Good morning members of the SBAC,

My name is Emanuela Porcelli and I live in Shore Acres. I am writing to support option E for the school building project. I am aware that option E is the most expensive option but the difference between C and E is little. It is the only option that best fits students needs with the least amount of student disruption and addresses long terms needs. We moved to Cape Elizabeth because of it's excellent school reputation and I would like to support our schools by proving them safety, health and sustainability.

Thank you for your hard work and dedication over the past last months.

Warmly,
Emanuela Porcelli
