1. Consideration of revised budget amount for the 2006-07 School Budget

Superintendent Hawkins briefly introduced the documents
distributed and asked Business Manager Pauline Aportria to go
over them to clarify for the School Board.

The information distributed had the numbers from the School
Board approved budget (6.9% Budget), the 3.4% budget presented
by the Superintendent to meet the tax cap and information
regarding the recommendations of Alan and the DLT for a revised
budget to meet the 3.93% increase representing the Town Council
approved budget amount of \$18,244,294.

There was a long discussion about what was reduced from the
School Board approved budget, how decisions were made and the
effects of the cuts on student education.

Kevin Sweeney made the following motion:

“I make a motion to approve the 2006-2007 school budget in the amount of \$18,244,294 of which \$2,676,879 is additional local funds which exceeds the State’s Essential Programs and Services funding model by \$1,440,844.94.
