Hello SBAC,

Thank you for your efforts in support of our kids and our community!

As a mom of two young kids (ages 5 and 2), who will both attend the Cape Elizabeth schools, I am writing in strong support of Option E. The need is very clear, and while Option E represents the greatest upfront cost, it will solve the problems for the long-term instead of band-aiding them and creating a need to revisit these costs in the future.

My husband grew up in Cape Elizabeth, and one of the main reasons we chose to return here to raise our family is because of the school system. Let's make the best investment for our kids and the future of the school system in our community.

Thank you again for the support and consideration!
