Let's get an email out to the town mailing list, too. I'll draft that up later this AM.

FYI. I will be out of town next Wednesday and will not be able to attend in person. I'll do my best to dial in.

Thanks
Michael

Here's an update - I just went with "New Date" and left off "rescheduled due to storm". I didn't want people to think the School Tours are also rescheduled.

For social media the text with the post can mention that the public forum has been rescheduled due to the storm.
