Long Range Planning Committee

Meeting Minutes

July 18, 2006

Present: Trish Brigham, Elaine Moloney, Alan Hawkins,

Meeting began at 12:30PM.

Discussion Items:

A. "Celebrate School People" program. -Alan met with the three organizers of this statewide program to recognize all people who work in school systems. There will be a celebratory/kick-off event in Augusta on October 18th. Representatives from all school districts in Maine will attend. Alan was very enthusiastic about this and views this as a perfect lead-in to efforts to reenergize the district's five year plan.

B. Community Dialogue Day- Tentative plans called for this event to occur on early release day, October 18. Due to the above mentioned program this will be rescheduled. Possible dates being considered include the November early release day, 11/8, the Monday before Thanksgiving, 11/ 20, or the professional development day in January, 1/26. Alan will pursue with DLT and Sara Simmonds.

Meeting adjourned at 1:15PM.

No additional meeting date has been set yet.
