Dear Mr. Murphy:

Please accept this as notification of my retirement at the end of this school year. It has been my privilege to teach in the Cape Elizabeth school system for thirty-eight years of my thirty-nine year career. I would like to take this opportunity to express my appreciation for all the fine students and parents I have encountered over those years. Also I would like to extend my gratitude to my colleagues for their support and friendship during that time.

Sincerely,
