Hello, as a parent of two young children, one at Pond Cove, the other starting next year, I'm writing to support option E. We moved to Cape Elizabeth in 2022, my wife grew up in Maine and her mother attended Cape Elizabeth schools as a child.

Respectfully, I believe that any plan that does not include construction of at least one new school is a poor investment that will not support the needs of our town.

I also urge the SBAC to consider plans that include cooling, which will clearly be needed in the coming decades.

I wish I could attend more SBAC meetings in person but will be traveling for work and unable to attend. Thank you for your hard work as a committee and for carefully considering the needs of our town and its families. (I also apologize if this email was sent in duplicate, the initial email address for the SBAC had a typo).

Sincerely,

Mike Woodworth
