Hello,

I'm writing on behalf of my family. My wife, Yasmin Mahal, our two children, Pemma and Bodhi, and I live in Cape. Pemma and Bodhi go to Pond Cove.

We are writing to express our support for option E because we believe it is the smartest investment among the options.

Cape has a long tradition of making first class investments in its most important assets: our natural environment and our children. Access to public and protected private lands in Cape is second to none in the state of Maine. Community services. The teachers and school staff we've interacted with so far in Cape are first rate. Our education buildings however, particularly elementary school and the middle school, seem sub-par.

Please support option E because it will yield a middle school that we can be proud of and be excited about! The sooner we get ahead of this and do it right the better.

Thank you very much for your consideration and all of your work on this matter.
