Hi SBAC –

My name is Claire Joyce and I live at 4 State Ave and 2 children at Pond Cove.

Thank you so much for all the work you have each put in and continue to put into the school project. As you meet this tonight to decide on which proposal to push forward, I urge you to choose Concept E.

- Concept E is the most financially responsible choice – **we will pay less as taxpayers in the long term**. For Cape residents on fixed budget, this is imperative.
- Concept E sets the town on the path of creating a master plan, something that will benefit residents today and far into the future.
- Concept E has the least amount of student disruption.
- The cost difference between C and E is minimal, but with E we get a chance to 'restart the clock' through a new school.
- Concept E creates a safe, long-term solution for the issues that have plagued our town for more than 3 decades.
- 

I know many of you want to push through a proposal that will pass. In my opinion, **Concepts B and C are bad investments** and I will not vote for them if they are on the ballot. **I expect my tax dollars to be spent wisely and with the biggest impact.**

Thank you for your time.

Claire L. Joyce
