Subject: Communicating about taxes

Message Body:

Hi there - one thing I would hope the SBAC is able to communicate to the town about tax impact is not just how much taxes may or may not go up based on each school plan, but also HOW LONG will any tax bump last? One year? Two years? Five years?

Seems like a crucial piece that needs to be communicated to the town in order to make a properly informed decision.

Thanks!
Rob Krauser
30 Rocky Hill Rd
