Hi SBAC,

Thank you for your work on the school project. As you meet this week to decide on which proposal, I strongly encourage you to choose Option E.

Option E is the most financially responsible choice – we will pay less as taxpayers in the long term. For Cape residents on fixed budget, this is imperative.

Option E sets the town on the path of creating a master plan, something that will benefit residents today and far into the future.

Option E has the least amount of student disruption.

The cost difference between C and E is minimal, but with E we get a chance to 'restart the clock' through a new school.

Option E creates a safe, long-term solution for the issues that have plagued our town for more than 3 decades.

The survey data clearly shows that there is wide-range support for Option E – and movement from those who voted 'no' at the last referendum to vote 'yes' in November. In short, Option E can and will pass a public vote.

I believe Options B and C are bad investments and I will not vote for them if they are on the ballot.

Best,
Evelyn Gurr
