Hello,

I wanted to send a message in support of Option E for the upcoming school plan vote. I heartily believe that this is the most fiscally responsible option with the greatest long term return for the town to help rebuild our schools.

Presently, the structure of the schools are out of date, unsafe and quite literally, falling apart. This is not something parents want, it's something our children NEED to be set up for success in their space and to have the capacity to learn.

Thank you,
Ali
