Hi SBAC –

My name is Taylor McFarlane and I live at 28 Cranbrook Dr. I am born and raised here in Cape Elizabeth and the future of this town is extremely important to me.

Thank you so much for the tireless work you've put into the school project. As you meet this week to decide on which proposal to push forward, I strongly encourage you to pick Option E.

- Option E is the most financially responsible choice – we will pay less as taxpayers in the long term. For Cape residents on fixed budget, this is imperative.
- Option E sets the town on the path of creating a master plan, something that will benefit residents today and far into the future.
- Option E has the least amount of student disruption.
- The cost difference between C and E is minimal, but with E we get a chance to 'restart the clock' through a new school.
- Option E creates a safe, long-term solution for the issues that have plagued our town for more than 3 decades.
- The survey data clearly shows that there is wide-range support for Option E – and movement from those who voted 'no' at the last referendum to vote 'yes' in November. In short, Option E can and will pass a public vote.

I know many of you want to push through a proposal that will pass. In my opinion, Options B and C are bad investments and I will not vote for them if they are on the ballot.

Thank you for your time.

Warmly,  
Taylor
