To the members of the SBAC,

Thank you for your time and commitment to the Cape community and to our schools. I am writing to share my support for Option E.

Option E is the only option that best fits student needs and is the only fiscally responsible option for taxpayers and property owners.

I'm hopeful that the input of the public - who in the most recent survey preferred Option E - is weighed appropriately as a viable path forward for our schools.

Cheers,
Jon Dienstag
