12:31 PM
454	Okay. To question 19, I wish something could be done about the invasive Bittersweet which has done such a devastating job on so many of our beautiful trees!	11/20/2020 12:26 PM
455	Ok	11/20/2020 12:25 PM
456	Beautiful	11/20/2020 12:15 PM
457	Friends of the Fort have done a good job so far. But there are many areas within the park that are neglected and full of invasives. If they were removed, more native plants could grow and would look more beautiful and natural.	11/20/2020 11:58 AM
458	Love it	11/20/2020 11:47 AM
459	Well maintained	11/20/2020 11:33 AM

460	Fine?	11/20/2020 11:22 AM
461	Love the new work around the cliff walk and children's' garden. More, please!	11/20/2020 11:12 AM
462	Nice, but there could be more shaded areas, especially in summer.	11/20/2020 11:01 AM
463	Just fine	11/20/2020 11:00 AM
464	no opinion	11/20/2020 10:39 AM
465	great job in recent years	11/20/2020 10:32 AM
466	They're beautiful and natural	11/20/2020 10:21 AM
467	good	11/20/2020 10:11 AM
468	Good	11/20/2020 10:09 AM
469	Fine	11/20/2020 10:04 AM
470	Could use some thinning in spots	11/20/2020 9:47 AM
471	Love it!	11/20/2020 9:43 AM
472	They look good	11/20/2020 9:38 AM
473	I like the clearings and expanded views	11/20/2020 9:35 AM
474	In line with what it should be.	11/20/2020 9:32 AM
475	Nice	11/20/2020 9:27 AM
476	I'm happy the town is working to rid invasive plants.	11/20/2020 9:23 AM
477	We love the Children's garden. Cliff walk could be improved once the invasive are removed	11/20/2020 9:21 AM
478	It's good and all the changes are beautiful. I just got want you to go too far and lose the natural beauty of the park	11/20/2020 9:20 AM
479	It's beautiful!	11/20/2020 9:17 AM
480	There should be a balance of enhancing native species where it is budget friendly. In other words I don't think too much preservation and stewardship funding should go to these efforts when other structures need attention/preservation.	11/20/2020 9:16 AM
481	Good	11/20/2020 9:13 AM
482	I am not an arborist, but the planted areas are adequately maintained. A more manicured look might not be appropriate.	11/20/2020 9:06 AM
483	Theyre doing a great job renovating it. Keep it up!	11/20/2020 9:04 AM
484	Need more, but they greatly enhance the park and provide habitat for wildlife. Plus it's our responsibility.	11/20/2020 9:01 AM
485	Lovely and important to keep tended to.	11/20/2020 8:28 AM
486	Beautiful, it is an outdoor park and should remain so	11/20/2020 8:26 AM
487	Managing invasive plants is crucial to any other maintenance.	11/20/2020 8:24 AM
488	Good	11/20/2020 8:14 AM
489	beautiful	11/20/2020 7:16 AM
490	Generally good, but in large open areas more large trees would improve the appearance of the park	11/20/2020 7:01 AM
491	Attractive	11/19/2020 10:59 PM
492	I'd like to see native natural habitat expanded and less mowed and paved areas. Recent native vegetation planting is a good start.	11/19/2020 10:50 PM
493	Better maintenance could greatly improve the visibility of the variety of species made available in the park.	11/19/2020 10:02 PM

494	test	11/19/2020 9:28 PM
495	I love it!	11/19/2020 9:21 PM
496	They're beautiful!	11/19/2020 9:19 PM
497	Still too many invasives , great job in starting to clean it up.	11/19/2020 9:06 PM
498	Pretty good	11/19/2020 8:24 PM
499	Need improvement	11/19/2020 7:52 PM
500	Wish there were both indigenous and specimen trees	11/19/2020 7:41 PM
501	I like them but have no strong opinion about them.	11/19/2020 7:36 PM
502	Well landscaped	11/19/2020 7:16 PM
503	They are exemplary	11/19/2020 6:39 PM
504	Love it.	11/19/2020 6:37 PM
505	Good	11/19/2020 6:32 PM
506	May need some attention. Invasives are uncontrolled.	11/19/2020 6:18 PM
507	Maybe more trees	11/19/2020 5:55 PM
508	Pleased with the improvements	11/19/2020 5:43 PM
509	Cliff walk looked way prettier a few years ago, nothing striking going on there these past few years.	11/19/2020 5:29 PM
510	They're lovely!	11/19/2020 5:24 PM
511	A little boring	11/19/2020 5:19 PM
512	They are fine	11/19/2020 5:12 PM
513	Continue to replace trees as they need to be.	11/19/2020 4:57 PM
514	Lovely	11/19/2020 4:54 PM
515	I like seeing the new tree plantings that will eventually replace aging and dying trees. I like the areas showing indigenous flora.	11/19/2020 4:54 PM
516	Fine, but not sure why it has to be so pristine all the time. Less mowing, less leaf blowing, less maintenance. Keep it more natural please	11/19/2020 4:51 PM
517	Well maintained	11/19/2020 4:50 PM
518	The trees and shrubs look good. Old stumps need to be removed	11/19/2020 4:49 PM
519	I like them	11/19/2020 4:48 PM
520	We love it!	11/19/2020 4:48 PM
521	could be expanded	11/19/2020 4:47 PM
522	Lovely	11/19/2020 4:32 PM

1	People are not abiding by the off leash dog rules. I don't think dogs should be allowed in the park.	1/10/2021 1:01 PM
2	All dogs should be on a leash, the park is for people. Why are dogs more important than people	1/6/2021 3:09 PM
3	Maybe early morning only. Tired of not being able to walk through the "offleash" area. Too many people act like it's a dog park for their use only, and a lot of those people don't even live in Cape Elizabeth. Also too many people with several dogs -- seem to be professional?	1/5/2021 2:25 PM
4	People need to actually follow the rules in the non-off-leash areas. I love dogs but don't need unfamiliar ones running up to me and my kids.	12/30/2020 2:54 PM
5	It is a small park and so many people. When dogs run free it is hard to find their poop. And they pee on places where children might play.	12/30/2020 1:55 AM
6	Off leash dogs do not belong near people or other dogs they don't know. And as anyone who is being honest knows the whole "under voice command" (ok, with the exception of service dogs) thing is a complete load of BS. And my wife and I both have the Robison Woods dog bites to prove it. The taxpayers of CE do not "owe" anyone a place to run their dogs.	12/29/2020 8:55 AM
7	Yes but we love to watch the dogs playing with each other and the kids.	12/28/2020 5:28 PM
8	All dogs should be leashed at all times	12/28/2020 4:08 PM
9	People don't follow the rules anyway. Why have them if never enforced	12/27/2020 8:42 AM
10	Because some dog owners don't follow them and it's easier to enforce a requirement for leashes everywhere.	12/24/2020 10:38 AM
11	Too many owners can't control their dogs!	12/21/2020 7:11 PM
12	There are many young children at the park. Dogs aggressively running up to, running over and nipping at children is unacceptable, irresponsible on the part of the town and continuing despite areas where dogs are allowed off-leash.	12/15/2020 4:05 PM
13	In general, in a place as busy as Fort Williams tends to be, it is best to always have dogs on leash and under control.	12/14/2020 9:14 AM
14	The park is for the safety of all humans, NOT dogs.	12/13/2020 10:29 AM
15	This is controversial and I know it's a measure that would never be approved. In the absence of a decent ACTUAL dog park, it really is the only option in the area, let alone the town. But people are very irresponsible with their pets, honestly. I always keep my dog leashed. I wouldn't push too hard for this, but if there was a decent movement behind this effort, I would join on.	12/11/2020 2:30 PM
16	Not everyone has their dog under control off lead. And, not all dogs are friendly, even with their owners who say they are. Leash laws/verbal control are there to protect the public, the dog and their owner.	12/10/2020 6:15 PM
17	I am a dog owner and I never would bring my dog to the off leash area.	12/10/2020 9:35 AM
18	Too many dog owners act as if this area belongs to them. I'm cautious about when I run there. Someone told my children not to ride their bikes too fast there or dogs would chase them. Maybe offleash hours like at Robinson Woods would work — other people should be able to use this area!!	12/7/2020 6:26 PM
19	This wouldn't let me make a comment and check YES. Off Leash areas are great IF people keep their dogs on leashes in other parts of the park. Many of us enjoy walking our dogs at the park, but do NOT appreciate unleashed dogs, so don't go to that part of the park. People who want their dogs off leash should respect others in the rest of the park.	12/7/2020 3:54 PM
20	No dogs, i like animals but there is just to many dogs and variables with children / people around to have so many dogs	12/5/2020 1:04 PM
21	dogs should be leashed in all public spaces. Otherwise go to a specific dog park where off leash is allowed. Unleashed dogs are a nuisance to dogs on a leash.	12/3/2020 5:51 PM

22	Already addressed this in safety portion. out of control	12/3/2020 5:35 PM
23	As dog companions for the 30 years we have lived in the Cape all that has happened is continued restriction of us and our dog companions. Looking back, I would have chosen another town to live in.	12/3/2020 9:50 AM
24	I am ok with having rules and regulations in place, but I do not want to see the off leash area go away. It is one of the few places I can take my dog to socialize and stretch her legs. I love meeting the other dog owners as well. They are the friendliest out of all the other areas I take my dogs too.	12/2/2020 9:04 PM
25	I'd be happy if dogs were allowed off leash without regulations.	12/2/2020 5:42 PM
26	the off leash dogs should be regulated to a fenced in area only. perhaps off in the corner of the park...	12/2/2020 12:13 PM
27	I see dogs off leash constantly - on the multipurpose field and in the parking lots.	12/1/2020 8:52 PM
28	I think the areas should be extended.	12/1/2020 2:33 PM
29	Unsafe!!!	12/1/2020 11:22 AM
30	I'm really a "Yes", but wanted to make additional comments: I am a dog owner, and very much enjoy, and hope to have preserved, continued utilization of off-leash areas at the park. That being said, there should be reasonable rules/regulations that relate to off-leash dogs, so long as those rules/regulations do not overly inhibit responsible dog owners' abilities to use certain areas of the park for off-leash pets.	12/1/2020 10:04 AM
31	Too many irresponsible owners with unruly dogs	12/1/2020 5:47 AM
32	This is a grey area, make it black or white...Meaning have all areas off leash or none at all	11/30/2020 3:49 PM
33	Not sure what this question means. I think there should be time and space for dogs to be off leash in the park.	11/30/2020 11:12 AM
34	The regulations that currently exist are plentiful and additional rules aren't necessary. Most of us who bring our dogs to the fort regularly know one another at least by sight and we do a good job self-policing and making sure this area of the park is picked up and that everyone is following the guidelines.	11/29/2020 11:27 AM
35	This is the first poorly constructed question, because the responses could be misinterpreted. Do we want off-leash regulated? Sure. Additional limits? Absolutely not. Continued off-leash space? Of course.	11/29/2020 11:06 AM
36	Maintaining off leash dog areas in the park is a top priority. There are very few remaining places in Cape Elizabeth where dog owners can take their dogs off leash to chase balls and run around a bit under voice control. This seems to work very well at Ft Williams. We have been taking dogs there for 20+ years and never seen a problem. This is a very big priority for us.	11/27/2020 10:59 PM
37	I think all dogs should be leashed at all time. Period.	11/27/2020 7:28 AM
38	Afraid of dogs	11/26/2020 5:08 PM
39	Not sure what this question means??? I do NOT think there needs to be more off leash rules and regulations and as a local Cape resident use the park daily to walk my dog off leash.	11/26/2020 11:17 AM
40	Off leash is begging for problems and interactions with other visitors to the park. As a runner, I have been "greeted" several times by dogs. Not good.	11/26/2020 8:15 AM
41	I do not think that there should be off leash areas. I think dogs should remain on leash in the park.	11/25/2020 9:48 PM
42	Would prefer no dogs in park as the off leash area makes that area too scary for non-dog owners.	11/25/2020 7:41 PM
43	This is ambiguous....do you mean having lots of regulations regarding off leash dogs or no off leash dog area. I feel there should be a well marked off leash area. The Fort is a lovely, convening location for dog owners and their pups. That should continue.	11/25/2020 4:02 PM
44	Perhaps it's time for the town to have a dedicated dog park. There have been too many times	11/23/2020 2:02 PM

	that adults and children have been bitten by dogs or have felt threatened by one.	
45	I think the dogs should be better managed for lots of reasons	11/23/2020 1:54 PM
46	Dog-owner levels of "voice control" are uneven at best. Off-leash dogs are incompatible with the other public uses of the park.	11/22/2020 9:58 AM
47	It is so important to protect access for people with dogs. It's part of what makes it so special.	11/21/2020 7:27 PM
48	My friend and I were almost attacked by a large dog in that area. The arrogant owner told us to read the signs and was unconcerned for our safety. It's a nice idea, but the problem is that the owners love their dogs more than ensuring that others are safe or fee safe. Dogs should be leashed.	11/21/2020 1:23 PM
49	Summer there should be regulations, but in the winter around the officers housing and picnic structure, off leash should be allowed.The rules are far too restrictive. We have walked our dogs there for 37 years and the off leash area has grown smaller and smaller every year.	11/21/2020 12:46 PM
50	Cape offers plenty of other opportunities for off leash dog activity.	11/21/2020 10:19 AM
51	There's a lot of abuse of the off leash rules. Go to leash only.	11/21/2020 9:44 AM
52	I feel so torn as I know this is an area that is accessible for people who cannot utilize a trail like winnick or Robinson woods, but still want/need to exercise their dogs. However, I just don't think that a highly trafficked park is the best space for offleash usage. Perhaps even seasonal like beaches?	11/20/2020 10:46 PM
53	I'm not sure I understand the question. Is it "should the park allow dogs off leash" (which is a rule)? Then, my answer is YES. The park is very large. It's certainly big enough to allow dogs to run off leash. If people are unhappy with that, the perhaps the signage for the off leash area should be more prominent.	11/20/2020 10:19 PM
54	It is Too dangerous and they take advantage of it.	11/20/2020 7:41 PM
55	There are too many violations of dogs off leash. Build a fenced dog park and enforce the rules.	11/20/2020 5:50 PM
56	Dogs should be leashed at all times in the park.	11/20/2020 3:59 PM
57	It takes away greatly from the experience of everyone else. It is not a dog park and was never intended to be one.	11/20/2020 1:38 PM
58	Safety and sanitation concerns	11/20/2020 12:48 PM
59	No because there is poor leash compliance through the park. People claim they do t know the boundaries and you find people all over the park with off leash dogs. This park is too populated to have off leash anywhere in the park. Should be on leash all the time to increase compliance.	11/20/2020 11:58 AM
60	I think there should be a contained area. Some of the dogs that take advantage of the space are not well behaved. This poses a concern when I try to walk around the park with my child	11/20/2020 11:47 AM
61	Just less restrictive ones	11/20/2020 11:22 AM
62	test	11/19/2020 9:28 PM
63	I'm not sure what this question is getting at. There is an off leash dog area, and it works well. please keep it the way it is.	11/19/2020 9:21 PM
64	I walk there most days and have seen too many instances of dogs out of owner control, I won't take my grandchildren there because dogs run up to them without owners even knowing it.	11/19/2020 9:06 PM
65	I can't answer this without knowing what the rules and regulations are.	11/19/2020 8:24 PM
66	Yes but no new rules and regulations.	11/19/2020 5:55 PM
67	Mixed feelings. Off leash means conflict and injuries. There are plenty of places in CE - Gull Crest and school grounds. Safety should be the primary concern. The more guests we have in the park the more risk of conflict with off leash. On the other hand, if Central Park in NYC can figure it out, we should be able to.	11/19/2020 4:50 PM

2	Dogs should be on leash, the park is the most utilized Park in the area. The dog walkers can go to less popular areas, such as fields across from the transfer station	1/6/2021 3:09 PM
3	let the dogs run all over.	1/6/2021 2:22 PM
4	Off leash should not be permitted. People still let their dogs poop on the playing fields	1/6/2021 10:30 AM
5	Don't know where else it would go -- limited early morning hours would probably be a better solution.	1/5/2021 2:25 PM
6	The entire park should be "on leash"	1/1/2021 9:54 AM
7	I don't care	12/28/2020 8:10 PM
8	All dogs should be leashed at all times	12/28/2020 4:08 PM
9	Unfortunately, there are numerous, inconsiderate dog owners who don't tend to their dogs. It's not possible to walk the perimeter of the park without walking through that off leash area. So, there's always a risk of encountering an off leash dog with no owner in sight there.	12/26/2020 8:47 PM
10	I think where it is now can interfere when youth sports are back in session as we cannot go on the field .. Maybe moving it further back--closer to shore road (the back path)	12/26/2020 7:54 AM
11	If you are going to have an off-leash area, that's as good a place as any in present location.... although they should not be on the Green at Battery Garesche	12/24/2020 10:38 AM
12	Am not dog owner but strongly support access for them. As friend of dog owners, I've enjoyed frequent walks with them. Never saw problems & owners seem responsible RE cleanup & control. Current area seems to work.	12/24/2020 9:53 AM
13	Dogs in public parks should always be on leash.	12/24/2020 8:54 AM
14	It is such a heavily used park and many people do not control thier dogs well enough by voice control that it can be dangerous. I have had many dogs run at me on a bicycle for example.	12/23/2020 2:54 PM
15	Would like to see it removed from seaside path entirely. I have been accosted by dogs at the far south edge of the park along the coastal path: The little private cul de sac that looks out over the ocean. It is within the off lease area, and dogs often bound into there without their owners. Sometimes they are aggressive. Most don't really respond to voice control. I like dogs that are under control by their owners.	12/21/2020 7:11 PM
16	NO off-leash area.	12/13/2020 10:29 AM
17	No opinion. Did not know it was there, honestly.	12/10/2020 6:15 PM
18	The field where the dogs used to run is now used as a playing field and a t-ball field has also been built in part of the off-leash dog area. This can make it difficult to actually let my dog run off leash when games are in session. Also, dogs have less space to run since the field where they used to be allowed is now a playing field and the dogs can no longer be on it.	12/10/2020 12:55 PM
19	No dogs should be allowed near the soccer field, as dog owners do not have control over them, especially when children are playing with balls in the area	12/10/2020 9:35 AM
20	I have no idea where this is currently or how it's managed.	12/9/2020 2:51 PM
21	Far from the ocean, not a prime spot. My husband always says dogs have the best part of the park! As I wrote to another question, maybe offleash hours like at Robinson Woods would work.	12/7/2020 6:26 PM
22	Concerns evey fall and spring for the safety of all by soccer fields. As president of CESC I am consistently asked about getting fencing around the fields or the dog play area.	12/7/2020 3:36 PM
23	I preferred the old boundaries, with less room on the lower field near the lighthouse and dogs being able to use the multi-purpose field. There are two types of people who walk their dogs in this area -- people like me who simply want to walk and spend time with their dogs, and people who want to socialize and watch their dogs play together. When dogs could use the athletic field, it was easier for people like me who tend to avoid the social groups and groups of dogs	12/5/2020 3:16 PM

playing, because most of the socializing and playing was on or near the athletic field and I could just walk the loop. Many people without dogs use this area as it's one of the most walkable areas of the park -- older folks, parents with kids on tricycles, runners, bicyclists, etc. Closing the multipurpose field to dogs did a disservice to everyone who uses this area, in my opinion. I find it far less pleasant. The town council voted to eliminate dogs on the multi-purpose field -- they'd have to reverse this decision for dog owners and handlers to be able to use it. Even if dog people could use it in the off-season that would help spread park users and dogs out a bit. As I stated earlier, the town also needs to clarify that this area isn't a dog park and that all park visitors are welcome and should be able to experience this part of the park without unknown dogs running up to them -- unless they welcome that, which some people do. Or just call it a dog park. As things stand now, different people have different ideas of what's acceptable here, and regular users set the rules, which is unfair to the public and creates conflict.

25	I'm not a dog owner so I may not understand exactly where the off leash areas start/end, but it would be nice if there was some part of the park where NO dogs are allowed whether on-leash or off-leash. For example: the Green at Battery Garesch would be a good candidate for this. I believe that is NOT an off leash area, but I still see dogs that are off leash and owners not cleaning up after their dogs. How about an effort to accommodate everyone? Areas for off-leash, areas for on-leash, and an area with no dogs at all?	12/3/2020 10:32 PM
26	It should be expanded	12/3/2020 5:52 PM
27	I am strongly opposed to off leash anywhere. People need to invest in their own fencing for such a thing.	12/3/2020 5:51 PM
28	location won't change lack of control	12/3/2020 5:35 PM
29	The only concern I have is that I frequently walk/run on the south end of the park and dogs are running free on the walking path. I would make just those paths on-leash. I've never had a problem but I have been approached by Dogs where I can't tell if they are friendly or not.	12/3/2020 5:29 PM
30	Dog off-leash area should not be shared with playing fields which forbid dog use during athletic seasons	12/3/2020 5:11 PM
31	I have been charged by several aggressive dogs off leash. Dogs should be leashed at all times	12/3/2020 4:52 PM
32	what is left?	12/3/2020 9:50 AM
33	I am ok with the new location. Maybe fencing it in a little could be helpful if that is a concern of others. I liked when there was a fence up by the soccer field separating the area. It gave the dogs some boundaries.	12/2/2020 9:04 PM
34	Not sure where it is	12/2/2020 7:16 PM
35	I feel the recent extension of the off leash area further down the Green toward the lighthouse brings the dogs (who are not always well controlled by voice commands) in too close a proximity to the general public viewing the lighthouse and also eating picnics or food purchased from the food vendors there.	12/2/2020 1:29 PM
36	Should be an enclosed area, just for unleashing. Dogs off lead who bother my dog will pay the consequences, no exceptions...	12/2/2020 12:24 PM
37	should be fenced in so the lack of voice control is managed.	12/2/2020 12:13 PM
38	I would like to see off-leash eliminated	12/2/2020 7:23 AM
39	Should be fenced in some way so it is super clear.	12/1/2020 8:52 PM
40	off leash areas should be very restricted	12/1/2020 11:22 AM
41	I like the current off-leash areas, but would like to see some expansion, given that off-leash areas of the park have been reduced in recent years.	12/1/2020 10:04 AM
42	don't think there should be any off leash areas in the park - too risky with children and visitors	12/1/2020 8:04 AM
43	Not sure where the current off leash space is. I think there should be an area for off leash dogs.	11/30/2020 11:12 AM

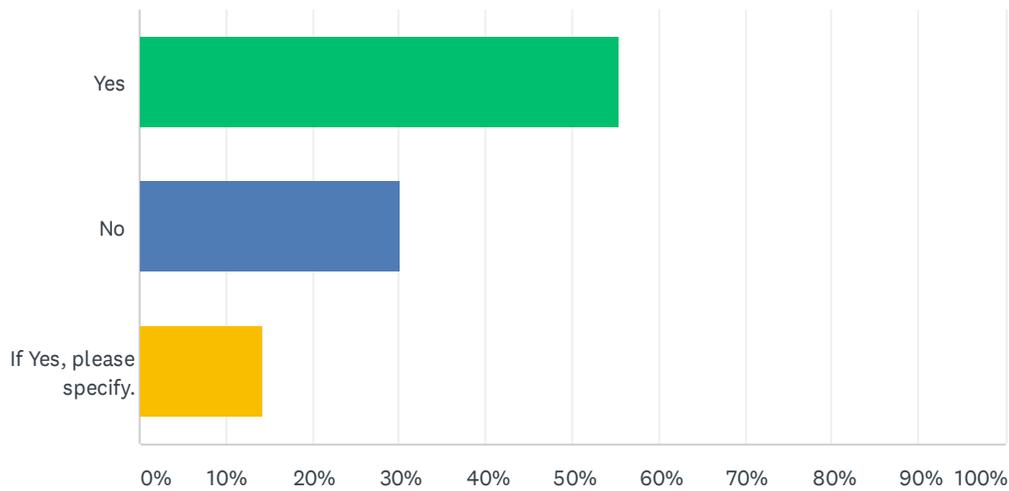

44	No, opinion. Do not want to be around unleashed dogs. I don't go there.	11/30/2020 7:16 AM
45	Seems to work well along path on southern edge of the park and the far end of the Green. This seems to meet the needs of dog walkers without bothering folks that don't like dogs.	11/27/2020 10:59 PM
46	The current area is the home of many birds. During Covid when dogs weren't allowed I saw many species in that area. Dogs thrashing through the woods does not make a good habitat for birds and that's the reason a lot of trails prohibit dogs or at least require them to be leashed at all times.	11/27/2020 7:28 AM
47	Would prefer no off leash area	11/26/2020 4:15 PM
48	I feel there could be more areas.	11/26/2020 2:11 PM
49	I am not sure where it is exactly. My dogs are 14 1/2 years and mostly blind/deaf, so I would never take them off leash. They do love to go to the park for a walk.	11/26/2020 11:08 AM
50	I don't approve of off leash dogs whenever people are in the park. If off lease make it before 8am Off-season.	11/26/2020 9:24 AM
51	I think it's in the right area for that park but it needs to be enforced. If people can't keep dogs in control they should not be in such a public spot. A dedicated off leash dog park could be set up elsewhere in town.	11/26/2020 9:06 AM
52	I don't think we should have off leash areas in the park.	11/26/2020 8:15 AM
53	I do not think there should be an off leash area.	11/25/2020 9:48 PM
54	As a dog owner, it really should be a fenced in area. Perhaps put the southwest preserve to good use.	11/25/2020 3:28 PM
55	The off leash area behind the Public Works building(s) is a good location; the "creep" of owners using more than half of the field next to the lighthouse is not acceptable. It affects pedestrians on both sides of the field. Please keep in mind that I am very fond of dogs; I am disgusted with dog owners who have no consideration of others and feel entitled to do as they wish.	11/25/2020 12:02 PM
56	I don't know	11/24/2020 10:12 PM
57	I am a dog person, but also recognize that not everyone is. I think particularly for visitors, they come into the unleashed area and sometimes get upset that the dogs approach them. I wondered if maybe the unleashed area was somehow more obvious that people who would prefer dogs not approach them could stay away from the area. I have always found the dog owners to be respectful, kind, clean, and to manage and keep their dogs and others safe.	11/23/2020 11:38 AM
58	Current off-leash area is shared with human pedestrian traffic. Unwanted contact with dogs is inevitable with this arrangement.	11/22/2020 9:58 AM
59	Should exclude the playing fields	11/22/2020 9:56 AM
60	I would like to see the off leash area adjacent to the rec field stay on the rec field not intrude on the path by the coast until the path veers away from the coast. The dogs just get too close.	11/21/2020 5:14 PM
61	There should be no place for this. See comment above	11/21/2020 1:23 PM
62	Yes, but it needs to encompass more area. First, the soccer field went in, then the area near the officers housing was off limits to unleashed dogs. It gets smaller every year.	11/21/2020 12:46 PM
63	It should not include the athletic field.	11/21/2020 10:19 AM
64	More like "maybe." It is stays there, it needs better separation from leash areas (e.g. a fence).	11/21/2020 9:44 AM
65	Expand	11/21/2020 7:20 AM
66	It is getting harder and harder to find off leash options for dogs in our town. It's a drag and encourages rule breaking behavior.	11/21/2020 7:08 AM
67	It is too adjacent to the headlight which is the highly trafficked	11/20/2020 10:46 PM
68	It is not a dog park and was never intended to be one	11/20/2020 1:38 PM
69	I love the off leash area and the beauty I get to see when I'm there with my puppy but I do feel	11/20/2020 12:46 PM

like it should be in an area where there are less likely to be random tourists walking by to enjoy the view. I would not want anyone to accidentally get hurt or scared by a dog.

70	Too close to the playground	11/20/2020 12:15 PM
71	There is no clear boundaries for the off leash area particularly in the field south of the headlight. How does a dog know it has to be on half a field, which is very close to Portland Head Light where we get thousands of visitors. All dogs are not under proper voice control.	11/20/2020 11:58 AM
72	It should be contained. Many dogs are not well trained and tend to approach/jump on other people. This poses a risk walking near that area with a young child	11/20/2020 11:47 AM
73	no opinion	11/20/2020 11:12 AM
74	I think it is quite unclear where the off leash dog area is. The signage and boundary clarification should definitely be better.	11/20/2020 11:01 AM
75	There should be no off leash areas within the park.	11/20/2020 11:00 AM
76	i feel that all dogs should be on leash	11/20/2020 10:11 AM
77	It would be nice to have a longer distance to walk	11/20/2020 10:09 AM
78	Would also like near entrance	11/20/2020 10:04 AM
79	This park given the number of visitors should be 100% leash only...as more and more areas around greater Portland eliminate off-leash access it moves that population to FWP...UNACCEPTABLE and UNMAGEABLE going forward! Voice control of your animal is a "fairytale" with how busy or park has become.	11/20/2020 9:42 AM

2	This doesn't seem something available to the public at all--my impression has been that a group can come in and groom it a bit and then use it. I haven't seen (or been aware) of this as a town-maintained public area. Signage about its use and a place to put on skates etc. would be helpful. Seems just kids playing hockey--which makes the ice unavailable for any other use. Could there be hours posted for different uses? Tests for ice safety as well?	1/2/2021 9:18 AM
3	Yes, the skating pond should be improved by fixing rock wall, better and more seating, and clean the pond occasionally	12/30/2020 11:14 AM
4	I would like to see lights and open evening skating on the weekends and school vacations. This would be such a great thing for the pre teens and teens.	12/30/2020 9:43 AM
5	Sure but if you're going to do that why not enhance the sk8ing at Great Pond instead? It has a million times more potential... WE COULD GET A ZAMBONI!!!!	12/29/2020 8:55 AM
6	The pond plants encroach on the area where there can be skating.	12/28/2020 11:57 AM
7	it's gotten rather grown-in. perhaps renew its skating purpose?	12/26/2020 11:36 PM
8	Not sure what "enhanced" means, but my children both skated at the pond for many years and aside from skating, it provides a refuge for wildlife. Don't get too fancy with it. What would be interesting is learning its history.	12/24/2020 11:14 AM
9	if the ice will safely support skaters, make it a priority to have town crews keep the ice nice as South Portland does in Mill Creek Park. If the pond is not safe, don't do anything	12/24/2020 10:38 AM
10	Did not know it existed. But then would it compete with the rink by the highschool?	12/24/2020 8:54 AM
11	No opinion as I'm not familiar with it.	12/23/2020 11:55 AM
12	Check for structural safety. Add little white lights in trees and music and a couple new benches.	12/23/2020 10:54 AM
13	I don't think any structures need to be added, but good maintenance of the pond itself would be wonderful. Perhaps some snow removal if/when the pond is safe enough for skating	12/21/2020 8:34 PM
14	It could be a huge draw in the winter, which is a time when the park is underutilized and also serve as a gathering space for locals even more than in the summer.	12/21/2020 4:37 PM
15	Maintain ice quality more, assure room for both figure skaters and hockey players, repair wall	12/21/2020 12:42 PM
16	Make it safe to skate on with regular maintenance.	12/15/2020 4:05 PM
17	Make it more inviting	12/10/2020 5:18 PM
18	Maintained and repaired but not altered	12/10/2020 9:35 AM
19	OR turn a big chunk of the parade ground fields into a skating rink that can accommodate many more people and be in the open sunshine (important on a cold day). Closer to parking as well.	12/9/2020 2:51 PM
20	"enhanced?" Really?	12/9/2020 9:47 AM
21	I mentioned this previously but a warming hut with benches and supplies to shovel the pond, perhaps even basic lights around it would be amazing. It would also be great to have a very rudimentary structure off to the side of the top of the sledding hill.	12/8/2020 1:04 PM
22	Seems like a perfect place to skate. Maybe have evening hours once a week...with lights?	12/4/2020 10:51 AM
23	I could see there being some natural enhancements like a fence and a few benches or small platform for skaters to safely put on skates while preventing the destruction of surrounding habitat.	12/4/2020 10:28 AM
24	Especially in the time of COVID, we need maintained, safe, outdoor areas. Providing a well-maintained skating pond through this winter could be an essential gift to the community by the town.	12/4/2020 9:28 AM
25	I like the pond, but it's definitely a little small for a town skating pond. Might not be doable but	12/4/2020 8:59 AM

	expanding the pond and adding a little shelter or something for winter days would bring more people out to skate.	
26	That'd be nice. That's a pretty area but very underused or accessed.	12/4/2020 8:24 AM
27	It would be great if there was a light or two or (and I don't know how difficult it is)...maybe if it could be plowed off?	12/3/2020 8:51 PM
28	just to updated a little.	12/3/2020 8:43 PM
29	Not sure.	12/3/2020 5:59 PM
30	Maintain the ice, add a warming hut and maybe even lights to encourage night time skating	12/3/2020 5:11 PM
31	Benches, warming hut	12/3/2020 4:54 PM
32	My kids are dying to have a location in town to pond hockey at that is maintained by the city. I think this is the safest option too. The kids would absolutely love it and there is a huge need for this here.	12/2/2020 9:04 PM
33	It can look a bit sad and tired at times, but is much too pretty a feature to be ignored.	12/2/2020 1:29 PM
34	"Enhanced" is open-ended. I'd like to see it maintained.	12/2/2020 7:23 AM
35	Have the ice cleaned for skating.	12/1/2020 2:33 PM
36	It is fine as is looks great no need to put more money in	12/1/2020 1:07 PM
37	It is a main draw for the park in the winter and needs to be upkept	12/1/2020 8:48 AM
38	More safety measures installed.	11/30/2020 5:11 PM
39	No opinion	11/30/2020 7:16 AM
40	Keep it in a safe, hygienic space in summer and winter.	11/28/2020 12:00 PM
41	If not too expensive.	11/28/2020 10:29 AM
42	It depends on what enhanced means. The algae has always been a problem. I don't think we need warming huts etc for skating	11/27/2020 7:28 AM
43	no further development please	11/26/2020 10:28 AM
44	Maybe some shelters for folks to lace up	11/26/2020 9:38 AM
45	It would be made even more lovely.	11/26/2020 9:13 AM
46	I am not all that familiar with that area for ice skating, but it sounds like a nice idea.	11/26/2020 8:15 AM
47	Warming hut? Area or bench for putting on skates.	11/25/2020 5:23 PM
48	Have never skated there but not sure if benches are in place. Could have a vendor selling hot cocoa/cider during the winter weekends.	11/25/2020 4:02 PM
49	Just mimic South Portland's at Mill Creek. Warming hut. Benches for changing skates.	11/25/2020 3:28 PM
50	Perhaps there is a way to enhance the area to the south or east of the pond to provide better access for skaters?	11/25/2020 2:20 PM
51	Just keep it safe	11/25/2020 4:50 AM
52	Unsure	11/24/2020 1:13 PM
53	Maybe for winter	11/24/2020 11:47 AM
54	To keep the pond ready for skating and to provide outdoor vendor with hot chocolate or warm snacks.	11/24/2020 11:41 AM
55	Only if you mean maintaining the ice. No one wants or needs a skate hut, etc. My boys love that it's just a skating pond.	11/23/2020 10:13 PM
56	It would be great to have dependable skating available!	11/23/2020 8:29 PM
57	Better access to the ice, Benches, a portable changing shelter like So Po has at Mill Creek	11/23/2020 1:54 PM

	Park.	
58	Weather permitting, similar maintenance to what South Portland does at Mill Creek park -- clearing snow, hosing down occasionally for fresh ice, etc. Consider a seasonal hut similar to Mill Creek.	11/23/2020 11:50 AM
59	I didn't know there was skating there!	11/23/2020 11:38 AM
60	The pond leaks; this should be fixed so water levels are more consistent during dry periods. Access areas and edges need safety improvements.	11/23/2020 9:12 AM
61	Yes, Skating can be a wonderful family experience and "free" activity.	11/22/2020 9:15 PM
62	Didn't know this question was coming, but as noted earlier, skating might be a great way to bring more use to the park during the winter months. I think it'd be a great feature for the community.	11/22/2020 7:50 PM
63	Absolutely. I was not even aware you could skate there.	11/22/2020 7:01 PM
64	The suggestions in this survey are making me consider ideas I haven't before. A skating pond with a warming hut would be so nice!	11/22/2020 4:35 PM
65	If people use it...do they?	11/22/2020 11:10 AM
66	Depends on what needs to be done.	11/21/2020 12:46 PM
67	I would love to think that if families and young people would use it more, the enhancements are a good investment. It's a beautiful spot, and if it were cleared and flooded so it could be used all winter, if enough families use it, I think it would be a great addition to the park.	11/21/2020 12:13 PM
68	I guess. I'm not a skater so am not a good one to answer this question.	11/21/2020 7:08 AM
69	Make sure it's accessible for skating with a removable bench or two for winter	11/20/2020 5:52 PM
70	Ice-skating on the pond could be awesome! Why not take some more care in preparing the ice, set up some places to sit, and even invite a food truck to serve warm things to help escape from the cold.	11/20/2020 12:46 PM
71	My husband and I were just talking about this.. it would be so nice to be able to skate there again.	11/20/2020 12:15 PM
72	Real skating in the winter would be amazing	11/20/2020 11:47 AM
73	I don't think I've ever seen skating here, but would love that!	11/20/2020 11:01 AM
74	Clean it out	11/20/2020 9:47 AM
75	Benches and a warming shelter would be cool	11/20/2020 9:17 AM
76	Benches, lights, a warming hut would be wonderful	11/20/2020 9:13 AM
77	It leaks, so in the summer, the water level is low/toxic. Also, there are goldfish in the pond, so the habitat is probably not great. It could support more wildlife, needs to be fixed.	11/20/2020 9:01 AM
78	The work that has been done is beautiful.	11/20/2020 7:01 AM
79	The skating area is great when conditions permit, but ideally, additional temporary skating could be created and actively managed as in Falmouth.	11/19/2020 10:50 PM
80	test	11/19/2020 9:28 PM
81	It would be great if it could be plowed. A small hut with a bench, like the one at the pond at Mill Creek, would also be nice.	11/19/2020 9:19 PM
82	Warming shack plow snow off surface	11/19/2020 9:06 PM
83	Regularly groomed and cared for if the weather permits.	11/19/2020 4:57 PM
84	Pond needs to be improved and weeded. Could be used for kids fishing or toy boats. Tennis courts are in terrible shape. Now that Pickleball has a dedicated facility the tennis area should be designated only for tennis.	11/19/2020 4:50 PM

#	OTHER (PLEASE SPECIFY)	DATE
1	Slight increases	1/8/2021 2:35 PM
2	Property taxes on residents should be a last resort. We are running a state park and if possible needs to self funding. A majority of the residents do not use the site regularly.	1/8/2021 12:41 PM
3	all the pop up stands with people peddling their wares should pay a vendor fee.	1/6/2021 3:09 PM
4	No fees for town residents	1/6/2021 10:30 AM
5	Once again, this question doesn't give enough info. How can you expect people to give a thoughtful answer to increasing rates when you don't say what those rates are? I think vendors add value to the park, and so I am saying "no" without knowing what they currently pay. Tour buses I would like to see limited, although I get that they add value by visiting the gift shop etc. Likewise B2B provides a huge donation, whereas other special events do not. So that is the caveat to my answers!	1/2/2021 9:18 AM
6	I don't know what many of the current fees are, however given that parking fees were only recently implemented, I would recommend waiting several years to fully assess the impact of that revenue.	1/2/2021 9:16 AM
7	I don't know what the current fees are for most of these, but I would say that the park should be easily accessible to the general public, both local and visitors. I support fees on special use and/or commercial applications.	12/31/2020 9:41 AM
8	Frankly, I would like to see the vendors removed. It makes for congestion and overuse. Otherwise I would increase all fees.	12/30/2020 9:43 AM
9	Free parking for Maine license plates.	12/30/2020 1:55 AM
10	The more you charge, the greater the expectation of service, maintenance, and management. It is a beautiful, local treasure and a unique experience. It is not a state or national park. Let's keep it that way!	12/29/2020 1:43 PM
11	I am not sure that park should be owned by one town, it is a regional gem, and a national land mark. Maintaining local access while balancing tourism is a challenge. many questions on this survey were not simple yes/no choices, so not a good survey because forcing choices that may not reflect the best outcome. Having regular shuttle buses to the park could relieve issue of parking and social and economic costs of traffic to surrounding communities. This park represents priceless access to beauty and open space that should be accessible to all local people. Longfellow used to walk from Portland, walks could be encouraged, perhaps made more feasible by combining with public transportation in some way. Cost of entrance should not be a barrier for local people. I would think at least the direct costal parts of the park should be a national monument or a state park while areas closer to shore road fit more reasonably into Cape Elizabeth. As a non Cape resident, i fear that the town may not be able to manage the area as a public treasure with access for all.	12/29/2020 10:21 AM
12	Increasing other ways to access to the park instead of car is important. Ensure the roads and pathways to the park are safe and accessible for biking and walking. The park needs to be put in the context of the surrounding areas--links to other places, safe places for non-vehicle traffic.	12/29/2020 8:09 AM
13	remove the vendors - they do not belong in the park	12/29/2020 12:26 AM
14	Get rid of the vendors. They're an abomination. Keep that shit outside the park	12/28/2020 8:10 PM
15	Don't have enough info to answer this.	12/28/2020 6:49 PM
16	I am answering yes, but I don't know what the fees are now, so I really don't know if they are in line with other venues.	12/28/2020 11:57 AM
17	Increase, and enforce, parking rates. Increase for out-of-staters in particular. Reduced price for Mainers. And, continue the reduced price seasonal pass for Mainers. The increase in out-of-state parking fees will generate more revenue and reduce congestion at the same time. But, it's also extremely important that there be enforcement. I'm at the park virtually every day and less than half of the people I see there actually pay for parking.	12/26/2020 8:47 PM
18	Parking fees are too low. You could easily DOUBLE the fee, and just as many people would come. Buses should have to pay more than they do.... they can easily pass on the fee with	12/26/2020 5:08 PM

	little impact to their passengers.	
19	It seems important to keep taxes at a reasonable rate that the park does need to generate some income while keeping the natural beauty intact.	12/26/2020 12:24 PM
20	We need a longer time frame, sans Covid, to get a better sense of what parking meters will bring in before deciding on any fee change.	12/26/2020 10:06 AM
21	Unless folks are Cape residents and then these should remain low cost or free	12/26/2020 7:54 AM
22	Make those tour buses pay for using the park, and the town's streets. They unload so many people, pretty much most of the year...have the bus companies pay well for the use of the park.	12/24/2020 11:14 AM
23	Hmmmm. I don't know what all the fees are and whether or not they are already reasonable. I think they should be market rate.	12/24/2020 10:38 AM
24	Am ignorant of current rates & relative comparison to other venues. I see usage fees analogous to tax on recreational commercial biz - maximize for large scale or profitable operators & minimize for individuals / families. BTB is unique CE reputation brand & charity benefit - DON'T tax that event more.	12/24/2020 9:53 AM
25	There is no reason why philanthropy could not both improve and sustain the park without additional town resources IF it agrees to permanently conserve the whole part and empower the private sector as a leading philanthropic partner. This message has been delivered by professionals and experienced volunteers over many years. As an expert of the largest conservation easement and philanthropic projects in the New England region, I know \$10M to \$15M or more could be realized in a conservation campaign to support and sustain operations at Ft. Williams with perpetual benefit to Cape residents and its other vital priorities including schools.	12/24/2020 8:52 AM
26	I feel that the park should be free to tax paying residents.	12/23/2020 10:54 AM
27	I honestly do not know what the fees are so can't speak to whether they should be increased - in general I think user fees should help maintain any public space so that those that use it are the ones that help fund it.	12/23/2020 7:37 AM
28	As a resident of Cape, I really appreciate our ability to park for free and hope this continues. It's a wonderful perk of living in Cape.	12/22/2020 12:52 PM
29	Increase parking fees for non-town residents.	12/22/2020 9:17 AM
30	However, any town events such as school events, Cape sponsored sports (kids soccer, little league, graduation, etc) should not have to pay - I dont know if they do, but I dont think they should.	12/22/2020 7:54 AM
31	Increase parking for non locals only	12/21/2020 9:47 PM
32	I do not know what the vendor rates are so I cannot speak to it. But, I would favor having vendors pay more if it is not too much. I like the the park is accessible to lower income folks so I worry about parking fees and events fees.	12/21/2020 8:34 PM
33	Don't know how much special events cost so can't evaluate.	12/21/2020 7:11 PM
34	Am not aware of current rates for vendors and special events/weddings in order to make an informed decision on the above question.	12/21/2020 5:15 PM
35	As I don't know what the rates are it is difficult to know. However the park is at capacity during the summer.	12/16/2020 8:26 AM
36	Please keep free for residents to park.	12/15/2020 4:05 PM
37	Need more information on what all the fees are currently bringing in. Particularly the parking revenue. I think we should look into a rental option allowing alcohol for functions held at the Picnic Shelter. I think it is worth a discussion.	12/15/2020 3:00 PM
38	Raise all fees significantly! It's time to implement a per-person entrance fee. Cape residents should get a free annual pass.	12/14/2020 12:31 PM
39	The parking fee is a great idea. I'm not sure how much it is but it should be low enough that people pay it and not cheat but high enough to make it worth it.	12/14/2020 10:37 AM

40	As much as I love the fact that the park is free, I don't think it would be unreasonable to implement a small parking/entrance fee. Tour buses have a much bigger impact than a passenger car, so charging them accordingly seems appropriate. In order to keep the park accessible to local people, perhaps offer an annual pass option.	12/14/2020 9:14 AM
41	Charge all out of state cars, buses and trolleys an entry fee to the park.	12/14/2020 1:33 AM
42	I feel rates should only be increase for events if necessary to maintain to park. For question 28, if the Friends of Fort Williams need funds for maintenance and upkeep of existing areas the town should help with that funding.	12/12/2020 5:25 PM
43	Parking fees are appropriate. Increasing them would not be fair to visitors.	12/12/2020 11:14 AM
44	should be free for residents	12/11/2020 4:18 PM
45	The fees should cover the cost of maintaining the park and improving the park.	12/10/2020 9:35 AM
46	I think the town should be responsible for general maintenance. I think the Friends of Fort Williams should be a fund raising for new projects. I think volunteers such as the Cape Garden Club and Friends volunteers should be utilized for maintaining the gardens but the town needs to help out with any needed heavy equipment or maintenance issues beyond what volunteers could do. If you raise fees for special events, you have to be careful that you don't price out vendors or be too expensive for special events. I think the Beach to Beacon event benefits the town in many ways beyond the actual event. Don't squander that good will.	12/9/2020 8:09 PM
47	Jut promote the gift shop more.	12/9/2020 9:47 AM
48	I really dont'	12/8/2020 1:04 PM
49	I feel the children's fun day at the park should be discontinued . I have personally seen the damage done by the installation of some of the rides and other equipment being installed. The children of today have too many planned events. They need to have more time to do their own play. Whatever happened to hide and seek and hopscotch?	12/7/2020 2:43 PM
50	The town should do away with using the parking vendor and purchase their own parking meter machines. It would be more cost effective	12/7/2020 12:37 PM
51	I think there is more nuance here than my answers indicate - more on a case by case basis re: special event fees. And the others, like vendor rates and bus rates should be reviewed yearly with eye on "market". Parking is tricky... having just been introduced, it should be increased any time soon. But again, keep an eye on it. Overall, these should be the bases of "earned income" for Park expenses - I don't recommend adding too many other sources or it will "tip" to feeling too commercial. I think you strike the right balance now. Expanding the gift shop revenue is also encouraged, as I mentioned above.	12/7/2020 12:04 PM
52	I would be in favor of adding general access fees	12/6/2020 9:29 AM
53	I'd like to see fewer special events, vendors, and buses -- again, the park is close to being over-used if it isn't there already. Parking fees could be increased. This is a FOFW issue but I feel there's huge potential for increasing funding privately, especially through bequests.	12/5/2020 3:16 PM
54	I don't know the fees so can not comment. Maybe we lower the cost so of managing the park.	12/4/2020 10:59 AM
55	it is hard to know how to answer this without knowing the current level of the fees.	12/4/2020 6:54 AM
56	As I understand it from discussions around the time of the parking kiosk project, rates have not changed significantly for a very long time. Tour bus operators and coach operators raise their ticket prices every year, but pay the same amount to enter the park. The same with Beach to Beacon. An increase in access fees does not need to be egregious and nobody wants the park turned into a cash cow. Our property tax increases are becoming unsustainable, and you cannot ask Cape taxpayers to fund the Park operation when you continue to ignore opportunities to make the park self-funding.	12/3/2020 10:32 PM
57	Parking fees shouldnt apply to cape residents	12/3/2020 9:02 PM
58	The idea that this park is free has to be dismantled. Someone has to pay. Maybe hire a grant writer to find money, otherwise, the fees need to be raised to meet the need.	12/3/2020 5:51 PM
59	This is the single, greatest issue in the park. The fees charged are woefully too low and way below a market rate that could generate significant revenue for the Town of Cape Elizabeth	12/3/2020 5:29 PM

which would contribute more to the town and ultimately materially lower property taxes for residents in the Town.

60	Hard to answer when I don't know the current rates and what they bring in...I would love to see more special events though. A fee could be charged. Art shows, exhibits, celebrations, festivals, etc.	12/2/2020 9:04 PM
61	I feel very strongly we should not increase parking fees and we should still have some areas that are free. We should try all other measures to keep this beautiful park accessible to all who wish to come. I wish to share what we are so fortunate to have. The only special event I would consider not increasing is Beach to Beacon as it is such a community event, I would not want to make it prohibitive.	12/2/2020 6:21 PM
62	Absolutely. It's crazy to me that we pay to maintain this beautiful park, we invite in people from far and wide, but we don't capture fees from them sufficient to maintain the park. I don't want costs to be so high that families from out of town can't afford to have a family picnic at the park, but that still leaves a lot of room to increase fees, especially from tour buses who clog up the roads and spew exhaust.	12/2/2020 5:42 PM
63	I don't disagree that rates should go up sometimes, but each should be decided on its own merits and discussed publicly. Recent town discussions of a huge increase in bus fees were disappointing when some members disclosed their goal was trying to limit the buses visiting the park by pricing them out of the park. Members who lived on Shore Road were concerned that the increase of buses on the road would reduce their own property taxes. Personal self interest should not be part of a discussion on the merits of commercial price increases, but it again illustrates the difficulty with the current 'them' and 'us' mindset.	12/2/2020 1:29 PM
64	Increase ONLY for non-residents....	12/2/2020 12:24 PM
65	You asked if it made sense to move town facilities out of park to make room for park functions. I'd oppose that for two reasons based on my current assumptions. 1. Moving them would cost money with no mitigating revenue and 2. I suspect the staff enjoy their duty stations right where they are: in a gorgeous park setting.	12/1/2020 10:01 PM
66	Consider no big buses next year. Covid will not be done and they are not needed. They add so much extra noise and pollution...	12/1/2020 8:52 PM
67	Seniors should be exempt from paying for parking	12/1/2020 8:50 PM
68	I feel the reported amount of revenue the park raised from parking and buses should pay for the fort improvements. I appreciate the natural feel of the park and don't like the idea of overdoing it. I would hope we would preserve/clean up what we have before building more structures. The park should be for everyone and that includes families and our family pets.	12/1/2020 2:33 PM
69	There should be annual dog walk privileges license. Dog Walkers from all of greater Portland use and profit from the free off leash area usage. Free for Cape Residents	12/1/2020 1:07 PM
70	I live in cape and bring a huge number of guests to Fort Williams by motorcoach. We need to discuss the actual fee structure for tour buses as the current fees are extremely high. We need to discuss what is a fair, reasonable and sustainable fee for all who use fort william's so the fees are sustainable.	12/1/2020 12:02 PM
71	Explore alternative revenue sources. Park could be completely self sufficient.	11/30/2020 7:19 PM
72	Robust non-commercial, personal access to this treasure should be promoted.	11/30/2020 3:16 PM
73	I think the rates should be priced accordingly based on the value provided - e.g. fair market rates.	11/30/2020 11:12 AM
74	Local people who drive should not have to pay more for parking.	11/30/2020 7:16 AM
75	Ability to buy a yearly pass for residents and frequent visitors. Similar to Scarborough Beach...	11/29/2020 8:39 PM
76	Consider economizing dog use. If there was an easy model, I would happily pay a modest fee each year to walk my dogs. You could have this be done at vehicle registration, at Cape Vet, etc, or something. Tricky to enforce, might work best with a suggested donation? Just thinking. The fort is a safe place for dogs and families, I know I walk there because my dogs can't get away and tick counts are very very low.	11/29/2020 8:10 PM
77	i would like the group to model what the fee increases would look like for the park to sustain	11/29/2020 3:59 PM

	itself. Perhaps it will still need funding but it would be an important exercise	
78	I think public parking fees sent the wrong tone for a city park. Coach fees should absolutely be higher. I am not aware of wedding/large event rates but agree that this should be increased rather than penalizing families from surrounding communities.	11/28/2020 7:05 PM
79	Still no charge for Cape Elizabeth residents	11/28/2020 6:32 PM
80	Increase fees but keep them still reasonable if this would help with the funding. Have Cape Elizabeth/SoPo Resident different rate structure and that might be different in the different seasons. I don't know what the rates are currently but probably Coach/Bus rates should be increased, BtoB rates should certainly reflect all the costs of having this event in our town but don't lose the event.	11/28/2020 12:00 PM
81	These charges are pretty marginal. A modest increase will enable the town to cover upkeep and maintenances of this park for use by both residents and visitors.	11/27/2020 10:59 PM
82	I really don't know what the rates are, never having used them.	11/26/2020 2:11 PM
83	I don't know what the current rates are. The Town should maintain the fees at typical and "whatever the market will bear" rates to maximize income without being out of line.	11/26/2020 12:39 PM
84	I do feel that it is important to keep the free parking area for Cape Elizabeth residents. As we have more and more tourism in the state, putting pressure on our local park, I am ok with increased fees for those who are "using" this lovely open area to run their businesses.	11/26/2020 11:17 AM
85	People love this park and are there no matter the weather. My neighbors are there on a daily basis, many of them with their doggies. I moved here because the park is across the street. I think it is wrong to charge admission to public parks unless it is a special event. We pay a lot in taxes, and not everyone can afford the price of admission. The park should be available to everyone regardless of ability to pay.	11/26/2020 11:08 AM
86	PRIORITIES = . increase wildlife habitat and minimize erosion!! The overflow parking area is getting ruined . There needs to be a way to have locals that truly love the park as part of their daily lives be able to freely use the park and not see it ruined by increasing crowds. We need a plan to deal with the increasing crowds. Stop creating new attractions.	11/26/2020 10:28 AM
87	I am a minimalist regarding the park. I think the revenue from usage fees just promotes more development, higher costs, and the next question is even higher fees or Town contributions	11/26/2020 9:28 AM
88	Increase bus fees , wedding fees, private event fees most, no parking fee increase, small vendor fee increase more vendors want in vs cost to get in, always, always free access and parking to Cape Taxpayers.	11/26/2020 9:24 AM
89	Not a dime of property taxes should be spent on fort Williams. It is self sufficient and should contribute to the town revenues, not detract from it. All of these grand plans for the park need to be tempered by the reality of fiscal responsibility. As a cape tax payer I'm dismayed that we're apparently considering spending more money on a park that should be paying for itself.	11/26/2020 9:13 AM
90	Portland advertises the park as a primary tourist destination but my understanding is that they do not contribute — why not? Many South Portland residences use the park as often as Cape residences, why are they not contributing? Seasonal Parking fees should be very low for residents and at least double for non residents — or their towns should contribute to upkeep.	11/26/2020 9:06 AM
91	I think individual parking fees should be stopped.	11/26/2020 8:00 AM
92	My Dad offered to donate the funds for the Cliff Walk so everyone has access to the amazing views offered. He knew many immigrant family utilize the Fort for family functions. He and I felt/feel that the Fort should be a free and open place for the public to enjoy. Care and upkeep are expensive...that is why I mentioned earlier it would be beneficial to have a few events that can raise a portion of the operating funds.	11/25/2020 4:02 PM
93	The current fees are way too low and have been for a very long time -- you represent the citizens, not the vendors. We're not running a charity. Double the bus and trolley fees. Call their bluff. Who cares if they go away? The residents don't. I'd gladly pay an additional \$100 a year in property taxes if it meant drastically cutting back on tour bus and trolley volume.	11/25/2020 3:28 PM
94	Fees for out of town users should be increased . Anybody who makes money from the park should pay fees to the park.	11/25/2020 3:06 PM

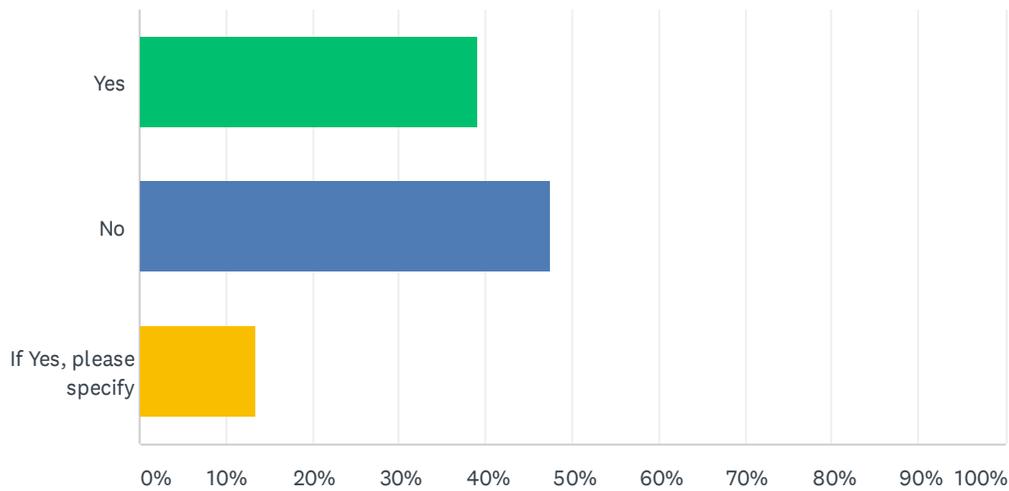

95	Busses should be priced to drastically reduce the numbers entering the park, ideally Limit the use to trolleys only with limited numbers . Busses are destroying the character and feel of the park and doing damage to the road ways and air quality and horribly impacting neighbors along shore road.	11/24/2020 9:01 PM
96	I do not know what current fees are. No matter what they are for buses though, I think they should be higher! In 2018 and 2019, the buses seemed take over our park and, I believe, they only paid pennies for the privilege! The number of busses allowed in needs to be better controlled.	11/24/2020 6:54 PM
97	Parking fees in 2019 was fine. I should have gotten season pass earlier in the year.	11/24/2020 1:13 PM
98	I don't think there should be any free parking to non-Cape Elizabeth residents.	11/24/2020 11:41 AM
99	Parking fees for non residents. Residents already pay for park operations.	11/23/2020 8:47 PM
100	Make money off the tourists more so than the locals. I'd love to be able to buy an annual parking pass.	11/23/2020 8:18 PM
101	It would have been helpful to know what the current fees are but I have a feeling the vendors are paying a reasonable rate. Town residents should be able to park for free or for a discounted annual rate. Perhaps we could have yearly dump stickers that would allow access to the fort as well.	11/23/2020 2:02 PM
102	As a non-resident, we have contributed annually to Friends of Ft. Williams because we use the park daily for dog-walks. I would rather be able to make a direct donation to the Town of Cape Elizabeth for park maintenance.	11/23/2020 12:27 PM
103	I don't really know enough about fees to comment on this.	11/23/2020 11:38 AM
104	I don't support increased town taxes for enhancements. I support taxing visitors for such improvements.	11/23/2020 11:30 AM
105	We feel strongly that this is a park that should be shared with our neighboring communities like South Portland for free. We feel strongly that the Park should be maintained as simply as possible, with no further development, so that we can maintain it sustainably at the lowest cost possible.	11/23/2020 10:12 AM
106	Stop charging everybody!! We have a gift! We should share	11/22/2020 9:01 PM
107	I'd like to see parking rates stay low and seasonal. I think having the park be accessible is important. However, I think charging more for vendors and businesses (tours) makes a lot of sense.	11/22/2020 7:50 PM
108	I thought those ecology improvements were paid for by the town. Those have been the real improvements to the park, if increasing fees would get us more of those then yes.	11/22/2020 7:01 PM
109	I've done B2B a good number of times, & would be happy to pay fees to keep the use of the park as our celebration finish!	11/22/2020 1:27 PM
110	There are a couple of hard questions without context that you've asked us to answer. I happen to have a little knowledge about what the B2B is charged. I don't think it makes a hoot of difference to people coming on a tour bus if you charge another \$5 or so. I don't know what the parking fees are as I am a resident. It should probably reflect the street rate in Portland. Parking rates are not going to keep out of town visitors from enjoying the park. ESPECIALLY if there are signs saying the fees go directly into enhancing the park experience.	11/22/2020 11:10 AM
111	Small increases in prices.	11/22/2020 10:35 AM
112	Offer people to rent the lighthouse as an overnight retreat!	11/22/2020 7:28 AM
113	Different parking rates for Mainers and out of staters	11/21/2020 7:27 PM
114	I've said yes to increase some fees, but I don't know what those fees are...that would be good to know before answering the above questions. I only know that it should be fair so as not to discourage all that want to enjoy this space, but enough to offset the maintenance of our very special park.	11/21/2020 3:05 PM
115	If more revenue is required.... perhaps have a "tour ranger"	11/21/2020 1:36 PM
116	Why is it that people in government seem to think that improving things that are already fine is	11/21/2020 1:23 PM

	necessary? Stop wasting money and lower taxes.	
117	I don't know if the vendors at the entrance to the parking lot are charged a fee, but they should be.	11/21/2020 12:46 PM
118	I would need to know how much money is generated through all of the above. I would hope that a reasonable portion of money generated by park use be used to maintain and enhance the park. I would hope that that money be used toward ecology projects, etc.	11/21/2020 12:13 PM
119	I'd be even happier to get rid of the buses. It's been so lovely to not have them around this year!	11/21/2020 9:44 AM
120	These usage fees need to be uaed for the upkeeping of the landscape.	11/21/2020 9:30 AM
121	Can't answer this as I don't know the fee structure.	11/21/2020 7:08 AM
122	Rates for special events, weddings, private events, etc., should cover the costs of hosting them. For special events like the B2B overall town income and cost for the event should factor in.	11/20/2020 11:05 PM
123	As I have already said I think the park benefits visitors to the detriment of enjoyment by its residents	11/20/2020 9:39 PM
124	The town has lost over 20 years of not collecting any fees. That is just poor business planning. Now is the time as People from All over the world will pay to attend the park !	11/20/2020 7:41 PM
125	Add more event space for rent	11/20/2020 7:38 PM
126	Not enough information to comment	11/20/2020 5:50 PM
127	A restaurant could be a place to raise funds needed to maintain the park.	11/20/2020 3:59 PM
128	Encourage bikes and walking as much as possible.	11/20/2020 12:48 PM
129	I think we should have a admissions gate and charge a fee. This could be free for Cape residence (we already pay for it with our taxes) have a discounted rate for towns close by, have an annual pass, etc.	11/20/2020 12:46 PM
130	Consider gate attendant and payment for all non residents	11/20/2020 12:31 PM
131	Parking meter fees could/should be slightly increased over time.	11/20/2020 11:58 AM
132	Parking fees could go up over time, depending on what we see what we can get in non-COVID times. The current situation seems fine, esp. accommodating locals.	11/20/2020 11:12 AM
133	The operating expenses of the park should be 100% covered by the revenues generated within the park.	11/20/2020 11:00 AM
134	you have to monetize this asset--our taxes are too high	11/20/2020 10:32 AM
135		11/20/2020 10:11 AM
136	This park should be revenue neutral to the TAXPAYERS OF CAPE ELIZABETH.	11/20/2020 9:42 AM
137	Only increase if necessary	11/20/2020 9:20 AM
138	Increase fees to any out of town visitors. Not to CE residents	11/20/2020 9:13 AM
139	I'm not aware of the rates you've asked about. It would help if we knew. Some charges may not be enough and others too much. I'm not sure. In answering the following question, I wasn't aware that the money from parking meters was used in that manner. Seems some of that money should go back into the park!	11/20/2020 8:28 AM
140	I do not know the current fees. Impossible to answer many of these questions without more information.	11/19/2020 10:59 PM
141	Annual pass for non residents.	11/19/2020 10:50 PM
142	test	11/19/2020 9:28 PM
143	The tour buses stink! They have the most negative effect on the park. They should pay a premium for access to the park.	11/19/2020 9:21 PM

144	Why does profit made in the lighthouse store not go into the fund to maintain the park?	11/19/2020 9:06 PM
145	We need to realize that to maintain the Park, we need more funds. If you have revenue to maintain the stress of use, it will always be a jewel not a mediocre place to visit.	11/19/2020 6:37 PM
146	Extend parking season a few weeks on each end	11/19/2020 4:49 PM
147	Should hold art in the park, makers markets or a 4-week summer concert series to raise money too	11/19/2020 4:48 PM

1	I guess I'm a maybe on this because I don't really know what it means. But if we can make the park more financially self-sustaining, without keeping people away due to cost, then yes.	1/11/2021 11:04 AM
2	Only if it doesn't encroach on the public's enjoyment of the park	1/8/2021 2:35 PM
3	I would love to see Goddard mansion developed for this use. (Or the childrens' garden area.)	1/2/2021 9:18 AM
4	With size /time limits	1/1/2021 4:08 PM
5	There are so many beautiful areas at the park that could be rented out for events.	12/30/2020 9:58 AM
6	It is annoying that the park is rented out as much as it has been. The silver lining of COVID Was to reduce events.	12/30/2020 9:43 AM
7	Only to increase funding but it should not limit use of the park	12/30/2020 1:55 AM
8	yes for cultural events, live music or theater	12/29/2020 12:15 PM
9	see previous answer, this is precious open space that our planet needs. there may be an appropriate yes answer given some circumstances, but the primary goal would be to protect open space.	12/29/2020 10:21 AM
10	yes, but should also make it available to community groups, especially underserved communities. Should not be the same price for all events.	12/29/2020 8:09 AM
11	Only if it doesn't contribute to wear and tear on the park	12/24/2020 12:35 PM
12	I checked "yes" so I could leave a comment. My real answer is "maybe" or NO! It depends. Earlier in my comments I said we should not be encouraging MORE people because the park is over-loved in many areas and is a tourist destination. It has already lost the character of being a town or regional park, seemingly making it more attractive as a "destination." Events such as the Portland Symphony are lovely gatherings... but let's not invite Phish. It's all about what the park can really sustain and not push locals away.	12/24/2020 10:38 AM
13	Carefully assess allocation of usage rights to balance limited resources & preserve access to small groups.	12/24/2020 9:53 AM
14	For residents	12/24/2020 8:54 AM
15	Special events, such as birthdays, weddings etc. could help to support funding for the park.	12/23/2020 10:54 AM
16	If it can be a money maker to help defray park costs	12/14/2020 10:37 AM
17	more picnic pavilions	12/10/2020 5:18 PM
18	Perhaps the parade grounds could be offered as a venue for outdoor concerts and also an annual art festival location.	12/10/2020 2:14 PM
19	Evening theater Maybe out side movies small concerts the symphony community dinners art in the park	12/9/2020 8:09 PM
20	Only if bathroom facilities and trash receptacles are increased. Also if the shelter had a better system that a caterer could set up more easily then we could perhaps charge more for events. Right now, the renter doesn't get a lot for their money in terms of event support to have it run smoothly including the wifi and cell coverage again as part of this. Perhaps permanent holes to erect tents by the shelter or more electrical capacity.	12/8/2020 1:04 PM
21	Where does the parking money and rent from food vendors and others go to? I was under the impression that the funds raised were to fund what was need and avoid town raising taxes to fix these things.	12/8/2020 9:12 AM
22	Only during off season	12/7/2020 7:32 PM
23	Not sure if I mean yes or no! It all depends.... ha! What are the trade-offs? Is the revenue worth the wear and tear, the extra staff time, the interference for regular visitation (noise, places off-limits, etc), the additional traffic? And do you mean adding AREAS for rental? Or adding EVENTS? I would hate to see a large event every week, so I'd encourage setting some sort of cap by size or area. Please don't take away the serenity and beauty of the Park for a few extra bucks!	12/7/2020 12:04 PM

24	Should continue to make available to groups attending handicapped individuals, school outings as well as perhaps capitalize on on annual corporate gatherings.	12/7/2020 11:15 AM
25	Maybe there is one dedicated area up beyond the children's garden.	12/4/2020 10:59 AM
26	It could consider it.	12/4/2020 10:28 AM
27	It's worth it if it means raising funds for the park. It's sad seeing the mansion and the batteries in disrepair.	12/4/2020 8:59 AM
28	Maybe? I know nothing about this. But it sounds like a good potential revenue stream. Priority should ALWAYS be maintaining integrity of the park though. If there's any risk of ecological damage or impact, then I say no.	12/4/2020 8:24 AM
29	Not sure. Would like more information.	12/3/2020 5:59 PM
30	income generator. Weddings would abound.	12/3/2020 5:51 PM
31	There are many opportunities for various functions (gatherings of people besides just weddings and graduation) that could create revenue for the Park/Town.	12/3/2020 5:29 PM
32	An improved Goddard Mansion could be an event venue	12/3/2020 5:11 PM
33	To town residents	12/3/2020 5:02 PM
34	Yes, see above.	12/2/2020 9:04 PM
35	Concerts, classes, ceremonies, etc. could be wonderful by the parade grounds with new seating	12/2/2020 8:41 PM
36	Possibly, but I think it would depend on the function.	12/2/2020 3:05 PM
37	Renting function areas for parties, weddings, etc has proved very popular and seems to work well. Renting areas to large commercial businesses, like the LL Bean experiment this summer, might be more problematic and would have to be carefully thought through, especially with parking already at over capacity.	12/2/2020 1:29 PM
38	There are a lot of opportunities to bring events to the park that could increase exposure and revenue to continue upkeep of the park.	12/2/2020 12:13 PM
39	Community art shows (as they had in the past), concerts and other functions to help with revenue but not to overwhelm the park.	12/1/2020 2:33 PM
40	Yes I would like to recommend we look into a fundraising event that supports project graduation, Chewonki and fort williams at the same time. These are huge milestone events for the children that grow up in cape elizabeth and would like to look into a way for an event at Fort Williams that can bring in the necessary profits to support these and possibly other activities. The Yarmouth Clam Festival model is something that we should look at as we discuss this idea. not the actual event but where the profits are given. maybe the organizations that benefit need to be adjusted but this is as starting point. If we build a visitors center maybe an event space can be built at the same time that can be used by local residents at a reduced rate and open to public for a much higher fee but we need to have strict requirements on dates and times that the space can be used. This could create a huge revenue stream to make fort williams self sufficient and also give back to the town. maybe looking into a way to have a sound proof room for events that would not impact those who are visiting fort williams.	12/1/2020 12:02 PM
41	Should defray residents cost for maintenance	12/1/2020 5:47 AM
42	If some of the buildings were improved than yes.	11/30/2020 5:11 PM
43	This could be a wonderful spot for special events and a a great opportunity for the town to bring in some revenue while showcasing the park/town	11/30/2020 3:49 PM
44	In a thoughtful manner. Don't want too much crowdedness. Would be neat to have some great events there.	11/30/2020 11:12 AM
45	Post Covid, little rental nooks could be great.	11/29/2020 8:10 PM
46	The park is a spectacular site for outdoor gatherings. We've learned during the pandemic how important outdoor spaces are. Would be nice to expand use by groups in Cape Elizabeth and	11/27/2020 2:07 PM

the greater Portland area - like concerts, annual picnics for nonprofit and community groups, and special events liketh 2019 4th of July gathering for the recently arrived asylum seekers.

47	On a limited basis. The park is large enough for more use. And, the need for more funding is there!	11/27/2020 9:32 AM
48	Within reason. Functions should not become so numerous or all-encompassing that the people who come to the park don't have access to the areas they like to frequent.	11/26/2020 11:08 AM
49	Only for new Limited expansion to areas already used for the purpose.	11/26/2020 9:24 AM
50	So long as events do not interfere with others enjoyment of the park	11/26/2020 8:15 AM
51	Possibly but I don't know what that would look like.	11/25/2020 4:02 PM
52	Build the amphitheater.	11/25/2020 3:28 PM
53	Family reunions	11/24/2020 1:13 PM
54	This is a coveted spot and the town/park could generate significant revenue from select events throughout the summer and early fall. Private events and/or public events.	11/24/2020 11:41 AM
55	I had to say no because there is no indication of what it might be. Need more info.	11/23/2020 8:47 PM
56	create one designated area for functions	11/23/2020 4:45 PM
57	Yes but needs to be heavily restricted.	11/23/2020 1:54 PM
58	Again, I don't really know enough about this to comment.	11/23/2020 11:38 AM
59	A shelter or tent site near the beach and/or adjoining Goddard Mansion might be popular. If a route were mapped out, it could be used for special running or snowshoe racing events.	11/23/2020 9:12 AM
60	Maybe	11/22/2020 9:01 PM
61	If the money will improve the park yes.	11/22/2020 7:01 PM
62	As long as there is a firm limit on the number of participants, parking and noise involved - with someone from CE government checking that people abide by the rules.	11/22/2020 4:39 PM
63	Consistent with "good neighbor" policy	11/22/2020 3:10 PM
64	Yes...see above re: The Goddard Mansion	11/22/2020 11:10 AM
65	Concerts	11/22/2020 9:44 AM
66	I see this as necessary for revenue and for the common good..people want to use the park. That's ok. But some sort of "loadlimit " should be considered. I wouldn't want events before 9 am. I wouldn't want a weekly event that drew over 300 people and cars. I would be in favor of hundreds of Walkers or bikers arriving for an event, but the trappings of that event would have to be limited. Like...if you walk or bike to the park you get access to some event.	11/22/2020 8:26 AM
67	It's a park- we should not put up unreasonable barriers- so I would compare to other parks to make sure we do not make it exclusive.	11/21/2020 7:27 PM
68	If you are going to continue to increase your budget while people in Maine are financially suffering because of irresponsible gov't management and now covid, just stop wasting money on unnecessary things and charge people to use the park this this type of activity.	11/21/2020 1:23 PM
69	Depends what the activities are.	11/21/2020 12:46 PM
70	I would need to look at,park balance sheet to answer this.	11/21/2020 12:13 PM
71	Only to nonprofits in Cape Elizabeth. Perhaps a Winter Carnival for fundraising purposes.	11/21/2020 9:30 AM
72	But not close the park when these take place. No one should be able to rent the whole park.	11/21/2020 7:08 AM
73	Only if it is done in good taste	11/20/2020 7:41 PM
74	In a limited capacity	11/20/2020 7:28 PM
75	Could rent the bleacher area and larger open space areas.	11/20/2020 2:42 PM
76	Gazebo, Picnic shelter, Goddard (understanding that it requires repair and community support),	11/20/2020 11:12 AM

possibly an area for craft vendors -- Higher fees if for personal or small group use, lower if for benefit of community and visitors. We wouldn't want the fees for users or vendors to be so high that it's a disincentive.

77	Maybe but not if it will close the park	11/20/2020 9:20 AM
78	I would not like to see the park overly commercialized, but encouraging more small scale community events might be appropriate.	11/20/2020 9:06 AM
79	test	11/19/2020 9:28 PM
80	I'm not sure if this is a good idea or not.	11/19/2020 9:21 PM
81	Why not?	11/19/2020 8:24 PM
82	well, not for large events/functions...at one point, The Portland Symphony Orchestra had an evening, which was very nice. I am worried that we are encouraging more and more people to come into the Park, making it feel overcrowded and much less peaceful.	11/19/2020 5:39 PM

Q31 The park is an important part of the community fabric for residents and visitors alike. The Fort Williams Park Steering committee appreciates your opinion and comments as they are a key component to maintain the vision and vitality of the park. Please take a moment to offer any final comments.

1	There are many, many things to maintain within the park, but I have always been impressed with the park and its condition. Cape Elizabeth Public works has a lot of work to do and they do a wonderful job.	1/12/2021 7:52 PM
2	It's a Beautiful place - let's keep it that way !	1/11/2021 12:57 PM
3	I appreciate everyone's hard work and dedication to keep the park looking as good as it does. I worked as EMA director for ten years and was in charge of the Civil Defense bunker on the cliff overlooking Ship Cove Beach. My predecessor passed along some history of the Fort when I took over. I am happy to see the Fort (Park) and the history preserved.	1/8/2021 2:35 PM
4	please stop destroying the wildlife and bird habitat	1/6/2021 3:09 PM
5	love the park.	1/6/2021 2:22 PM
6	The Fort Williams Park Steering committee has done a great job over the years preserving the integrity of the park. Even though it is an attraction, you guys have done a great job to keep it local at heart.	1/6/2021 8:21 AM
7	I grew up biking as a child to Portland Head Light... I can not say enough on all the improvements. We used to hang out at the castle in the buildings. Portland Head Light is a treasure. I take photos of the most beautiful sunrises which never gets old !	1/4/2021 1:44 PM
8	Please consider that answers to these questions are being given with very limited info e.g as to what current fees are, estimated costs of various projects, or what the lack of conservation easement in unspecified areas means as a practical matter. I really hope the town doesn't rely on the results of this study too much and uses this only as a starting point. In fact, I think that a caveat to this effect should be added to any publication of results of this survey, to reduce the likelihood that certain interest groups will use the results to argue there is some overwhelming public support, or lack of support, for one thing or another.	1/2/2021 9:18 AM
9	The park is beautiful, and busy enough. Please allow our neighbors in South Portland to enjoy the park without fees.	1/2/2021 9:16 AM
10	The park is used by many guests other than Cape Elizabeth residents. I feel they should contribute to the cost of maintaining the park.	1/1/2021 7:37 PM
11	Thank you for your hard work. Steve and Megan Maturo	1/1/2021 6:11 PM
12	Thanks for asking for public opinion and serving on this important committee. Fort Williams is what made me fall in love with Cape Elizabeth and decide to buy a place to make my home here.	12/30/2020 11:16 PM
13	The improved parking lots are great, but I would like them to remain the same in number. No more parking spaces.	12/30/2020 5:42 PM
14	Please keep the park accessible, clean, maintained, and preferred access and fees to town residents	12/30/2020 11:14 AM
15	How about a regular weekend shuttle (post-pandemic) to Fort Williams from the City of Portland so more people can have access to this beautiful park? You could charge a small fee. This would help alleviate parking issues on weekends.	12/30/2020 9:58 AM
16	I support using the park for local, community events like the art show that supports cape rescue and family fun day. Other events create too much stress on the park.	12/30/2020 9:43 AM
17	It is a Jem! Please keep it free for locals. (south Portland). I have never seen a place to volunteer with weeding or clean up or other ways to keep the park healthy.	12/30/2020 1:55 AM
18	Love the Cliff walk, that came out amazing	12/29/2020 4:07 PM
19	Get rid of those saw horse signs. It's not a construction site.	12/29/2020 1:43 PM
20	The natural landscape of this park is a gift to us all. It is a very important task to be a steward of such an area.	12/29/2020 10:21 AM
21	Keep it simple	12/29/2020 9:07 AM
22	It's important to make the park available and accessible to residents and surrounding towns	12/28/2020 11:25 PM

and listen to what they desire and not just cater to what we think summer tourists would like and trying to make a profit off their visits. This survey is a great start.

23	The Town of Cape has really fucked up what used to be an enjoyable adventurous place. Now it's sterile and uninteresting. Great job!	12/28/2020 8:10 PM
24	My wife and I and many of our friends love this park.	12/28/2020 5:28 PM
25	PLEASE do not do things to make the park even more crowded then it is. It has become LESS ENJOYABLE for local residents in Cape Elizabeth, due to drastic increase in people coming to the park. I think there should be a GATE with a pay station at the entrance of the park - to charge "per person" when people come in. And of course, continuing to make it free to Cape Residents through the "dump" tag we have on our windshields.	12/28/2020 12:07 PM
26	It is such a precious place and we are so fortunate to have it!	12/28/2020 11:57 AM
27	Ok	12/27/2020 1:48 PM
28	I'm a South Portland resident with a deep affinity for the park. And, I visit nearly every day, year-round. I'd love to be helpful in any way I can be.	12/26/2020 8:47 PM
29	Please keep Fort Williams feeling "local", do not make it a fancy and over-produced attraction. Its beauty lays in its Yankee simplicity. It offers all & beyond what people need to enjoy it the way it is today. Thank you.	12/26/2020 7:41 PM
30	It is important that the park continues to tell the historic story of the park and the area and to be a voice of the history. People come to see the beauty, the calm peaceful place and the history.	12/26/2020 1:06 PM
31	I agree with your first sentence. Please keep an open mind to other uses of this area, such as a swimming pool, that would enhance the community fabric.	12/26/2020 10:06 AM

38	Fees for tour buses, minimal parking fees for out-of-towners, keep a balance between maintenance and "wildness".	12/24/2020 11:14 AM
39	The minimal fees for non-residents are correct. We need to collect fees for upkeep rather than raise taxes to support the park.	12/24/2020 11:06 AM
40	The survey only gave binary choices (Yes or No). An "I don't know" choice would have been nice. In some cases you didn't give an opportunity to comment unless you picked one of the answers; sometimes you might have wanted to know why I picked the answer I did. Questions 27, 28, and 29 about sources of funding aren't a simple yes or no. The Friends have done wonderful things and should have planned to sustain their investments and not whether or not the town to now pay for upkeep and maintenance of the improvements. And yes, the town should help with some things, too. Strike a balance	12/24/2020 10:38 AM
41	I respect your hard work to assess this challenge. Encourage continued public communications & create opportunities for dialogue among CE residents & governance. Thank you. Ft Williams has always been part of my life + others should share experience.	12/24/2020 9:53 AM
42	Thank you for what you do!	12/24/2020 9:15 AM
43	I hope this survey will serve as an important guide but encourage town leaders to remember that 95% of all philanthropic support comes from less than 4 percent of those who might take this survey.	12/24/2020 8:52 AM
44	Please stop adding things. Keep the park as natural and close to its original state as possible.	12/24/2020 8:32 AM

45	Great work. Such a gem in Cape!	12/23/2020 2:54 PM
46	It is an important part of the community fabric and for that reason it should remain open and free for residents. The trees and plantings are beautiful- keep it natural; in line with the natural landscape. Highlight an area of the park in the wintertime with holiday lights and music. Add something new and special each year to the Children's Garden. Remember that kids love "hands-on"!	12/23/2020 10:54 AM
47	I live next to the park and am a daily visitor. It's a special place where you can sit on a granite bench and watch the waves roll in, or play tennis, or picnic, or learn some history, or do so many other things. However, one concern is that the park may become over developed. I'd like to see that the current natural and many man made features are preserved and would caution against overspending of resources and park real estate on new projects. Overcrowding in prime months is also a concern. Tour busses should be limited and they should have to pay more reasonable (higher) fees. Existing rec areas could be improved upon (tennis courts are in dire need of repair), pond could be more skateable, and updated basketball court would be welcome site for pickup games. Of course, all of this requires revenue. Parking fees for tourists was long overdue and there may be additional ways to get the Fort further toward self-sustainably.	12/23/2020 12:39 AM
48	It's really a great park for CE/SP residents and visitors from all over. I love it and also really appreciate the continued enhancement of Pickleball area.	12/23/2020 12:07 AM

51	Ft. Williams is the crowning jewel of Cape Elizabeth and needs to be thoughtfully cared for, which has happened for the most part. Residents do need to continue to get free parking and reduced rates on picnic shelter rentals, etc. I would hate to see the park get busier with more special event areas, or more developed with more sidewalks, walkways or fencing, visitor center, etc. We need to put resources into preserving what we have - Goddard Mansion, the batteries. Not put resources into new things that we dont really need. The porta potties are fine - no need to spend alot on a fancy toilet facility that would then just have to be cleaned and kept up. Keep the park natural and preserve the historical features. Thanks for this opportunity for input.	12/22/2020 7:54 AM
52	Thank you for asking for our comments. Exceptionally well designed survey instrument and easy to complete.	12/21/2020 8:55 PM
53	Fort Williams is a jewel that many have worked hard to preserve and improve. I do fear it will become too manicured. I also don't see the need to draw too many more people there. It can be very crowded during many parts of the year.	12/21/2020 8:34 PM
54	The beauty of Fort Williams is its natural state. Please don't "improve it" So that it begins to look commercial. And please, please keep the off leash area rules as they are! Thank you	12/21/2020 8:27 PM
55	Overall excellent mgt.	12/21/2020 7:11 PM
56	Please please let us not miss the forest for the trees! I hope we can let the park recover some of its roots and natural wild beauty and stop forcing it to be "perfect". We need to step back and respect something bigger than us all and look with wonder at this gift and not try to make it what it is not...	12/21/2020 6:49 PM

64	I am grateful for the off leash area particularly as the Land trust areas have ridiculously limited hours. Many see Cape as unfriendly to dogs.	12/16/2020 8:26 AM
65	1) Identify the unique things the park offers and limit support and maintenance to those areas. 2) The park should be self funded via fees. Fees may also serve to control attendance and overcrowding.	12/15/2020 8:06 PM
66	I am not sure if we may need trash receptacles, though it may create more trash issues than what we have, and we do have trash issues at the Fort. I have been part of the spring cleanups over the years as well as an adopt a plot care taker. The trash in the bushes, to me is put there. Cans, bottles, bags, dirty diapers, a ton of dog feces bags. You do not see them during the season but you do when the leaves are gone. These are getting blown in the bushes by the wind, they are getting placed or tossed there when people are walking the paths.	12/15/2020 3:00 PM
67	Can we please work to return the park to it's former quieter, prettier, more local glory? The strange grooming plans and the focus on making the plan overly welcoming to tourists are greatly diminishing the park's appeal. Cape residents miss our park!	12/14/2020 12:31 PM
68	Consider putting a sign at the entrance to the beach parking area that says "beach parking" and indicate that there are other parking areas. It's the first lot that people see and a lot of people visiting other areas of the park use it not knowing there are other areas to park. It will free up valuable beach parking spots.	12/14/2020 10:37 AM
69	This is a great park and I appreciate all the hard work the advisory committee and Friends of FW have accomplished to enhance the park. I have studied Fort Williams and Casco Bay for the last ten years and it has a rich history. I consider myself fortunate to have access to not only Fort Williams but all its open spaces.	12/14/2020 1:33 AM
70	Do not remove off leash for dogs. Residents use this and this is funded by the residents.	12/13/2020 11:11 AM
71	The town should provide necessary funding to keep the park maintained and looking well.	12/12/2020 5:25 PM
72	Your efforts are much appreciated. We moved to Cape 3 years ago partly because of the beauty of the public parks. Please keep Fort Williams open despite COVID restrictions (at the very least to town residents). When areas were closed in the spring we felt closed off from the ocean and the highlights of our town.	12/12/2020 11:14 AM
73	Keep up the great work !	12/12/2020 10:11 AM
74	It's a beautiful place and the town and committees and groups have taken wonderful care of it; however, it costs a lot to maintain, so fees should be charged. Residents should be free, people over 65 if resident of Maine [like the Maine State Parks} free also. but we do need to keep it more a park and less a commercial activity zone.	12/11/2020 4:18 PM
75	I understand how I will come off and believe me, that was intentional. The pay-to-park scheme that you all devised is absolutely abhorrent and goes against what I believe the essence of a public park is. There are maintenance costs, sure, but honestly I'd be comfortable with the grass growing a little longer and the "Cliff Walk" not having a nicer fence than I'll ever be able to afford if that means locals can ride in during peak season and park where they wish, as they always have, without having to worry about paying to park or prepaying for a pass. You all could charge for events, and you could charge higher fees on the coach buses that come in. That money would be more than enough to operate bare bones maintenance and upkeep. And to be quite honest, maybe if you let the grass grow a little longer and didn't have ornate fences everywhere, it would deter a few of the tens of thousands of tourists who take a "quick trip" out there because it's "so nice." I think we can spare a few of them and still get by just fine.	12/11/2020 2:30 PM
76	The park website states: All proceeds from the fees collected will be used for improvements to the park property. --- I was under the impression that parking fees also went to the company managing the system. Why doesn't CE do it?	12/11/2020 2:01 PM
77	Thank you for maintaining this incredible community asset for ll to use.	12/11/2020 9:52 AM
78	Fort Williams is a treasure on the coast of Maine, and what many think is the ultimate photo spot. It needs to be preserved, and still utilized for residents, local towns folk, people of greater Maine and the world. It's an important link, and a wonderful place to hang out with a picnic on a summer's day!	12/10/2020 6:15 PM
79	I appreciate that the Town of Cape Elizabeth and Friends of Fort Williams (to which I have donated) generously provides this beautiful experience. If in the future there is an entrance fee	12/10/2020 5:18 PM

	required, I hope that the Town would consider a discount for surrounding town residents and Maine residents.	
80	If Goddard is restored as a museum, then improve the path to Battery Keyes which could be developed as a small cafe or restaurant. This might generate income for our town.	12/10/2020 2:14 PM
81	In past years, the sheer number of visitors, trollies and tour buses has greatly taken away from the beauty and ease of use of this park. We as residents typically enjoy the park in off seasons since the out-of-towners take it over in the summer months making it less of a respite for us.	12/9/2020 9:53 PM
82	I have been especially grateful to have access to this beautiful place during the challenging times of the pandemic.	12/9/2020 9:23 PM

96	Fort Williams is so beloved that what's special about it is in danger of being destroyed. I'd like to see a moratorium on new projects as we plan for a sustainable future and create public and private funding mechanisms to support both existing gardens and historic structures.	12/5/2020 3:16 PM
97	you need only to see how allowing many dogs has impacted fort foster in kittery. Esp in the months when they allow dogs to run free and no attendants, owners get lazy and it becomes a sea of land mined dog poop that affects the water and park itself. You can have a owner pick up poop,but even the best cannot get it all and the remeants remains on the grass where people lye down ,sit and eat. I love animals but when it comes to poop,your always going to get the blank end of the stick by allowing dogs.	12/5/2020 1:04 PM

99	I love the park, please don't kill it with kindness to the point where it is to expenses to run. The off leash dog area is a huge piece of our community. I really think signs should be located warning people this is a multi use area and they can proceed with caution. I think its great as is, a bathroom really might be all that it needs. Otherwise not much is needed going forward other than maintenance.	12/4/2020 10:59 AM

103	Thanks for the work you do. The park is amazing.	12/4/2020 8:24 AM
104	The more the town invests in Fort Williams, the bigger the draw it is as a tourist destination. Implementing parking fees was a big step towards in the right direction. There should be scenario analysis study of impact on the park and local traffic if visitor rates continue to grow at recent rates.	12/4/2020 8:09 AM
105	I feel it is important to leave some of Fort Williams rustic appearance as it has looked for years and let its wild charm remain.	12/4/2020 12:28 AM
106	we have to face the reality that the increased tourist activity at the park comes at a cost to town infrastructure and to residents who live near the park. I feel that it is entirely fair to ask the tourism providers to pay more toward these costs.	12/3/2020 10:32 PM
107	We enjoy Fort Williams and the lighthouse area, the fields, the paths, the plantings, the views. We'd like it to be funded however it needs to be and in whatever manner, but as needed. Buses bring a lot of people and I think the numbers should be managed by the number of buses permitted.	12/3/2020 10:31 PM
108	Thank you for your efforts. The Fort is a gem. I live on Oakhurst and visit it often. I like that it is well maintained but still unstructured and accessible. I hope that user and parking fees can be kept low or eliminated. You often see immigrant families picnicking. It's a great option for an informal gathering. Adding even a few dollars to the cost could discourage some visitors. I hope you can avoid that. As a taxpayer I would pay more to keep the park free.	12/3/2020 9:47 PM

112	The park is a gift for everyone to enjoy. It is important to open the park to everyone regardless of ability to pay a fee. It a fan of all the buses, there should be a limit to number of buses allowed in a year, or a month.	12/3/2020 8:24 PM

116	Leashes should be required. Dogs are animals and unpredictable. they are a nuisance for folks who use leashes. It is a public space and if the town doesn't have a leash law, they should. Walking the dog in the Oakhurst area is difficult when confronting a non leashed dog. I know of no other town that doesn't require a leash law. Incidentally, I have 2 dogs. They are always on a leash and I fenced my back yard.	12/3/2020 5:51 PM

I just stumbled upon this survey as I was looking to fill out our dog licensing form.	12/2/2020 6:21 PM
130	My wife and I chose to live in Cape Elizabeth because of the town's commitment to preservation of open , natural spaces. Fort Williams Park is truly a rare and beautiful treasure of both Maine's natural coast along with maritime and military history. All of which we cherish and believe these qualities are important to preserve and maintain and respect for now and future generations.	12/2/2020 5:08 PM
131	I appreciate your time and thoughtfulness of questions as well as letting the public voice opinions.	12/2/2020 3:05 PM
132	I would like to see the FWPC being a little more transparent and open minded. In my experience topics were pretty well decided behind closed doors before a public meeting; agendas, minutes and supporting documents were often not very complete and slow to appear on the website. Members were perhaps not well acquainted with topics in the park focusing on tourism as their interest seemed to be predominantly on local users.	12/2/2020 1:29 PM

135	Thank you so much for this very important work you are doing. Ft. Williams is the crown jewel of Cape Elizabeth.	12/2/2020 10:31 AM
136	In my opinion, the park is being overused and "loved to death". Those of us who use the area as a true park are being forced to the margins by those us use it to tick off an item on their "to see" list. Five large tour busses in the park at one time does not serve anyone well.	12/2/2020 7:23 AM
137	Anything done that results in decreased access due to entry fees, parking fees, or closures to accommodate paying customers would dramatically change the park unfavorably. It's a cool asset. One I am proud to share with members of surrounding communities. Please consider balancing income generating activities with private peaceful free access for all.	12/1/2020 10:01 PM
138	Little league field needs serious work!	12/1/2020 9:08 PM
139	Thank you for your service. The fort is a gem. People next year will come...keep the parking and use it to defray costs - and also reduce cost of school budget.	12/1/2020 8:52 PM
140	Please move the ice cream stand away from the lighthouse. It really cheapens the historic preservation of it.	12/1/2020 8:50 PM

149	I think the conservation easement question (#21) is more complicated than a simple yes or no allows for. I, for one, would like to understand this better before weighing in one way or the other.	11/30/2020 5:06 PM
150	The Park is an incredibly valuable asset not just for Cape Elizabeth but for Maine--the Cliff Walk is wonderful. It has come a long way in terms of improvements. I know further improvements are costly but they should be made to keep the Park the jewel it is. Priority should be on maintaining and improving the current facilities; when that is done, if funds remain, the money should be used to rehab the valuable historical sites and finish the clean up of vegetation that is unattractive/invasive, etc.	11/30/2020 3:54 PM
151	The park is indeed a special spot which is a treasure. We should preserve free public non-commercial access AND off leash dog opportunities.	11/30/2020 3:16 PM

156	IF a conservation easement is put over the whole park, make sure it allows for the Town's use (as currently) of some of the buildings and areas. Also, any easement should be controlled ONLY by the town, not another entity like the CE Land Trust or Maine Coast Heritage Foundation. Control of the park should remain with the citizens, not a private group. It is a town asset. Question 21 does not allow for a nuanced answer.	11/30/2020 8:48 AM
157	Thank you for your work!	11/30/2020 8:25 AM
158	I hope the park continues to be a town park primarily as well as an ecology site and tourist destination.	11/30/2020 7:16 AM

160	Keep it up!	11/29/2020 8:10 PM
161	Please keep the local use of the park your priority.	11/29/2020 7:46 PM
162	please put the interests of the Cape residents first. Indeed it is a beautiful and historic location, but if we don't take care of it and offer it freely to everyone who wants it, we'll destroy it.	11/29/2020 3:59 PM
163	The park used to feel more like a Cape Elizabeth park, with outside visitors. A place we all shared as a community, compromising, and getting along. A small vocal group in town has been attacking off-leash areas at Gull Crest, Robinson Woods, and Fort Williams for years. We've lost a lot. It's time to push back a bit. Please let us preserve at least the small space we have left on Fort Williams.	11/29/2020 11:06 AM
164	Please keep the dog park. It serves an essential function for older residents who are unable to utilize our trail network.	11/28/2020 7:05 PM
165	A special place for me as a senior citizen I remember visting the park as a child when the army occupied it. Although no a Cape resident I live and grew up in South Portland near the Cookie Jar. The Fort was always considered part of our community. Keep up the good work.	11/28/2020 6:59 PM

167	In the 13 years that I have now lived in CE the changes to the park have been considerable and have certainly improved it. It should be a place that people of all walks of life should have access to for time with nature and the views of the water. But to maintain this facility and continue to carefully develop the park, without loosing it natural beauty, the Town and FFWP will need to spend money and ensure a reasonable income to do so.	11/28/2020 12:00 PM

168	Don't fix something that not broken!!!!	11/28/2020 10:29 AM
169	Be sure to retain the off leash area. It is very valuable to the many residents who use it and does not interfere with enjoyment of the park by other users/visitors.	11/27/2020 10:59 PM

171	Thank you all for the hard work you do. The park is a wonderful place.	11/27/2020 10:33 AM
172	As I stated earlier, I feel the park is a highly cherished property in Cape with a lot of history. It is a huge attraction for visitors also, with a large number of non-local tourists. It should be treated and maintained with that importance in mind, for all our use. Enhancing it's reputation and standing will only keep it great!	11/27/2020 9:32 AM
173	Keep up the good work	11/27/2020 8:58 AM
174	Bigger and busier is not always better. I know people in Cape that never go to the Fort in the summer because it is so overrun with tourists.	11/27/2020 7:28 AM
175	Love the park as is- not too commercial-just right but must keep the off leash dog area	11/26/2020 10:00 PM
176	.	11/26/2020 2:11 PM
177	I'm not sure residents in farther removed areas of Town use the Park as much, or are as supportive. The Town might make an effort to have more events like Family Fun Day, the Labor Day Art Show, the Fourth of July symphony concert and fireworks, school graduation, car shows, etc. to draw them in.	11/26/2020 12:39 PM
178	Thanks for the consideration and effort in your undertaking.	11/26/2020 12:09 PM
179	I would like the park to stay as natural, beautiful, and as well-maintained as possible. I love the park, its history, and all it offers. I hope you all realize just how important it really is to the community. It is wonderful to see the steady stream of cars, people, and doggies loving this park regardless of the weather conditions.	11/26/2020 11:08 AM
180	I believe the town should provide funds for UPKEEP. but should Not provide funds for "improvements". The improvements are often controversial depending on individual priorities (wildlife habitat is being wiped out). Please, please do not work to further expand the park. I used to walk the paths and see the bunnies, now it is all eroded and crowded and the bunnies have no more cover and so have fled. It is an ecosystem that we are managing. We are the stewards of an ecosystem and of a history ...let's maintain and respect it , but not exploit it . Who is our audience. We must always consider the residents first... the actual residents of the park-the plants and animals and hardscape that make it great. .. Less development can be better. Please reconsider the long term development plan . I appreciate your consideration and your hard work as we look to the future of our beloved park.	11/26/2020 10:28 AM
181	I have said everything I feel I need to say. I have expressed the same feeling for over 25 years and things have moved opposite the direction I support so I have little confidence that my opinion will be that appreciated.	11/26/2020 9:28 AM
182	It is owned by the citizens of Cape Elizabeth. Without an endowment fund started now, it could be lost in the future. It is current governments fiduciary responsibility to protect the Ft Williams resource from loss in the future. And by the way, town government is not very visionary as evidenced by the disaster of a park on what was a wonderful trees area next to town hall that has been transformed by a supposed Landscape Architect into a flat, lawn desert, with 2 hapless benches baking in the sun due to the lack of foresight to maintain a few existing specimen shade trees to the west along 77 with some melding of existing and new. Vision-less planning. It is a desert. Who would want to sit on those benches? Awful, missed opportunity.	11/26/2020 9:24 AM
183	Very fortunate to own Fort Williams	11/26/2020 9:18 AM
184	I appreciate you asking our opinions. Good luck with the final plan.	11/26/2020 9:13 AM
185	The park is nice and all but I think the unvarnished reality of it needs to be acknowledged. It is a very nice tourist trap. Its primary function is to get people visiting Portland in to Cape. Any projects regarding the park need to heed that reality and do everything to enhance that experience. We need to figure out how to get people to stay in Cape and visit our businesses instead of leaving the park and heading back to Portland.	11/26/2020 9:13 AM
186	Thank you for all you do!!!! The improvements over the last few years have been terrific.	11/26/2020 9:06 AM

187	Thank you for putting out this survey and for asking thoughtful questions!	11/26/2020 8:15 AM
188	The park is beautiful because of its access to nature. Maintaining the work that's been done is all it needs.	11/26/2020 8:00 AM
189	please try to remember that this is a park first for Cape residents and it should be designed for walks, viewing, gathering in small groups. the traffic in the park(people and cars) is ruining the experience for "natives"	11/26/2020 6:29 AM
190	The pickle ball courts are a nice addition, but are often occupied by large groups in the morning hours on the weekends. Could there be a time limit for each group to help with this issue?	11/25/2020 9:48 PM
191	The town should only commit funds for park enhancements if there are excess funds in budget as an effort to keep taxes down. Enhancements can be done by fundraising	11/25/2020 7:41 PM
192	Please stop "perfecting" the wooded and garden areas. let the wild growth back. The Fort is becoming too much of a garden. Doesn't all this removal of shrubbery increase the risk of erosion along the cliff walk??	11/25/2020 7:15 PM
193	Thanks	11/25/2020 5:29 PM
194	Thank you for asking.	11/25/2020 5:06 PM
195	I love the park and all it has to offer. It is an asset to the town and should be preserved as a living history and nautical museum.	11/25/2020 4:33 PM
196	Thank you for soliciting the towns feedback. This is a jewel that we need to tenderly care for and be creative with funding it's operations.	11/25/2020 4:02 PM
197	The fences that separate the residential area and the park should be reinforced	11/25/2020 3:44 PM
198	Its a town park. Not a parking lot. Focus on walkers and bicyclists. Its also one of the only points of public access to the ocean in Town. Emphasize kayak and paddle board access via the cove.	11/25/2020 3:28 PM
199	Thank you for all your work to manage and improve the park!	11/25/2020 2:20 PM
200	Fort Williams is an iconic destination for people from all over the world. Please continue to make important improvements and upgrades as needed.	11/25/2020 12:23 PM
201	Thank you for seeking opinions and suggestions.	11/25/2020 12:02 PM
202	I love this place	11/25/2020 6:20 AM
203	The balance between maintaining the authentic and historical nature of the park with conveniences and uses is tricky I imagine. I request that the decision making group does not view the park as a money maker to do projects that change the nature of the park. I mentioned a possible small year round cafe allowed to lease space on the property that I think could be considered a way to remember the park as it served the soldiers and provide a Convenience to current visitors.	11/25/2020 4:50 AM
204	Keep the fort as a fort. It wasn't a garden,playground,food take out area etc. Slow down new changes.History has been lost in this country and should be restored.	11/24/2020 10:19 PM

	natural beauty and ecological health of the area.	
214	Many of my customers are physically challenged and cannot make the walk from the parking lot to the lighthouse. It would be great if you could look into providing some sort of shuttle that would run a continuous route from the parking lot to the lighthouse. Also so many people love that gift shop and can't get in because it's so small and busy, there is not enough time during our stop for them to make a purchase. I would not expand the gift shop at that location - but perhaps a pop up elsewhere. A place closer to the parking lot that offers a limited variety of only the top sellers (Christmas ornaments, coffee mugs, postcards, etc)	11/24/2020 7:07 AM
215	Thank you for the important work you're doing	11/23/2020 10:13 PM
216	I have lived here since 1956. The park is a heartbeat for the town, and must continue to be kept healthy and useful. There is enough park to have unique areas, whether that is for children, sunbathers, history buffs, exercisers or dog walkers. Most important, a safe, clean place for visitors.	11/23/2020 8:47 PM
217	None	11/23/2020 8:29 PM
218	This park is a gem but it always seems like the town considers it a burden. It seems like there are so many opportunities to improve the park in ways that could generate revenue.	11/23/2020 8:18 PM
219	One of my favorite places to visit	11/23/2020 8:12 PM
220	It is now just a tourist attraction versus a community resource. Visitors and users should pay more to take some of the financial burden for maintenance off of the town, Parking fees were a good start	11/23/2020 4:45 PM
221	good job	11/23/2020 2:14 PM

224	good luck	11/23/2020 12:07 PM
225	I did not answer question #30 because it is inaccurate and does not represent the policy that the Town Council approved: "Revenues generated by the pay and display parking program at Fort Williams Park will be employed for the following: primarily offsetting the operational expenses and capital improvements of Fort Williams Park; long term capital needs of the Town; and general municipal operating expenses."	11/23/2020 11:50 AM
226	Thank you for all the amazing work you all do today and every day on behalf of Cape Elizabeth's gem!	11/23/2020 11:38 AM
227	I so appreciate this gem so close to the city of Portland. Thank you.	11/23/2020 10:26 AM
228	Thank you all for asking my opinion. The Fort is one of those things that makes CE spectacular without any of us knowing it ahead of time. Please don't mess it up	11/22/2020 9:01 PM
229	Thank you for conducting this survey. I've only lived in Cape Elizabeth for 5 years, but live close to Ft Williams and it's truly a special place. I feel lucky to have it in my community and that I get to enjoy the beauty of it. So, maintaining the green space and natural beauty of the park would be at the top of my list to maintain and improve. Also, as it's part of the community, I think always keeping that top of mind when making decisions is important. And considering ways the park can continue to bring the community together. Thanks!	11/22/2020 7:50 PM
230	It is a very nice park. Please keep it that way!	11/22/2020 7:01 PM
231	Tremendous resource that needs continued tlc. Given the volume of use by non-residents, need to ensure that fees are commensurate with impact and maintenance costs.	11/22/2020 3:10 PM
232	Please don't let our park become the next tourist packed Acadia park.	11/22/2020 1:27 PM
233	The park is a beautiful place with a rich history. While I would like to see as much of it protected and maintained for decades to come, it is also a source of revenue. Difficult to find a balance regarding improvement that would bring in more tourists, without adding excess hardscape.	11/22/2020 12:02 PM
234	I am very adamant that all parking money and entrance fees of any and every kind go directly	11/22/2020 12:01 PM

235	The steering committee is doing an excellent job	11/22/2020 12:00 PM
236	Mostly I like the park as it is, but get rid of invasive species. I love walking and looking at the views and plantings by the Friends. And the grandchildren (when visiting) like rock climbing, playgrounds, going into the batteries and sledding.	11/22/2020 11:57 AM
237	The Town should certainly fund park operations IN ADDITION to any fees collected from parking, buses and events. It's silly that a non-profit group (the Friends?) needs to fundraise when the Town has substantial funds to carry out maintenance and capital projects. Maybe the Friends produce the park strategy while the Town funds the strategy.	11/22/2020 11:54 AM
238	Keep up the good work in making the park more attractive	11/22/2020 11:30 AM
239	I wish for people to come to the park and be a part of its beauty and history as a calming, inspiring experience, vs. trampling the earth and taking from it. Quiet, or careful are the words that come to mind. The pace of life at the park needs to be considered everytime it is rented or changed. The image to communicate that is when you enter the park you should sense reverie. It should be a place for mindful appreciation of the sky, the earth, the wind, and the sea. Too much activity won't allow that.	11/22/2020 8:26 AM

246	please remember to count this survey twice so that my husband doesn't have to fill one out. I filled one out that got dumped while you were editing it. I've done it over. Please count it for my husband too. Thanks. We love the Park. thank you so much to all who do the hard work to maintain and enhance it.	11/21/2020 5:14 PM
247	Please do not expand the opportunities for rent. The Park is already being "loved to death". The Park should not be a destination site for out of state tourists or profiteers.	11/21/2020 3:23 PM
248	Thank you for all you do!	11/21/2020 3:05 PM
249	Thank you so much for all you do to protect our little gem!	11/21/2020 1:36 PM
250	33% of Maine residents could not pay their electric bills last month. In one board meeting in Cape that I attended, I listened to many people discussing the need to rent their homes in order to afford to live in them. Stop wasting money. Tighten your budget and cut expenses. Raise some funds from increasing parking fees and charging more for parties at the Head Light. Start being mindful of ALL the people who live in Cape and want to continue to live here. There is a complete disconnect between leadership and the people. The insensitivity is appalling.	11/21/2020 1:23 PM
251	I am surprised that the parking fees don't go back to the maintenance and improvements of the park. That's accounting 101.	11/21/2020 12:46 PM
252	I admit I haven't studied any of the issues/questions on this survey. I would like the Steering Committee find a fiscally reasonable balance between park maintenance and improvements and continuing to make it available to non-Cape residents and families, as well as tourists.	11/21/2020 12:13 PM

261	Thank you for all your work.	11/20/2020 11:05 PM
262	It would be lovely to see the park in its natural state as opposed to all the "condo" landscaping that been happening during the past few years. Cliff walk really didn't need to be fenced. I would hope that the park never becomes a place with restaurants/cafes or other businesses. It should stay rugged and unchanged as much as it can.	11/20/2020 9:47 PM
263	I have not felt that the park committee appreciates what a negative impact the increase in visitors has had on my neighborhood. It is hard to get in and out of surf and cottage Road because of shore Road traffic during the summer months. Attempts to control invasive species have greatly increased noise coming from the park into my neighborhood. Park visitors leave the park by battery keys and wander around in neighborhood. In short, continued improvement to the park are only attracting more visitors and making it less enjoyable for uresidents	11/20/2020 9:39 PM
264	Please consider having all dogs on leashes and a fine for not removing dog waste .also , I'm baffled there are not volunteer park attendants walking around the park to ensure safety and all rules are followed.	11/20/2020 7:41 PM

276	There is a sentiment that the town residents no longer feel like it is their community park. I'm not sure how to create a balance between offering this special resource for free for all while maintaining it as a local special resource. One special aspect of the Fort is that it provides free oceanfront access for all. Many in the community are proud of this fact. It's lovely to see all segments of our greater portland community picnicking and swimming at the fort who do not have resources to pay for state beach parks.	11/20/2020 11:58 AM
277	An actual bathroom with a changing station and a more contained off leave area would make the park much more family friendly for general use.	11/20/2020 11:47 AM

291	This is such a valuable asset to our community snd State. Whatever we need to do to preserve it for the most of us, is important. It's history and beauty must be preserved. The financial responsibility should not be shouldered only be Cape residents. That's why I thought the parking fees, the charges go use, should be put back into the Park. Keep up the good work!	11/20/2020 8:28 AM

298	Thank you for your hard work. Please keep the off -leash dog area as is. Dog owners are extremely courteous and respectful of the park, and they're careful to ensure that dogs don't bother walkers and runners in the area. Ft. Williams visitors who do not want to be around dogs have acres and acres of space, gardens, beach, tennis courts, playgrounds, the Headlight, Cliff Walk, etc without ever having to get even NEAR the off-leash area. Please focus your energies on the wonderful ongoing improvements at the park and if you want to impose any restrictions, please look to the pollution and disruption caused by the tour buses.	11/19/2020 9:21 PM
299	We must Not think that the town has an imperative to provide the world with a park on par with State or Federal ones, it is still a town park, and we should not try to commercialize it.
