Hello SBAC,

My name is Graham Dickson and I live in Shore Acres.

Thank you very much for all of the hard work put into the school project. I am writing as I strongly encourage you to choose Concept E as the proposal to push forward during your meeting this week. I will spare you with a long list of bullet points that you are already aware of, but I am one of many who believe Concept E is the obvious choice.

Thank you for your time,

Graham
