Dear SBAC,

Let me start by saying I am VERY appreciative of all your hard work. I know this has not been an easy job.

I want to express my sincere belief that Option E is the only feasible option, and the only one I will vote for. Options B and C are wastes of money and do not provide the learning and safety structure my children deserve. We moved to this town because of its reputation for great schools; I hope that this was not an error.
