As we enter our next stage of identification of Owner's Representative I have been doing a bit of research and self-education. Attached a white paper I thought I'd share with you all. I think there are aspects here we should consider discussing as a team.

Plus there are materials re contracts that I think might help as we enter .
that stage

The site I have found useful is [AIA Site](#) and I am sure Corinne and David can add a great deal here.
