Dear CESBAC:

As a Cape resident for over 6 years, I am writing to voice my choice for Option E. Options B&C, to renovate the existing buildings, are a poor use of our money. Option E allows for construction while students continue to use the existing PC/CEMS buildings. While our children are older and not in the Cape school system we want to ensure that we make the best choice and use our tax dollars wisely while having the biggest long-term impact. Thanks for considering my request.
