Good afternoon,

I am writing to share my hope that option E remains on the table. As a parent of 2 children in the middle school and a teacher in a neighboring district, I know all too well how much we are in serious need of a new building. I write for our future students as I know my own children will never reap the benefits. While there may be a lot of noise to shut that option down, we know far too well that we need a new building!

Thank you for all of your work thus far.

With gratitude,

Kelly Wallent
