Greetings, SBAC members.

I writing to share my thoughts on your important vote this week.

As a taxpayer, advocate for fiscal conservatism, and a parent of two kids in Cape's school system, I strongly support option "E".

Option "E" is the most reasonable choice when long-term costs are taken into an account. The renovation options will leave us with aging infrastructure whose annual operating costs will exceed that of a brand new building.

For those reasons and the others expressed in your analysis, I recommend that SBAC vote to advance option E to the voters later this year.

Thank you for your time on this important matter!

Regards,
