Hello!

I am a resident in Cape, which three children in (or about to be in) our school system. I have a 6th grader, a Kindergartener, and a preschooler. I have been dismayed at the state and function of our school buildings since we moved here in 2017. I am so happy that you all have made such thoughtful and diligent efforts toward a solution that meets as many needs as possible.

I want to **strongly voice my support for Option E**. I was in support of the previous plan which failed at the ballot, and I think E provides the best value for the money, time, and relocation needed for students.

Thank you again for your work!

Sincerely,  
Lauren Perreault
