I just wanted to make sure the whole team is aware that there is a joint School Board/Town Council Workshop on April 22nd. It starts at 6:00pm. The first part of the meeting is the presentation and discussion of the 2025 School Budget. The second half of the meeting is a presentation by Harriman of the three options, Matt will present tax implications and there will be discussion and questions from SB & TC.

Wanted you to know about the meeting in case you want to attend or tune in.
