To: "Record, Christopher" <crecord@capeelizabethschools.org>, "SBAC (CE School Building Advisory Cmte)" <cesbac@capeelizabethschools.org>

I suggest that Dr. Record's original spreadsheet and a sortable version be posted on the CESBAC micro-site, public documents section. Mike Hussey's sortable copy or a similarly functional version of Dr. Record's spreadsheet could also be included. I saved a portable version of Mike's copy, sorted by highest to lowest priority in PDF format, which is attached.
