Hello,

Am reaching out to emphatically reshare my support for Option E for our schools and want to enforce our As someone who went through the Cape Elizabeth school system, it saddens to me to see that we continually keep kicking the tire down the road instead of fixing the issue. At some point, the community has to support extensive work and I fully support that we cannot avoid it any longer. The costs just keep rising! Our children, teachers and staff deserve to work in healthy, safe and up to date facility.

Thank you,
Catherine Adams
