Good Afternoon,

I'm writing to express my strong support for Option E. It recently came to my attention that work is going on to undermine the survey results/the support for that option.

As a teacher in the district with two young children at Pond Cove I wholeheartedly support Option E. We need whatever gives us the most by way of improvements, while at the same time causing the least amount of disruption for our students and staff.

Thanks for your time.

Emily Adour
