Hi SBAC,

Please see the attached architect interview questions compiled by Chuck/Mike.Brian for SBAC review. They have taken all of the questions provided by the SBAC, categorized them, and combined/alterd similar questions. There are now 4 subsets of questions:

1. Recommended Interview Questions
2. Additional Questions should time allow for them
3. Future questions that will become more relevant during contract negotiations
4. Questions that were answered in the Responses to the RFQ

Please let me know if there are any further questions or comments by Monday morning. I want to get these out to the firms by the end of business on Monday.

Thanks,

Chris
