

CAPE ELIZABETH SCHOOL BOARD

DISTRICT GOALS

January 8, 2010

1. Build strong communication network among district school organizations (i.e., boosters, parent associations, etc).
2. Obtain adequate funding necessary to provide the quality education our community expects for its children. (Ascertain that the district is receiving maximum funding possible under EPS and make all efforts to receive Race To The Top funding.)
3. Strengthen staff evaluation procedures to be able to recognize teachers who demonstrate outstanding effectiveness.
4. Utilize student learning measurement standards that will facilitate performance comparisons on a national basis.
5. Examine synthetic phonics programs for K-2 and determine economic and educational viability.
6. Evaluate all staff positions for effective use of resources.
7. Provide outdoor learning experience for active learners.
8. Establish annual goal setting process for the district which will provide the basis for the utilization of its human and financial resources.
9. Continue the work of the Curriculum Management plan/Curriculum Instruction and Assessment
10. Collaborate with other districts on cost sharing/learning opportunities.
