Good morning, SBAC:

My name is Heather Drake and I live on Linwood Street. Thank you so much for the thorough work you've put into the school project. At your meeting this week, I strongly encourage you to pick Option E.

- Option E is the most financially responsible choice – we will pay less as taxpayers in the long term. For Cape residents on a fixed budget, this is imperative.
- Option E sets the town on the path of creating a master plan, something that will benefit residents today and far into the future.
- Option E has the least amount of student disruption.
- The cost difference between C and E is minimal, but with E we get a chance to 'restart the clock' through a new school.
- Option E creates a safe, long-term solution for the issues that have plagued our town for more than 3 decades.
- The survey data clearly shows that there is wide-range support for Option E – and movement from those who voted 'no' at the last referendum to vote 'yes' in November. In short, Option E can and will pass a public vote.

I know many of you want to push through a proposal that will pass and reiterate my encouragement to choose Option E.

Thank you for your time.
Heather Drake
