Dearest Cape Elizabeth School Board Members,

I am reaching out to let you know that I am a proponent of Concept E for the Cape Elizabeth Schools building project.

Please find below 6 reasons why I support Concept E:

1. Concept E is the most financially responsible choice – we'll pay less as taxpayers in the long run. For Cape residents that are on fixed budget, this is imperative.
2. Concept E sets the town on the path of success, creating a master plan that benefits residents today and in the future.
3. Concept E has the least amount of student disruption.
4. The cost difference between Concept C and Concept E are minimal; however, with Concept E we get an opportunity to 'restart the clock' via a new school.
5. Concept E creates a safe, long-term solution for the issues that have plagued our town for more than three decades.
6. Data from the survey clearly shows that there is wide-range support for Concept E – and movement from residents who voted 'no' at the last referendum to vote 'yes' in November. In short, Concept E can and will pass a public vote.

In conclusion, Concept E is the smart choice.

Thank you,
Erica
