

Cape Elizabeth Town & School

Use of Facilities Guidelines & Policies

It is the philosophy of the Town of Cape Elizabeth, its town and school officials, that our school and town buildings are community facilities. These facilities are available to citizens, groups and organizations. Policies and procedures are to balance the intended use, the demand for varied uses, the need to maintain and upkeep the facilities and contents, and to provide a safe environment for general use.

GENERAL EXPECTATIONS FOR ALL FACILITIES (policies specific to some locations found on back):

- 1) **The use and possession of tobacco, alcohol, and/or other drugs on grounds is prohibited.**
- 2) Respect for equipment and facility is expected at all times including space capacity and intended space use. If damage occurs, please report it to the assigning organization.
- 3) Groups shall be adequately and appropriately supervised by an adult(s) at all times and until all participants have departed the premises. Report all accidents or injuries to the assigning organization.
- 4) Food and/or beverages are to be limited to the specified food and/or beverage areas.
- 5) Clean-up is the responsibility of the renter / user. The facility should look as good as, or better than it looked when entered. All trash should be deposited in the appropriate trash receptacles.
- 6) Renters should make themselves aware of the appropriate means of emergency egress and make sure all in attendance are aware of it.

PRIORITY ORDER OF USE of School and Town buildings / facilities is: Status 1) Town Emergencies / Elections; Status 2) Town/School Department programmatic uses in accordance with the intended purpose for which the space was acquired.; Status 3) CE Service Groups & CE Non-Profit Organizations; Status 4) Private CE Groups & Private CE Resident Functions; Status 5) Special Interest Groups / Non-Profit Organizations / Non-Residents Groups & Functions ; Status 6) Profit Group & Businesses. All facilities are available on a first-come / first-serve basis by reservation through the assigning organization.

Bumping Order is according to Priority Use Order, Time lines, and Sports Seasons. Exceptions may occur due to extenuating circumstances upon the discretion of the assigning organization.

Sports Seasons: In-season sports (refer to dates below) receive priority use in certain facilities. Out of season use, must follow Use of Facility Guidelines and are subject to the listed fees. Due to the number of Little League teams, individual teams will not be allowed practice time in the gyms.

Fall Sports - (soccer, field hockey, cross country, golf, MS tennis, football): 3rd week of August through 1st week of November

Winter Sports- (basketball, swimming, indoor track, hockey, skiing): 3rd week of November thru end of February Vacation

Spring Sports - (tennis, lacrosse, track, baseball, softball): 3rd week of March through end of school

Non-sports season times will follow the MPA guidelines for HS Sports. During these times, the non-sport specific open times may be scheduled through the Community Services Office provided "Facility Use Guidelines" are adhered to.

INSURANCE / SUPERVISION: Facility use requires the user to pay supervisor fees as determined by the Facility Policy Guidelines and assigning organization. Non-school/town activities are not covered by the town/school insurance policies. Groups/Organizations may be required to obtain their own liability coverage for risks associated with said activity(ies) and must provide, upon application, a certificate of insurance (minimum of \$300,000) naming the Town of Cape Elizabeth as the additional insured as well as stating specific coverage for the intended activity/event.

RESERVATIONS & CANCELLATIONS: Reservations must be confirmed through the assigning organization, generally **no later than Thursday Noon** for any requests for the following week, Monday through Sunday. This schedule allows appropriate staffing and coordination of services. A "reservation" includes a completed application where required, paid fees, proof of insurance, and requests for set-up. The renter must be at least 21 years of age and assumes responsibility for appropriateness of activity, supervision and adherence to all policies. The assigning organization shall authorize all equipment usage and reserves the right to refuse and/or cancel any equipment or facility requests. Equipment is not to be removed from any facility. Once you have placed your reservation and we have confirmed it, we will staff your event, notify the appropriate agencies and people, and block off the space(s) requested from further rental consideration. Therefore, it is necessary for the following refund policy:

CANCELLATION POLICY: If notified two weeks prior to your rental date, 100% minus a \$10 processing fee will be refunded to you. Notification of less than 2 weeks and more than 3 business days before your rental date will result in a 50% refund. If notified 3 business days or less prior to your rental date, no refund will be issued. If the town closes down

the facility due to inclement weather, we will notify you and attempt to re-schedule your event.
