Introduction: Steve Podgajny, Executive Director, Portland Public Library

## COMMUNITY ROUND TABLE

### **Understanding the role of TML in Cape Elizabeth.**

Service & program priorities will drive future building plans for TML!

What functions do you want TML to perform?

# COMMUNITY ROUND TABLE

## Understanding the role of TML in Cape Elizabeth.

What are the most important functions of the library for you?  
Please rank your priorities. (1-8, with 1 being most important)

- Children's Programs
- Repository for Books
- Computers
- Reading area and seating
- Small work rooms/tutorial rooms
- Collaborative work space
- Large meeting room
- Other/ what have we missed

Relative to your priorities...

- where do we need to add resources?
- where do we need to subtract resources?

What do you like about the current building and where it is located?

What do you NOT like about the current building and where it is located?

What can we change?

What is off limits to change?

What should be the *relationship* of the Library to other Town

- Departments?
- Entities?

# COMMUNITY ROUND TABLE

## Understanding the role of TML in Cape Elizabeth.

*If* the town budget wouldn't be sufficient to provide space in TML to offer all the programs and services the community desires...

- Would you support offsite programs/services located within Cape?
- Would you support offsite programs/services located in neighboring communities?
- Would you attend?
