We've done school surveys.

SO.

MANY.

SURVEYS.

This has been dragging on for YEARS, and this whole need for schools was caused by cheap, short-term solutions that went on for far too long.

Stop making this process more painful, more costly and more over thought than necessary. No more navel gazing!

We've **overspent** on surveys. The last thing we need are MORE SURVEYS! We (YOU) can't keep kicking this can! I'M TIRED of this town surveying itself into infinity-- I WANT ACTION!

Please, please, please-- enough!
