Hello,

I am a parent of two young children (one at Pond Cove and one pre-K). I feel that Option E, to build a new middle school, is the best use of our taxpayer dollars and that the construction process will have the least impact on our students. The other two options just kick the can down the road for the next generation to deal with aging schools. I want Cape Elizabeth to continue to be a leader in public education in Maine. Providing our students the best possible learning environment via a new school is the best path forward.

Thanks for your time.
Phil Owen
Cape resident
