Hi there,

I didn't get a chance to fill out the survey before the deadline, but I just wanted to take this moment to share my support for Plan E. We need a new schools across the board and I am very ready to vote for Plan E to get the process started. I know the decision is being made this week, so I just wanted to be sure to use my voice as the decision is being made.

Thank you for your hard work on this incredibly important issue for the future of our town.

Kind Regards,
Meghan
