

## POST-SECONDARY ENROLLMENT OPTIONS

Local boards are already required to have a policy on post-secondary enrollment options. We have revised an existing sample policy to incorporate post-secondary courses taken through the distance learning network or the Internet. It is our understanding that access to such courses is currently allowed by the University of Maine only on a case-by-case basis, but we also understand that there are efforts underway to broaden access to such courses for high school students. Notes within the policy alert boards to sections required by the statute and areas where boards may choose among various options.

**DWM NOTE: There are several choice points for the Board in this policy. After Board discussion, the policy should be revised to include only the options chosen and the notes should be deleted.**

This policy establishes the requirements for student enrollment in post-secondary courses taken before high school graduation.

### Eligible Institutions

Students may take courses at eligible post-secondary institutions within Maine, which include the University of Maine System, the Maine Community College System and Maine Maritime Academy. Students may take courses offered through the DOE Distance Learning Network or the Internet if such participation is approved by the post-secondary institution.

~~(NOTE TO BOARD: The school unit may allow students to take courses at private colleges and other institutions (including through the DOE Distance Learning Network or the Internet), but the school unit cannot include such costs as allowable program costs. The following language provides one option for consideration if the Board wishes to allow students to take courses at private institutions.~~

~~OPTIONAL LANGUAGE: Students may be allowed to take courses at private colleges or other institutions, including courses offered through the DOE Distance Learning Network or the Internet. Responsibility for all costs associated with any courses taken at private colleges will rest with the student and his/her parent(s). Any such requests shall be considered on a case-by-case basis to the extent that funds are available and the requirements of this policy are met.~~

## POST-SECONDARY ENROLLMENT OPTIONS

### Student Eligibility Requirements

A student may take no more than one course per semester and two courses per academic year.

A student must meet the following criteria prior to enrolling in a post-secondary course:

~~A. Have completed all available high school coursework in the field in which the post secondary courses are requested.~~

~~B. NOTE TO BOARD: The following requirements are included in the statute.~~

A. Have a minimum of a B average for 3.01 in his/her courses overall; unless the eligible institution has waived the minimum grade/grade point requirement;

B. Meet the course admission standards of the eligible institution;

C. Provide evidence of parent/guardian approval for taking the course; and

~~E. Obtain approval from the principal and guidance counselor, after meeting with the guidance counselor to develop a plan describing how the course will help the student meet graduation requirements in order to obtain approval.~~

D. Receive a recommendation to take a postsecondary course or courses from the school administration or one of the student's secondary school teachers following an assessment of the student by the administration.

A student enrolled in grade 11 or 12 who does not have a B average for 3.01 in his/her courses overall ~~or who does not meet the criterion in subparagraph (A) above~~ is eligible to take a post-secondary course provided that he/she:

A. Has been assessed and received a recommendation to take the course from the school administration ~~either to facilitate graduation or for enrichment purposes if the student has met all applicable graduation requirements in the field through high school coursework;~~ or from a secondary school teacher; and

~~B. Has been approved for participation in the course by an eligible institution; and~~

~~C. B. Has provided evidence of parent/guardian approval for taking the course.~~

### Awarding of Credits

## POST-SECONDARY ENROLLMENT OPTIONS

The eligible institution shall grant full credit to any student who successfully completes a course.

~~NOTE TO BOARD: School units are not required to award credit for courses taken at eligible institutions. The following language is one option for school units to consider if the Board wishes to grant high school credit.~~

~~OPTIONAL LANGUAGE:~~ High school graduation credit for a course taken under this policy shall be awarded as follows:

- A. The course must meet for a minimum of one semester ~~or for an equivalent number of credit hours.~~
- B. The course must meet any applicable Learning Results standards.
- C. The student must earn a passing grade in the course. ~~[ALTERNATIVE OPTION: The Board may specify a minimum grade requirement if desired.]~~
- D. Attendance must satisfy the instructor's requirements. ~~[ALTERNATIVE LANGUAGE OPTION: The Board may request that the eligible institution record and report attendance to the high school.]~~
- E. If the above criteria are met, the student shall receive ~~5~~ (insert the appropriate number of 5 (five) high school credits for each 45 credit hour 3-credit semester course completed course.
- F. The weight assigned to grades received in post-secondary courses approved pursuant to this policy shall be determined on a case by case basis by the Principal and the Guidance Director depending on the circumstances of the student's taking the class and the course description and expectations. There shall be no presumption that grades in approved courses shall receive weight simply because they are offered by a post-secondary institution.

### Financial Assistance

- A. The Maine Department of Education shall pay applicable tuition costs (up to the limits of legislative appropriation) for any student enrolled in a course under this policy if the eligible institution requires tuition payment.
- B. The student and his/her parent/guardian are responsible for paying for all textbooks, course fees and transportation costs.

## POST-SECONDARY ENROLLMENT OPTIONS

~~NOTE TO BOARD: While the statute obligates students to pay the costs in Paragraph B, school units may still choose to pay some or all of these costs. Such costs remain allowable program costs under the statute. The following language provides one option for the Board to consider, or the Board may develop its own requirements.~~

~~OPTIONAL LANGUAGE: if the student qualifies for free or reduced lunch, the school unit shall pay the cost of textbooks, course fees, and transportation.~~

### School Unit Reporting Requirements

The Superintendent shall make parents and students aware of post-secondary enrollment options through handbooks or other appropriate means.

**GRADUATION REQUIREMENTS**

June 10, 2008

### EARLY GRADUATION

If a student can meet the graduation requirements of his/her class in less time than the four-year high school sequence, that student can apply for early graduation. In order to apply for early graduation the student must do the following early in the fall of the year graduation is requested (or the previous spring):

- A. Write a letter explaining the reasons for requesting early graduation in the year preceding his/her scheduled graduation. This letter is addressed to the school principal and should include the student's post-graduate plans.
- B. Arrange a meeting to include the student, parents, guidance counselor, principal and any appropriate faculty members.
- C. Complete an Early Graduation Form listing courses and credits needed to graduate. High school and college level courses can be used toward graduation. The plan for fulfilling these requirements will be reviewed. The student's reasons for requesting early graduation will be reviewed.
- D. Upon approval, as Early Graduates, they will be invited to participate in all senior activities relating to graduation.
- E. The high school administration will extend special types of honors recognition to a student who has exemplified superior academic achievement and has chosen to graduate early from CEHS. This recognition would be separate from the honors recognition extended to senior graduates of the high school at the graduation ceremony.
- F. The class ranking of early graduates will take place at the end of four semesters of high school. Early Graduates will be ranked in the class with which they entered high school. These students will be ranked with their own class and not with the senior class. Class ranking of seniors (weighted/unweighted) will take place at the end of six semesters of high school. Therefore, early graduates will not receive a weighted class ranking.
- G. Early graduates may be considered for Book Awards in their third year of high school.

## STUDENT SURVEYS AND MARKETING INFORMATION

*[NOTE: The No Child Left Behind Act expanded the categories of information addressed in the Protection of Pupil Rights Act (PPRA, or "Hatch Act") and added several new requirements concerning notice to parents prior to administering surveys and the rights of parents to inspect surveys and related materials.]*

*This policy outlines the content required by the law, but local Boards will need to include further information about how the requirements will be met in their school unit. The NCLB Act also requires that this policy be developed "in consultation" with parents. Methods of accomplishing this may include inviting parent comments on the policy during Board meetings when the policy is discussed/adopted, holding a Board workshop, or discussing the policy at parent meetings at the school level.*

*Parents must be notified directly of this policy and we suggest that local school units include a copy with the FERPA notice that is provided to parents at the beginning of the year.!*

From time to time, the Cape Elizabeth School Department may administer surveys to students in the course of developing and evaluating programs and services offered in the schools. The school unit will comply with the federal Protection of Pupil Rights Act and applicable regulations concerning the administration of surveys and the use of personal information about students for marketing purposes as outlined in this policy.

### Parental Consent to Surveys

No student shall be required to participate in a survey receiving funding under U.S. Department of Education programs that reveals the following information without prior notice to and the written consent of parents/guardians:

- Political affiliations or beliefs of the student or the student's parent;
- Mental or psychological problems of the student or the student's family;
- Sex behavior or attitudes;
- Illegal, anti-social, self-incriminating, or demeaning behavior;
- Critical appraisals of other individuals with whom respondents have close family relationships;
- Legally recognized privileged or analogous relationships, such as those of lawyers, physicians, and ministers;
- Religious practices, affiliations or beliefs of the student or the student's parent; or
- Income (other than that required by law to determine eligibility for participation in a program or for receiving financial assistance under such program).

## STUDENT SURVEYS AND MARKETING INFORMATION

In the case of surveys not funded under U.S. Department of Education programs, parents/guardians will receive prior notice of the survey and their right to opt-out. Parents/guardians may request that their child not participate in a particular survey by submitting a written request to the Superintendent ~~Building Principal~~ Building Principal ~~within ten~~ for other appropriate administrator designated by the Board ~~within ten~~ five days ~~for other time period designated by the Board~~ of receiving the notice.

~~[NOTE: As reflected in the paragraphs above, PPRA requires prior written consent only for surveys funded in whole or in part by U.S. Department of Education funds and only prior notice for surveys not funded in any part by U.S. Department of Education funds. For ease of administration, local Boards may decide to extend the requirement for prior written consent to any survey administered in the school unit that involves the categories listed above. Boards interested in this approach should contact DWM for appropriate alternative language for this section of the policy.]~~

### Notice to Parents Regarding Surveys

Parents/guardians will be provided with a copy of this policy at the beginning of each school year, and within a reasonable time if substantive changes are made to the policy by the Board. If actual or expected dates of surveys have been scheduled when the policy is distributed, parents/guardians of affected students will be notified at that time. If surveys are scheduled after the start of the school year, parents/guardians will be provided with reasonable notice before the survey is administered.

### Procedure for Inspection of Surveys/Instructional Materials

Parents/guardians have the right to inspect any survey created by a third party before it is distributed or administered to students. Parents/guardians may also inspect any instructional materials, including teacher's manuals, films, tapes, or other supplementary material which will be used in connection with any survey.

Parents/guardians may request to inspect surveys or related instructional materials by submitting a request in writing to the Superintendent ~~Building Principal~~ Building Principal ~~for other appropriate administrator designated by the Board~~ within ten five ~~ten~~ days of receiving notice that a survey is to be administered. The Superintendent ~~Building Principal~~ Building Principal ~~for other appropriate administrator designated by the Board~~ shall make arrangements for the parent/guardian to inspect the survey and/or materials within a reasonable time prior to the scheduled date for the survey.

### Use of Student Personal Information for Marketing Purposes

~~[NOTE: The PPRA requires local school units to notify parents and provide inspection and opt-out rights if certain personal information about students is collected, disclosed or used for commercial marketing purposes. These requirements do not apply to information used for the~~

## STUDENT DISCIPLINE

It is essential for schools to maintain a safe and orderly environment which supports student learning and achievement. Good discipline allows the schools to discharge their primary responsibilities to educate students and promote good citizenship. All students are expected to conduct themselves with respect for others and in accordance with School Board policies, school rules, and applicable state and federal laws. Disciplinary action may be taken against students who violate policies, rules, or laws, and/or whose conduct directly interferes with the operations, discipline or general welfare of the school.

The Board expects the following principles to guide the development and implementation of school rules and disciplinary procedures:

- B. Expectations for student behavior should be clear and communicated to school staff, students and parents.
- C. Consequences for misbehavior should be in proportion to the offense, fair and consistently enforced. Administrators shall have the discretion to tailor discipline to the facts and circumstances of the particular case.
- D. Parents should be actively involved in the process of preventing and resolving disciplinary problems at school.

Physical force and corporal punishment shall not be used as disciplinary methods. State law provides that “a teacher or other person entrusted with the care or supervision of a person for special or limited purposes may not be held civilly liable for the use of a reasonable degree of force against the person who creates a disturbance if the teacher or other person reasonably believes it is necessary to: a) control the disturbing behavior; or b) remove the person from the scene of the disturbance.” Any restraint or seclusion of students shall comply with applicable regulations and Board policy.

Teachers are authorized to make and enforce rules for effective classroom management and to foster appropriate student behavior, subject to the direction and approval by the Principal/designee.

School-wide rules shall be developed by the building administration/principal with appropriate input from school staff, students and parents and subject to approval by the

In such cases, the notice of charges, explanation of evidence, and the student's opportunity to present his/her version of the incident shall be arranged as soon as practicable after removal of the student from school.

The student's parents/guardians shall be notified of the any in-school or out-of-school suspension as soon as practicable by telephone (if possible) and ~~or~~ by written notice sent by mail. A copy of the notice shall also be given sent to the Office of the Superintendent.

## REPORTING CHILD ABUSE AND NEGLECT

~~DWM NOTE: THIS POLICY HAS BEEN REVISED TO REFLECT CHANGES IN THE CHILD AND FAMILY PROTECTION ACT THAT TOOK EFFECT ON SEPTEMBER 20, 2007 AND THE TRUANCY LAW, EFFECTIVE AUGUST 30, 2012. THE 2012 CHANGES ARE TO SECTION 1.A. IN SECTION 1.A, THE DEFINITION OF ABUSE AND NEGLECT HAS BEEN EXPANDED TO INCLUDE A CHILD WHO IS TRUANT, AT LEAST SIX YEARS OF AGE, AND HAS NOT COMPLETED GRADE SIX (REFLECTING A CHANGE IN THE HABITUAL TRUANCY STATUTE). SECTION VI HAS BEEN EXPANDED SIGNIFICANTLY TO REFLECT MORE SPECIFIC DIRECTION IN THE LAW REGARDING DHHS INTERVIEWS OF CHILDREN AT SCHOOL.~~

### I. I. — DEFINITIONS

- A. **Child abuse or neglect.** Child abuse or neglect is defined by Maine law as “a threat to a child’s health or welfare by physical, mental or emotional injury or impairment, sexual abuse or exploitation, deprivation of essential needs or lack of protection from these, or failure to ensure compliance with school attendance requirements, ~~if the~~ under Title 20-A” (specifically when a child who is at least seven ~~six~~ six years of age and has not completed grade six and has the equivalent of seven full days of unexcused absences or five consecutive school days of unexcused absences during a school year, ~~by a person responsible for the child [OR: failure to ensure compliance with school attendance requirements as provided in 20-A M.R.S.A. § 3272(2)(B) or § 5051-A(1)(C), by a person responsible for the child].~~ ).
- B. **Person responsible for the child.** A “person responsible for the child” means a person with responsibility for a child’s health or welfare, whether in the child’s home or another home or a facility which, as part of its function, provides for the care of the child. It includes the child’s parent, guardian or other custodian.

### II. EMPLOYEES’ DUTY TO REPORT

Any employee of the school unit who has reason to suspect that a child has been or is likely to be abused or neglected must immediately notify the building principal ~~[school unit may insert other supervisor]~~ who shall process the report as provided in Section III of this policy. In addition to notifying the building principal, the employee may also make a report directly to the Department of Health and Human Services (DHHS) or the District Attorney when the employee believes a direct report will better protect the child in question.

### III. ADMINISTRATORS’ DUTIES

- A. ~~—A.—~~ The principal shall make an immediate verbal report to the Superintendent/ designee. If it is determined that there is a duty to make a report to DHHS or the District Attorney, the Superintendent/designee shall make the appropriate report(s), as provided in section B.

## REPORTING CHILD ABUSE AND NEGLECT

- B. ~~\_\_\_\_\_B.\_\_\_\_\_~~ The law provides that a report must be made to DHHS when the person suspected is a "person responsible for the child," or to the District Attorney when the person suspected is not a person responsible for the child. However, because the legal definition of "person responsible for the child" is vague, the Superintendent/designee shall report all cases of suspected abuse or neglect to DHHS. In addition, if the person suspected is not the parent, guardian or other custodian of the child, the Superintendent/ designee shall also make a report to the District Attorney.
- C. ~~\_\_\_\_\_C.\_\_\_\_\_~~ The Superintendent/designee shall retain a record of all verbal and written reports made to DHHS, the District Attorney, or other outside agencies as well as all actions taken by the school unit.

### IV. REPORTING PROCEDURES

The verbal report shall include the following information, if known:

- A. ~~\_\_\_\_\_A.\_\_\_\_\_~~ The name and address of the child and the persons responsible for his/her care or custody;
- B. ~~\_\_\_\_\_B.\_\_\_\_\_~~ The child's age and sex;
- C. ~~\_\_\_\_\_C.\_\_\_\_\_~~ The nature and extent of the alleged abuse or neglect, including description of injuries and any explanation given for them;
- D. ~~\_\_\_\_\_D.\_\_\_\_\_~~ A description of alleged sexual abuse or exploitation, if any;
- E. ~~\_\_\_\_\_E.\_\_\_\_\_~~ Family composition and evidence of prior abuse or neglect of the child or his/her siblings;
- F. ~~\_\_\_\_\_F.\_\_\_\_\_~~ The source of the report, the person making the report, his/her occupation and where he/she can be contacted;
- G. ~~\_\_\_\_\_G.\_\_\_\_\_~~ Any actions taken by school staff, including any photographs taken or other materials collected; and
- H. ~~\_\_\_\_\_H.\_\_\_\_\_~~ Any other information the person making the report believes may be helpful.

Upon DHHS' request for a written report, the Superintendent/designee shall complete the Suspected Child Abuse/Neglect Report and mail a copy to DHHS. Proper documentation shall be maintained in accordance with Section III.C.

### V. INTERNAL INVESTIGATIONS AND DISCIPLINE

## REPORTING CHILD ABUSE AND NEGLECT

- A. ~~\_\_\_\_\_~~ ~~A.~~ **Employees.** If the person suspected of abuse or neglect is an employee, the Superintendent/designee shall investigate and take appropriate action, in accordance with applicable Board policies, collective bargaining contracts, and federal and state laws.
- B. ~~\_\_\_\_\_~~ ~~B.~~ **Students.** If the person suspected of abuse or neglect is a student, and the abuse or neglect occurred on school premises, during a school activity, or is otherwise related to the school, the Superintendent/designee shall investigate and take appropriate action, in accordance with applicable Board policies and federal and state laws.

### VI. INTERVIEWS OF CHILD AND SCHOOL PERSONNEL

~~\_\_\_\_\_~~ Upon Department of Human Services (DHHS) request, DHHS personnel shall be permitted to meet with and interview ~~a~~ the child who is named in ~~a~~ the report of suspected child abuse and neglect when the child is present at the school, as provided in this section. The interviewer principal/designee shall:

A. Require the DHHS employee requesting to interview the child to provide written certification that he/she is an authorized representative of the DHHS and that, in DHHS in the Department's judgment, the interview is necessary to carry out that Department's its duties under Maine law.;

B. Require the DHHS caseworker shall to discuss the circumstances of the interview and any relevant information regarding the alleged abuse or neglect with the child's teacher or, guidance counselor or the school's school nurse, social worker or principal, as the caseworker determines deems is necessary for the provision of any to provide needed emotional support to the child prior to and following the interview.;

~~\_\_\_\_\_~~ School officials may C. Not place any other conditions on the DHHS's ability to conduct how the interview is conducted, including, but not necessarily limited to requiring that certain persons be present during the interview; prohibiting certain persons from being present during the interview; or and requiring notice to or consent from a parent or guardian.;

~~\_\_\_\_\_~~ [NOTE: The statute uses the phrase "school officials." In practice, this is typically the building principal.]

~~\_\_\_\_\_~~ School officials shall D. Provide an appropriate, quiet and private place for the interview to occur. and

~~\_\_\_\_\_~~ That DHHS intends E. Not disclose any information about DHHS's intention to interview the child

## REPORTING CHILD ABUSE AND NEGLECT

~~is confidential information and may not be disclosed to any person except those to school officials, including an or the school's attorney for the school, who need the information to comply with Maine law pertaining to child abuse and neglect investigations~~the interview request.

~~School personnel who assist DHHS in making a child available for an interview are regarded as participating in a child protection investigation or proceeding for the purpose of immunity from liability.~~

### VII. ~~VII.~~—CONFIDENTIALITY OF INFORMATION AND RECORDS

All records, reports and information concerning alleged cases of child abuse and neglect shall be kept confidential to the extent required by Board policies and applicable law.

The building principal/designee is permitted to release a child's school records without prior consent of the parent/guardian to DHHS or law enforcement officials as necessary to protect the health or safety of the child or other individuals under federal law.

### VIII. GOOD FAITH IMMUNITY FROM LIABILITY

Any person who in good faith reports, assists DHHS in making the child available for an interview, or participates in the investigation or proceedings of a child protection investigation is immune from any criminal or civil liability for the act of reporting or participating in the investigation or proceeding. ## PUBLIC'S RIGHT TO KNOW/FREEDOM OF ACCESS

The Board recognizes the importance of a well-informed public to the operations of the school unit. The Board will comply with all applicable sections of Maine's Freedom of Access Act.

The Board designates the Superintendent, and to act in the absence of the Superintendent, the Assistant Superintendent for \_\_\_\_\_ Business Manager as the Public Access Officer for Cape Elizabeth Schools.

~~[NOTE: 1MRSA § 413 requires each school administrative unit to designate "an existing employee" as its public access officer. The public access officer is responsible for ensuring compliance in regard to Freedom of Access requests (see 1MRSA § 413(1)). A person designated as a public access officer is required to complete a course of training on the requirements of Maine's Freedom of Access Act as related to public records and proceedings and must do so no later than the 120<sup>th</sup> day after such designation (see 1MRSA § 412(1)). As with school board members, a person designated as public access officer may meet the training requirement by reviewing all the information made available by the State of Maine on the Frequently Asked Questions portion of its Freedom of Access website, or by completing any other training course that includes all of this information. Certification of completion is also required (see 1MRSA § 412(3)).]~~

Except as otherwise provided by statute, all Board proceedings shall be open to the public, any person shall be permitted to attend, and any records or minutes of such proceedings that are required by law shall be made promptly and shall be open to public inspection.

Board agendas and minutes, proposed and approved Board policies, annual budget reports, student handbooks and Board member Freedom of Access training documentation/certificates shall be available for immediate inspection and/or copying in the Superintendent's Office. Requests for all other public records shall be made, preferably in writing, to the Superintendent, specifying the records desired for inspection/copying. The Superintendent/designee may request clarification concerning which public record or records are being requested.

The Superintendent/designee shall acknowledge receipt of a request for inspection and/or copying of public records within a reasonable period of time.

~~[NOTE: M.R.S.A. § 408(1) requires acknowledgement of the receipt of a request to inspect and/or copy a public record within a "reasonable period of time." As a matter of good practice, MSMA recommends acknowledgement be provided within five working days whenever feasible.]~~

If the request is denied, the Superintendent/designee shall inform the requestor in writing within five working days of the request and shall state the reason for denial. Otherwise, inspection and/or copying may be scheduled to occur within a reasonable period of time following the request at a time that will not delay or inconvenience the regular activities of the school unit.

The school unit is not required to create a record that does not exist.

## PUBLIC'S RIGHT TO KNOW/FREEDOM OF ACCESS

~~[NOTE: What should be regarded as a "reasonable period of time" for producing records for inspection depends upon the circumstances. Some documents are more accessible than others, and some requests more complex or difficult to fulfill, e.g., those requiring retrieval from multiple files, redacting (blacking out) of confidential information, searching computer networks or converting a record to a usable form. Other documents, such as Board meeting minutes and Board policies are typically kept in a central location and easily retrieved. It would be reasonable to expect that such documents would be provided expeditiously.]~~

### ELECTRONICALLY STORED PUBLIC RECORDS

In compliance with the Freedom of Access Act, the school unit will provide access to an electronically stored public record as a printed document or the record or in the medium in which the record is stored, at the requester's option, except that the school unit is not required to provide access to an electronically stored public record as a computer file if the school unit does not have the ability to separate or prevent the disclosure of confidential information contained in or associated with that file. The school unit is not required to provide access to a computer terminal.

~~[NOTE: We recommend consultation with your school attorney if there is a question as to whether a document or particular information must be provided in response to a Freedom of Access request, or the form in which it must be provided.]~~

### FEES

Except as otherwise provided by law or court order, ~~[School unit name]~~ the Cape Elizabeth School Department may charge fees as follows:

- A. A fee of \_\_\_\_\_ \$0.25 per page to cover the cost of copying. ~~[NOTE: The statute provides for a "reasonable fee to cover the cost of copying."]~~
- B. A fee of \_\_\_\_\_ \$15.00 per hour after the first hour of staff time per request to cover the actual cost of searching for, retrieving, and compiling the requested public record. Compiling the public record includes reviewing and redacting confidential information. ~~[NOTE: By statute, this fee may not exceed \$15.00 per hour.]~~
- C. If conversion of a public record into a form susceptible of visual or aural comprehension or into a usable format, a fee to cover the actual cost of translation.
- D. A charge for the actual mailing costs to mail a copy of the record.
- E. No fee shall be charged for inspection of public records, unless the record cannot be inspected without being compiled or converted, in which case paragraph B or

**PUBLIC'S RIGHT TO KNOW/FREEDOM OF ACCESS**

C applies.

As required by law, the school unit will provide the person making the request an estimate of the time necessary to complete the request and of the total cost and, if the estimated total cost exceeds ~~\$100.00~~ **30.00**, will inform the requestor before proceeding. If the estimated total cost is greater than \$100.00 or if the requestor has previously failed to pay a fee assessed for access to Cape Elizabeth School records, the requestor may be required to pay all or a portion of the estimated cost prior to the search, retrieval, compiling, conversion and copying of the public record.

The Superintendent is directed to develop and implement such administrative procedures as may be necessary to carry out this policy.

## RELATIONS WITH LAW ENFORCEMENT AUTHORITIES

The School Board recognizes that a cooperative relationship with law enforcement authorities is desirable for the protection of students and staff, maintaining a safe school environment, and safeguarding school property.

School administrators and staff shall have the primary responsibility for maintaining proper order in the schools and for disciplining students for violations of Board policies and school rules. However, the Board authorizes the Superintendent/administration to seek the assistance of law enforcement authorities when they believe there is a substantial threat to the welfare and safety of the schools, students and/or staff. ~~The Superintendent/administration shall also inform law enforcement authorities when they have reason to suspect that a student or staff member may have violated a local, state or federal law.~~

The Board strongly discourages law enforcement authorities from using the schools as venue to arrest and/or interrogate students for activities not related to or affecting the schools. The Superintendent/administration retain the authority to deny law enforcement access to students for non-school-related investigations.

The Board authorizes the Superintendent and administration to work with local law enforcement authorities to develop administrative regulations to guide interactions between the schools and law enforcement. Such regulations should safeguard the rights of students and parents, be consistent with Board policies, and minimize disruptions to the instructional program. These administrative regulations are subject to the approval of the Board.

The Superintendent shall include law enforcement authorities in the development and implementation of the school unit's comprehensive emergency management plan. The Board also encourages the Superintendent/administration to include law enforcement authorities in the development and/or implementation of instructional programs/activities related to student safety.

~~[NOTE: School units which have more formal relationships with law enforcement, such as police officers who regularly work in the schools or interagency agreements, should add appropriate language or revise this sample policy/regulation as necessary.]~~

**RELATIONS WITH LAW ENFORCEMENT AUTHORITIES  
ADMINISTRATIVE PROCEDURE**

~~{NOTE: This procedure provides a general framework for involvement of law enforcement in the schools.}~~

~~{NOTE: Local Boards should discuss which school staff will be authorized to deal with law enforcement authorities and insert specific language wherever the term "school administrators" is bolded in this procedure.}~~

The following procedures are intended to guide the involvement of law enforcement authorities in the schools:

- A. Law enforcement officials may enter school premises:
  - 1. In the event of an emergency endangering student or staff safety;
  - 2. At the request of school administrators;
  - 3. When there is a warrant to arrest a student which cannot be executed outside of school hours. School administrators are not obligated to make students or school facilities available to law enforcement for non-school-related investigations/arrest;
  - 4. In exigent circumstances as authorized by law.
- B. School Administrators shall attempt to contact the student's parents/guardians prior to allowing law enforcement authorities to interrogate, search or arrest a student at school, except when there are reasonable grounds to believe that a health or safety emergency requires the interrogation, search or arrest to take place without prior notice.
- C. Law enforcement authorities are responsible for ensuring that a student is informed of his/her rights prior to an interrogation, search or arrest conducted by law enforcement authorities.
- D. A student may be removed from school by law enforcement authorities when there is a court order, an arrest warrant or when a warrantless arrest is authorized by law. School administrators shall attempt to notify the student's parents/guardians as soon as possible of the student's removal from school.
- E. School administrators shall release student information to law enforcement authorities only as allowed by the Family Educational Rights and Privacy Act.

## ACCOMMODATION OF SINCERE BELIEFS IN REQUIRED INSTRUCTION

The curriculum of the Cape Elizabeth School Department is designed to meet statutory requirements and includes other areas of study deemed appropriate by the professional staff and the Board. The curriculum includes topics and materials that are age and ability appropriate to the students.

The Board acknowledges that from time to time individual students may be exposed to some ideas and materials with which they or their parent/legal guardian do not agree. Students and their parents cannot be required to adopt ideas with which they disagree, but such disagreement alone is not a sufficient basis to exempt a student from the prescribed curriculum. Exemptions from the required curriculum should be minimized because they can detract from the overall instruction provided to the class as a whole and the educational objectives sought to be achieved by the curriculum.

The Board recognizes, however, that there could be topics in the curriculum which may be objectionable to individual students based on their particular, sincerely held religious, moral or philosophical beliefs. Alteration of individual participation in this instruction which infringes on such beliefs may be requested by the parent(s)/legal guardian.

Requests for accommodation of beliefs in instruction must be made in writing to the building Principal and are subject to the approval of the Principal. The Principal shall notify the Superintendent as soon as practicable of any request for accommodation from instruction and of his/her decision. If the Principal denies an accommodation request, the parent/legal guardian may appeal to the Superintendent, whose decision shall be final.

In considering requests for accommodation, factors that the Principal should consider may include the following:

- A. Whether the course of instruction is required by state law or regulations, or Board policy.
- B. Whether an accommodation will adversely affect the instruction provided to other students.
- C. The educational importance of the material or instruction from which exemption is requested.
- D. Evidence regarding the sincerity of the belief on which the accommodation request is based.
- E. Whether the school has a legal obligation to accommodate the request. In the case of curriculum aligned with the system of learning results, if there is a conflict with the sincerely held religious beliefs of a student or his/her parent/legal guardian, accommodation in the curriculum shall be made for the student. If the accommodation is so great that the validity of the local assessment system is compromised, the

## **ACCOMMODATION OF SINCERE BELIEFS IN REQUIRED INSTRUCTION**

Superintendent will determine how to address this, subject to approval of the Commissioner of Education.

F. Other factors that bear upon the particular request.

When a student is exempted from a portion of the regular curriculum, the staff will make reasonable efforts, within the scope of existing resources, to accommodate alternative instruction for the student. Alternative instruction may be provided by the school or thorough approved independent study. Any alternative instruction shall be approved in advance by the Principal in consultation with the classroom teacher, and shall meet the standards and objectives of the part of the curriculum that is being replaced.
