Hi,

My name is Jamie Joncas - I am a cape resident and have two children. My son is heading to kindergarten this fall. I was able to do a tour of the schools when we voted the last new school down and I saw first hand how important option E would be to our community and our children. I urge you to vote for option E as it is the most fiscally responsible option available and the least disruptive to our children.

Vote for our children and our future please!

Thanks for your time and all you do
