SBAC,

I'd like to express my support for Option E, which I feel is the most financially responsible and long-term choice for Cape Elizabeth schools. I have two children in Pond Cove and Cape Elizabeth Middle School. When picking them up, it isn't unusual for another parent to say, "I went to school here. It's changed but is still very much the same as the day I graduated." I'm in favor of tradition and fiscal responsibility but it is time to strengthen the gravitational pull of Cape Elizabeth, with stronger investments in our educational facilities, as well as our **teaching and support staff**.

Thank you for your consideration to support Option E.

Regards,

John Markott
