Hello,

As a resident and parent of a kindergartener my support is for Option E on the new schools. It just seems to make the most sense for the cost and what we all get out of the longevity of it. I don't think any parent wants their kids to have to go through two different renovations while in their time in Cape schools, so hopefully we can make this happen once for the kids that are in school right now.

Take care

Adam Moran

[29 Rocky Hill Rd, Cape Elizabeth.](#)
