Greetings Friends of the School Building Advisory Committee!

My name is Lance Belanger, Physical Education Instructor at CEMS.

We were invited by some of the staff at Harrimans to share any of our ideas for upgrading the Physical Education areas of CEMS.

Attached is a document of our ideas. We understand that there are many other priorities and factors that go into a project like this, but we just appreciate the opportunity to share our passion and voice, and to be given the opportunity to be represented.

Thank You for all you are doing to improve the quality of learning for CEMS/PC/CEHS, I'm sure your hard work will pay off!

Thanks again for this opportunity! We included some pictures as well of the ceiling leak areas in the CEMS gymnasium that occur a few times every year. :)

Sincerely,
Lance Belanger & Sarah Jordan
