Hi SBAC –

My name is Talia and I live in the old Brentwood neighborhood. I have a daughter in first grade at Pond Cove and am grateful our town has excellent teachers for our children.

Thank you for all of the work you've put into the school project. As you meet this week to decide on which proposal to push forward, I strongly encourage you to pick Option E.

- Option E is the most financially responsible choice – we will pay less as taxpayers in the long term.
- Option E sets the town on the path of creating a master plan, which is needed.
- Option E has the least amount of student disruption.
- The cost difference between C and E is minimal, but with E we get a brand new school.

I know SBAC and the entire town is looking for a proposal that will pass. In my opinion, Options B and C are not financially responsible investments, they do not solve our long term problems but still have a significant tax burden and are disruptive to our students, and I will not vote for them if they are on the ballot.

Thank you!

Talia
