Hi Chuck,
Penny & Cindy asked me to forward this email/request from David Andrews (member of SBAC) to you:

Hi Chuck,

I wanted to thank you and your group for attending our meeting on Tuesday.

I now feel as though we have made the right decision in choosing you as our owner's representative based on the items discussed at the meeting.

Can you please forward me examples of your typical monthly report and job cost report? If possible could you also send me a live copy of the project's schedule

I would like to review these three documents with you in detail to make sure they will meet our needs for reporting.

Preferably, I would like to walk through and inspect all of the schools with both you and David sometime next week. We can schedule a time. After our walk I would like to go through the 2017/2018 Colby study in detail. To me, this would be a great place to start. I have been told by many that this design would meet our basic requirements along with being more reasonable in price than the \$100 million + design that the town voted down.

Penny is working on a way that we can communicate on a regular basis while at the same time keep everyone in the loop on what is discussed. Possibly through RFIs?

Regards,

David
