Dear SBAC members,

First of all, thank you for the time, effort, and thoughtfulness you have dedicated to this process. I truly appreciate your service to our community.

I am writing to express my support for Option E. While I would typically choose renovation over new whenever possible, after reviewing the materials and attending several of the meetings, it has become very clear that Option E is a more responsible choice. Not only is it more fiscally responsible, it will be less disruptive for students and staff.

Thank you for listening.

Aubrey Miller
