Hello,

As you know, there are many FOAA requests in recent months that are still unfulfilled-- specific requests for electronic messaging by SBAC committee members on their personal devices seen happening in plain sight during public meetings.

In the interest of transparency, which we all agree is vital to our town's process, would you mind sharing exactly what was being read or texted here Mr Andrews?

Timestamp is 11:20PM on 5/9/24.

And please expedite those other FOAA requests, too. Forward to whomever you like.

Please and thank you,

Jenna Pfueller
